# OECD Economic Report as Deliberate, Criminal Fraud

by Lyndon H. LaRouche Jr.  
USLP Presidential Candidate

Dec. 10 — Contrary to misinformation disseminated through the Organization for Economic Cooperation and Development (OECD), as of the end of 1975, a chain-reaction collapse of approximately \$800 billion of international and U.S. debt will be unavoidable. The consequences of this collapse — unless appropriate countermeasures are taken by responsible government — will be the immediate devastation of international trade and production, opening the Third World and large parts of the advanced sector to ecological catastrophe in the succeeding two years.

The OECD November published report that the industrialized countries' economies are in a modest upswing is a deliberate fraud which is in fact part of the Rockefeller Hilex 75 economic warfare operation. In reality, the current world economic situation is this: The imports of industrial countries, the broadest indicator of economic activity on a world scale, fell by approximately 18 per cent in physical volume in the year ending Sept. 30, 1975, adjusting the most recent International Monetary Fund data for inflation. This reveals a far worse collapse than the miserable, bloated GNP figures bandied about by OECD and similar agencies indicate. This measure includes a 24 per cent drop in imports for the U.S.; 22 per cent for Japan; 20 per cent for France; 28 per cent for Switzerland; and 17 per cent for Great Britain.

Not coincidentally, the key flashpoint for an international liquidity crisis is approximately \$40 billion in short-term international credits in world trade owed by Third World countries, \$30 billion owed by Japan, and smaller amounts owed by weaker sectors in terms of balance-of-payments position. This, in turn, is hooked into a larger

mass of international banking credits, an additional \$30 billion-plus of Euro-dollar medium-term credits to Third World countries, the core of the \$220 billion Eurodollar structure.

At least \$10 billion of this debt — a closer estimate is \$20 billion — is now in default, putting terrific immediate strains on the short-term side of the international market. Only the injection of about \$5 billion in central bank funds during the past two months, much of it channeled through the Bank for International Settlements in a kind of "open market" operation, has prevented the detonation of the international market as a whole.

## Third World Debt

In addition, virtually all international funds available since June 30, 1975, have been channeled into debt refinancing, shutting off key flows of commodities and capital investment both to the Third World and parts of the advanced industrial sector. In the Third World, the most devastating example is Brazil, the "flagship" model of capitalist development, which will have cut imports by approximately 30 per cent under 1974 levels by the end of this year. This shutoff in imports derives from Brazil's need to refinance approximately \$3.4 billion in debt maturing during 1975. While precise data are not available, Argentina's situation is similar; a minimum of \$3 billion of its \$3.5 billion repayment obligation this year is now in default. As the accompanying chart indicates, the predicament of the sector which capitalist economists have viewed as the healthiest among developing countries applies broadly to the Third World as a whole, indicating a dropoff of imports of this sector of at least 30 per cent during the second half of 1975. In turn, the import shutoff of the industrial nations reflects strongly on

the exports of Third World commodity producers.

Therefore the International Monetary Fund figures do not represent the "summation" of an already-past world recession, but the takeoff point of a geometric rate of collapse in international trade.

The balance of defaulted Third World debt is now subject to overnight refinancing, raising the possibility of a general collapse of international credit markets at any moment, and the virtual impossibility of rolling over the mass of illiquid debt past January.

## A Three Months Leeway

The single exception to the virtual certainty of the collapse of dollar-based financial markets is the possibility of massive refinancing through the imposition of a 30 per cent cut in living standards on the working class of the industrial countries, either through austerity or hyperinflation in the next few months ahead. Leading financiers in New York and elsewhere are considering the efficacy of such a policy, but are generally aware that even if such efforts succeeded, they would at best prolong an unstable situation for a further three months. Broadly, these layers are committed to military-directed top-down controls over the world economy under the Helix 75 format.

In the industrial countries themselves, industrial output and orders began falling during October, according to the most recent official statistics, starting with a collapse of heavy-machinery orders in Japan and other major producers. The leading trading nations have avoided the worst effects of the collapse thus far mainly through the doubling of the percentage of their exports to the socialist countries. This

outlet is now largely exhausted, through the lack of export-financing capacity of the exporter-nations themselves, and the exclusion of the Soviet Union from private international financing channels since the third quarter of this year.

The inability of Japan, Britain, Italy, and other sectors with a weak payments position to finance a recovery is illustrated by the fact that the Japanese yen began collapsing in November when import bills from the four months' previous "upturn period" began to come due.

The breaking point of the U.S. situation is the near-bankruptcy of the large commercial banks which, by the best estimates available, have soft loans comprising 50 to 70 per cent of their assets, excluding foreign loans, which are the weakest sector of their portfolio. The commercial banking system is in no position to finance a recovery. Its efforts during the period since Sept. 30, when illiquidity could no longer be contained in the real estate, airlines, aerospace, and other weak sectors, have been centered on maintaining balance-sheet solvency on the basis of unprecedented liquidity injections from the Federal Reserve.

These same banks are the private-sector institutions most intimately associated with the planning and personnel of the Helix operation.

#### **Black Propaganda**

The OECD's propaganda to black out the reality of the worldwide liquidity collapse is an operation primarily aimed at the personnel involved in the operation, managed through two groups founded at the beginning of October. The first, composed of George Schultz for the U.S., Karl-Otto Poehl for West Germany, Raymund Barre for

France, and John Hunt for Great Britain, acted as a coordinating team outside normal government channels to prepare ground for the series of international meetings culminating in the Dec. 16 Conference on International Economic Cooperation. These individuals provided the interface at the highest level between selected governmental circles in NATO countries and OECD staff efforts in the fields of energy, raw materials, and North-South relations assigned to OECD by the May ministerial meeting of NATO in Brussels.

The second group, headed by U.S. Trilateral commission member Paul McCracken and former Bank of Italy governor and NATO economic warfare expert Guido Carli, was created at the same time to feed out "longer range" perspectives in the same areas.

Apart from their coordinating function, these gentlemen have the task of inoculating official layers to the most hideous aspects of the Helix scenario, in particular, the manipulation of official understanding of economic warfare and international controls. Along with Rockefeller family associates Zbigniew Brzezinski, George Ball, C. Douglas Dillon, et. al., they provide a suitable "insiders view" of OECD, NATO, and related operations within the Helix maneuver. The objective is to encourage maximum cooperation among these layers without infringing on the "need-to-know" limit on information concerning operational plans for confrontation with the Warsaw Pact.

More important is the relationship of the OECD's public deception on the state of the world economy to the "Hilex" command and control procedures into which OECD is integrated. Through the command and control

procedures of the Helix operations, not only the OECD staff, but in the United States (for example) selected "cells" are linked to the NATO staff in the Departments of Commerce, Labor, Treasury, Transportation, and Defense. These cells are briefed as to what they individually must do when activated, but not what similar cells are doing, and least of all what the overall objectives of Hilex 75 are.

Should the tens of thousands of individuals who must cooperate under centralized command and control for Helix 75 to succeed become broadly aware that the objectives of the purported exercise are to lead the NATO countries into nuclear confrontation with the Warsaw Pact, and to respond to an exploding economic crisis by imposing supranational fascist controls on the world economy, the Hilex operation would instantly dissolve.

From the standpoint of NATO planners, therefore, what the thousands of civilian and military bureaucrats whom they manipulate must remain in the dark about is the reality premise of the Hilex operation. This, as leading individuals associated with Hilex identified in the period immediately prior to the June 30 debt-rollover date, is the inevitability of a general world liquidity crisis in the same period as the scheduled span of the Helix maneuvers. This, as noted, is also the actual premise of senior OECD staff as of the same period. The principal purpose of the OECD black propaganda concerning the state of the world economy is to influence a bureaucratic belief-structure insulated from the reality underlying the Helix maneuvers, and therefore safe from the dangerous knowledge of what the actual purpose of Helix is.

In comparison with the size of the Eurodollar market — roughly \$220 billion — we have calculated the total Third World debt (of non-OPEC Third World government and private debtors) at no less than \$200 billion. Of this, the bulk is Third World government debt.

The total amount due over 1976 in debt service from the Third World is between \$25 and 30 billion (debt service public and private.) This is the number we are dealing with when discussing the explosion of the international monetary system. Along with this, the total of Zaire-style forced rollovers — money that is being **defacto defaulted** upon and thus continually rolled over on a 24-hour basis because no means of payment exists and payment was not made in the last year — is at least \$8-10 billion.

Below are listed for full reference the 26 top non-oil producing nations debt and relevant statistics by commodity to grid with the potential for a raw materials hoax or production scenario under Hilex-75. Essentially, this would be a case of the Rockefeller forces attempting to utilize the actually disadvantageous situation from their standpoint — the imminence of the Third World debt blowout — to selectively dump countries by cutting off their financing and thus shutting down their production. This would go along with the New York banks' threat to "pull the plug" on the U.S. railroads, the tanker industry and other production, thus engendering massive shortages. This method of shutdowns would be very delicate, however, as the blowing of the banking system which goes along with cutting off these countries from the world monetary system would have political-economic repercussions involving mass strikes, etc., in the advanced capitalist sector. Therefore it would have to be carefully timed with other methods or planned for a late stage in fascist military takeover. In any case, the capability is as follows:

# The Financial Background To Hilex 75

by Ali Baz  
IPS Financial Intelligence

The National Caucus of Labor Committees financial intelligence staff has determined that since the May 1975 NATO Shapex maneuvers, the entire network of banking, credit, monetary and trade institutions associated with the Rockefeller family's financial interests has pursued policies leading directly into the now operational NATO Hilex-75 nuclear confrontation gameplan.

As was expected by the leading members of this financial faction, an approximately \$40 billion in short-term international trading credits to Third World countries — owed principally to the leading Rockefeller banks and their overseas branches — went illiquid as of the June 30, 1975 debt rollover deadline. Since the deadline, large portions of this mass of debt have been refinanced in the Eurodollar market with 24-hour to seven-day funds. This refinancing burden, on top of \$30-\$40 billion in illiquid medium-term bank credits to Third World countries, now threatens to detonate the entire international banking system.

As international trade and industrial production are gutted in the service of this growing cancerous debt, it was clear, even to the Rockefellers, that under present conditions the Dollar Empire would not last beyond early 1976. Hence, the design of Hilex-75: maneuvers aimed at sabotaging international motion toward debt moratoria and the establishment of an International Development Bank institution, while preparing to open the East bloc to Rockefeller's looting operations through a thermonuclear showdown by early 1976.

The U.S. Federal Reserve System has been the linchpin in the Hilex scenario financial deployments. This week, the head of contingency planning at the Federal Reserve System in Washington D. C. confirmed that the nation's central bank is part of the "live" NATO exercise. According to him, the Federal Preparedness Agency (FPA) fully coordinates the Fed's participation in Hilex.

## The Sabotage Operation

Rockefeller-dictated U.S. and Western European credit and monetary policies, and the manipulation of the foreign exchange rates and the money markets have caused a massive accumulation of funds in the banking system in the periods approaching the June 30

and September 30 rollover crisis. A similar pile up of liquidity in New York banks is going on the present period approaching the December 15 debt rollover deadline. This availability of funds to meet demands for the selective refinancing of Third World and advanced sector debt has been assured only by the accelerating collapse of advanced sector industry and international trade.

Both U.S. and European monetary policies and interest rate strategies have been geared toward the manipulation of both money market and foreign currency exchange rates with the express purpose of providing this optional liquidity for the dollar sector. The timing of the sale of the Treasury's short-term paper has meshed almost exactly with the banking system's need for income-producing assets. The dollar has been purposely weakened at crucial points, generally three to four weeks prior to a major rollover deadline — thus allowing European central banks to purchase massive amounts of dollars which over the immediate short term flow nowhere else but into the coffers of the Eurodollar banks at subsidized rates. Subsequent to rollover deadlines, as the dollar appreciated, the European central banks have sold millions to prop up their own currencies and relieve dollar-sector banks from incurring carrying charges.

In the case of Great Britain, where the Bank of England did not have the available reserves to engage in such transactions, the pressure on the pound has come invariably one month or so prior to a rollover deadline, fueled by media rumors of immediate sterling collapse. Interestingly however, the pound has generally stabilized within a week after the rollover deadline passed. This operations has provided liquidity to the dollar sector as OPEC and Commonwealth depositors in the sterling zone have temporarily transferred their funds out of sterling and into dollars.

Domestic Japanese and European pump-priming and interest-cutting has caused an other crucial drain of liquidity into the near bankrupt and higher interest-rate-yielding dollar sector.

In the U.S., Federal Reserve Chairman Arthur Burns has been passing bank-balance sheet window dressing to the four leading New York City banks, which, although they show a 50-

70 per cent margin of bad assets on their books, have not been required by the Fed to write off any of these assets. Burns' early Christmas present to these Rockefeller owned enterprises — packaged in his promises that he will "not allow the banking system to collapse," — is the only reason why banks stocks have not yet gone through the floor. Taking Burns' goodwill message on faith, investors have continued to buy IOUs (certificates of deposits) from leading New York banks in limited amounts. Similar assurances by Burns that the U.S. Federal Reserve is ready to meet all domestic contingencies have also allowed the New York banks to bail out the Eurodollar market on the eve of recent rollover crises with huge infusions of funds to Europe.

## The Operatives

In league with the Federal Reserve System and the leading New York bankers, the following governments and agencies have conspired to prop-up the Dollar Empire even if it means the nuclear incineration of most of the world's population by January 1976:

\* **U.S. Treasury** — The primary role of this agency has been the sabotage of Soviet, related French Gaullist, and pro-development West German industrialists' efforts to establish a gold-backed European currency bloc as a stepping stone for international acceptance of the Soviet gold-backed transfer ruble as the international reserve currency. Additionally, the Treasury has publicly followed a policy of busting OPEC — the oil cartel that both Iraq and Algeria have used as the launching pad for their demands for a "new world economic order." The Treasury has timed the flotation of its debt issues in accordance with needs of the banking system. Finally, the Treasury has deliberately sabotaged inter-bloc trade and development deals, best exemplified by the recent busting up of EEC-Arab League negotiations in Abu Dhabi by Treasury Assistant Secretary Gerald Parsky.

\* **International Monetary Fund, and the World Bank** — The IMF has consistently pushed SDRs, Oil Facilities, Third Windows, etc. as substitute debt refinancing schemes to stop the international motion towards debt moratoria. It has supported commodity stockpiling schemes for Third World raw material producers which correspond directly with the trade embargo

scheme in the HILEX script.

The IMF has allotted an SDR \$3 billion fund to finance commodity stockpiling on a selective, country - by country basis, to secure fingertip control of world raw material flows for the Rockefeller financial interests. Furthermore, it has imposed Auschwitz - type austerity on these recipients that have received funds from it for debt refinancing purposes. The World Bank, IMF's sister agency, has been at the forefront of pushing labor-intensive policies on whole sections of the developing world.

\* **OECD** — This agency, NATO's economic policy counterpart, has been particularly active in supporting energy consumption cutbacks and alternative energy sources development. Further, the agency has intervened directly to nullify East-West trade contracts via NATO's import-export control agency, COCOM, and has thereby denied to the East bloc access to Western technology it needs to improve the standard of living of its workers.

\* **The Giscard d'Estaing Government of France** — On Rockefeller orders French President Giscard has played a key role in diffusing the pro-gold motion throughout the advanced sector by raising the completely phoney issue of fixed exchange parities. Additionally, Giscard has deliberately sabotaged the development efforts of Iraq and Algeria — key pro-IDB Third World nations.

\* **The Bank for International Settlements** — This institution has supported SDRs, Giscard's version of fixed parities, and has recently supplied funds to the Eurodollar banking network to keep it afloat.

\* **The Wilson Government of Great Britain** — The Wilson government has been instrumental in attempts to sabotage the North-South Conference scheduled for next week in Paris by demanding that Britain be independently represented on the EEC. The British government has gone so far as to provoke crises for its own currency in order to provide liquidity to the dollar sector at crucial moments and to then use these crises to impose fascist wage controls and austerity on its own working population. Britain has played a key role in attempting to break OPEC and has used its British Commonwealth links with Third World nations to peddle "third way" commodity arrangements.

\* **The Central Banks and Finance Ministries of OECD Nations** — These agencies have pursued domestic monetary policies designed to cause outflows of liquidity from their own national sectors, into the dollar sector gutting their own domestic industry and foreign trade in the process. The central banks, through interventions on foreign exchange markets, have purchased dol-

lars which have ended up in the dollar sector prior to rollover periods and sold dollars at the end of such periods.

\* **Rockefellers Oil Sheikdoms** — Saudi Arabia, Kuwait, Libya, the Gulf Emirates, and Iran have functioned on orders from the Rockefeller financial faction to infuse the New York City banks with desperately needed liquidity at crucial points by issuing short-term refinancing loans to Third World countries on the verge of default. In addition, they have used their financial muscle to stem the rapidly growing motion toward debt moratoria and International Development Bank credit arrangements among non-OPEC Third World nations. Iran, in particular has been the most vocal spokesman for International Monetary Fund Special Drawing Rights arrangements as a substitute for the production-backed Soviet transfer ruble, and has supported Rockefeller's attempts to loot Third World populations and economies through commodity price indexing.

#### **Hilex Deployments Around the June 30 Debt Rollover Deadline**

The brief summary of the May to early July 1975 period will familiarize the reader with all the relevant credit-related routines and sub-routines of the RAND scenario operational in the period between formal Shapex and Hilex 75 maneuvers. Subsequent to the May period, the only significant change in international monetary relations was reflected in the magnitude of the looting operations as the liquidity demand of a burgeoning mass of debt expanded geometrically simultaneous with the rapid erosion of the international productive base. However, approaching May-June of 1975, as one sector after another was sucked bone dry of liquidity, the point was reached where the final nuclear holocaust phase of Hilex became as one New York banker said, "less risky" to the Rockefellers than the certain collapse of their financial empire by early 1976

#### **May 1975**

Despite the sharp \$1 billion drop in the narrowly defined money supply (M-1) for week ending May 1, even the bitterest critics of Arthur Burns' tight monetary policies — even those who claimed that no less than a 15 per cent annual growth rate for M-1 could bail out the dollar — publicly hailed a so-called economic recovery as the result of Fed chairman Burns' "concessionary" decision in favor of an M-1 annual growth rate in the 5-7 per cent range.

There was a brief increase in the commercial and industrial loans outstanding of New York bank — the last such jump of any significance — after a steep continuous decline over the previous four months as banks refinanced

the debts of major blue-chip debtors. With an interest hike expected due to the anticipated monetary tightening, these corporations were relying on high-cost short-term bank loans while investors shied away from long-term securities.

While sabre-rattling Defense Secretary James Schlesinger was pushing MC14-4, the New York banks were publicly announcing their credit triage policies, both internationally and domestically. First National City Bank of New York spokesmen let it be known to IPS that the bank would not lend at less than 2 per cent above the London interbank offering rate on the Eurodollar market. There was a simultaneous cutoff of trade financing. Bankers Acceptances (trade financing instruments used primarily for Japan's international trade) issued dropped by \$652 million in May alone, beginning a precipitous decline that would last until the end of August. With the ensuing collapse of international trade, commodity prices entered a sharp nosedive, driving out all but a handful of large companies capable of bearing the burden of prohibitive hedging costs.

With 30 per cent of their total outstanding assets in non-interest accruing "soft" loans, the New York banks moved full-speed ahead to fill their coffers with the help of their friends. These banks started disaccumulating municipal paper wholesale thus freeing capital for investments in short-term Treasury paper for the highly profitable "arbitrage" operation between masses of cheap Fed funds supplied by the Federal Reserve and higher-yielding Treasury bills of a maturity of 30 days or less. Since May "arbitrage" has provided these banks with their sole significant operating income. In October-November, when interest rates started collapsing, this last source of income abruptly ended. At that time, the Federal Reserve lowered the discount rate, allowing banks to trade in their assets for cash at lower cost.

On the European side, the Bundesbank, West Germany's central bank, simultaneously lowered its interest rate and reserve requirements for German banks. Such pump-priming measures in Western Europe have proved to be the mainstay of the New York banks on the Eurodollar market as interest-sensitive liquidity rushed into the higher-interest dollar sector by the billions. Later in the month, British Chancellor of the Exchequer Denis Healey, triggered a collapse of the pound with the statement: "The pound should seek its own level." Such deliberately provoked sterling crises provided an additional source of liquidity for the dollar sector as depositors transferred their funds from

pounds into dollars. Delegations of New York bankers toured European and Middle Eastern capitals throughout the month to secure commitments for lightening their rollover burdens arising out of uncollectable Third World debts. European central banks were supporting their export-competitiveness by purchasing dollars with their own currencies — dollars that ended up in the coffers of the New York banks via the Federal Reserve. Other key developments in May:

May 8--OECD studies cartel and pricing agreements on raw materials without any evidence of urgency.

May 15--Ford rejects Federal aid to New York City. City to default on its notes.

May 19--SEC escalates watering of corporations. Northrop, Gulf charged. International Tin Council embroiled in debate to set floor price.

May 28--Kissinger at OECD-IEA meeting calls for energy cutbacks, development of alternate sources, buildup of commodity stockpiles, \$2 billion IMF Trust Fund, \$1 billion on Food Fund to increase production in Third World.

\* Algeria blasts Kissinger's proposals as misleading the Third World as well as developed countries.

\* Algeria cancels oil-for-technology deal with France holding it responsible for spreading malicious rumors

about Algeria undercutting OPEC oil prices.

\* Abu Dhabi announces it will sell oil at below-OPEC price.

\* U.S.-Britain pushing for SDR-numeraire scheme which will allow indexation of credit, deposits, prices, etc., to the SDR.

#### June 1975

Early June -Days after the canning of the U.S.-British SDR-numeraire scheme due to West German resistance, Helmut Schmidt in a speech in Cologne called for an eventual return to fixed-rate currency regime. Just the day before, a White House study had ordered a review of U.S. policy on exchange rates.

\* With the Soviet Union bypassing the U.S. Treasury-rigged international gold markets and selling gold directly to Kuwait and other Gulf Emirates, the U.S. Treasury announces a public auction of its gold to collapse its market price.

\* U.S. announces it would not participate in a new \$1 billion "soft" loan facility of the IMF's Development Committee. Difficulty of Congressional approval was cited as the reason.

\* At the IMF meeting in Paris, the U.S. attempts to line up Third World support on demonetization of gold claiming that such an action would only exacerbate the differences between the developed and developing

countries. A \$100 million interest-subsidy fund for the "Third Window" to help refinance Third World debts was proposed.

\* At an OPEC meeting in Gabon, Iran pushes for oil pricing in SDRs.

\* Ford formally requests Congress to approve U.S. participation in a two-year \$25 billion "safety net" to finance balance of payments deficits of OECD countries. Ford slates U.S. contributions in the form of \$7 billion guarantees.

\* CBS plays up highly exaggerated accounts of a pound collapse.

\* At ABA Meeting in Amsterdam, David Rockefeller declares that the banking system could not meet the huge demand for credit arising from a U.S. upturn. Burns, at the same meeting, recognizes Europe's irritation at the dollar overhang and proposes substitution with SDRs.

June 17 — France reveals to be supporting the dollar at the rate of \$500 million per month.

June 20 — A 20 per cent increase in the money supply over the last four weeks. New York banks excess reserves are measured at \$409 million, largely supplied by federal funds from the Federal Reserve.

June 30 — Pound drops by five cents in biggest one day drop. Heavy inter-bank lending on Eurodollar market.

# Hilex 75 Food War Weapon Threatens World Starvation

by K. Brown  
IPS Financial Intelligence

Dec. 10 (IPS) — U.S. use of food control as a weapon against the Third World and Soviet Union emerged this week as a top policy thrust of U.S. government officials, Democratic presidential candidates, and the agent press.

Threatening a worldwide shortage of vital food supplies, Rockefeller agents deployed internationally as part of the Hilex 75 NATO exercise to sabotage transportation through provoked dock strikes and railroad and airline bankruptcy shutdowns. An intense press and media psywar campaign backed up these deployments by airing the imminent use of food control as a weapon.

The food control scenario, if carried out, would be the starvation of one billion people in India, Algeria, Bangladesh, Peru, and Egypt as well as the elimination of meat from the diets of Western Europe's population.

Rockefeller intends to use this threat of mass starvation to force the Third World nations into dropping plans to implement an International Development Bank and a new world economic order at the Dec. 16 North-South conference. Instead, as the Hilex 75 scenario spells out, the cabal expects the enraged underdeveloped nations to use raw materials as a retaliatory weapon against the West, on an each-nation-for-itself basis.

At the same time, a "black propaganda" food scare campaign has been unleashed against the U.S. population to build support for a boycott of grain shipments to the Soviet Union. Coupled with provocative NATO military maneuvers, the food control weapon is calculated to create social chaos worldwide and to force the USSR to back down from its unflinching nuclear policy of Mutually Assured Destruction to defend the Soviet state and its allies.

## "To Hell With The Rest Of The World"

Capping off a week's barrage of press propaganda, the latest issue of Business Week carries an article entitled: "U.S. Food Power: Ultimate Weapon in World Politics?" Quoting a high-level State Department official, the article says "We have the food, and to hell with the rest of the world."

"Senator Henry Jackson was right when he said last week that the Soviet Union is approaching 1917 conditions internally, and the U.S. should use food as a political weapon," State Department consultant Professor Marshall I. Goldman of Wellesley College told reporters today. Goldman was

referring to Maoist Jackson's (D-Wash) recent call for a food shortage to provoke a Soviet insurrection. Taking the psywar even further Goldman quipped, "If the peasants got rid of Khrushchev that way, why not Brezhnev?"

Similarly, Lester Brown, Rockefeller's most vocal mouthpiece for food control, told interviewers yesterday that "there are various scenarios for food control...climate control, monetary destabilization," and the like for use against the Third World and the Soviet Union.

The only shred of government morality on the food control issue came from Agricultural Secretary Earl Butz. After a briefing on Hilex 75 by a U.S. Labor Party spokesman in Chicago yesterday, Butz said, "This policy (food control) is being discussed all over the government, but I don't endorse it." Requesting documentation of the USLP's charges, Butz declared: "We should sell the Soviet Union as much grain as they need. This is the first time I've heard of Hilex 75, but if what you say is true, it's very serious. I'm against it."

## A Multi-Front Assault

Key Rockefeller agents activated the criminal food control scenario this week:

\* An entire array of Democratic Party presidential candidate hopefuls — including Birch Bayh (Ind.), Georgia Governor Jimmy Carter, and former Senator Fred Harris — advocated food control as a weapon against the Third World. The U.S. press publicized their "viewpoints." Only the Chicago Tribune broke the chain of black propaganda by noting yesterday that Carter's "foreign policy advisors" were Rockefeller's Trilateral Commission.

\* A strike of U.S. and Canadian longshoremen against shipments of grain to the Soviet Union is in the works. Kissinger's Undersecretary of State for Economic Affairs Charles Robinson, Commerce Secretary Rogers Morton, his grain deal negotiator Robert Blackwell, Secretary of Labor John Dunlop and the National Labor Relations Board are priming for the shutdown. Slated to lead the strike is aging Rockefeller labor lieutenant George Meany, AFL-CIO head.

\* Transportation Secretary William Coleman and the Federal Preparedness Agency have arranged to have David Rockefeller's New York banks sue the U.S. northeast railways for liquidation and shutdown. Three major U.S. airlines face similar bankruptcy suits.

The stoppage of North American food exports is far from a simple mathematical subtraction of 85 per cent of world grain exports. The entire world market will be "thrown into chaos, as Nuremberg criminal Lester Brown put it, and grain imports will be unavailable at any price. Nations like India, Algeria, and Peru, will immediately suffer mass starvation and food riots. If "India cannot procure more grain from the peasants this year - there will be riots," said a World Bank expert. "Without the (2.4 million tons of) U.S. wheat still to be shipped, the government will not be able to feed the cities.

Similarly affected will be Israel, totally dependent on U.S. wheat imports, as well as Egypt, Lebanon, Pakistan, Bangladesh, Brazil, and South Korea.

The bread consumption in the Soviet bloc and Japan will be cruelly cut, with Japan losing 33 per cent of its wheat and 100 per cent of its soybeans supplies.

## Shut Down The Ports

This week, Undersecretary of State Robinson is calling in Marshall Goldman for consultations on the Soviet grain negotiations and the effect of the grain deal on the Soviet economy. Goldman "recommended" the last grain boycott to the State Department, according to a Washington Post article Sept. 11. At the same time, Secretary of Commerce Morton and negotiator Blackwell, in coordination with Kissinger and Robinson, are provoking the scrapping of the U.S.-Soviet general shipping agreement, expiring Dec. 31 unless the Soviets agree to pay inflated U.S. shipping charges. The Soviets have so far refused; the International Longshoremen's Association (ILA) has vowed it will boycott if U.S. ships use is discontinued.

Finally, Secretary of Labor John "Chop" Dunlop and the National Labor Relations Board this week suddenly threw out the ILA's containerization work rules. The ILA has named this as a cause for a full strike of its national membership and the entire ILA-affiliated Canadian Seamans' Union.

The Democratic hopefuls meanwhile, took to the campaign trail with the food shortage scare. "We must warn America that by the year 2,000, the world will add a billion people every five years. We will warn America that hunger, nuclear death, starvation and wars over food supply threaten our children's future," presidential candidate Birch Bayh told 1000 liberal Dems of the New York Democratic Coalition Saturday.

## THE INSURRECTION AGAINST THE U.S. GOVERNMENT

Dec 13 (IPS) -- By their activation of the "live" NATO maneuver Hilex-75 Vice President Nelson Rockefeller, Secretary of State Henry Kissinger and their co-conspirators this week launched an insurrection against the government of the United States. Faced with intensified strategic offensives on the part of the international communist leadership, the Rockefeller cabal will be forced to by the end of January to play Hilex to its endgame with an assassination of President Ford as the final trigger to a thermonuclear exchange between the U.S. and the Soviet Union.

The assassination of Ford is programmed to have both domestic and international consequences.

In the U.S., the control of the government, of the thermonuclear button and of the economy will be placed directly in the insurrectionists hands. The computer printout, according to our intelligence estimates, calls for the creation of a government of national unity totally controlled by Rockefeller and his immediate allies.

Similarly, within an international environment of military, economic and political provocations, the Rockefeller conspirators behind their facade of a national unity government, hope to terrorize the Soviet leadership into acceptance of a limited nuclear strike with a singleminded display of mad ruthlessness unparalleled in human history.

The current government of the U.S. stands opposed to this policy and hence the basis for the insurrections. The RAND printout for Hilex, however, does not conform to reality. According to the best estimates of non-Rockefeller, non-NATO-linked military experts, the Soviet Union will never accept the concept of limited tactical nuclear warfare proffered by former Defense Secretary James Schlesinger and others associated with the Rockefeller family. The Schlesinger doctrine cannot defend what the Soviets perceive to be their strategic interests. The Soviets have given to this effect over the last year.

The insane Rockefellers, have therefore embarked on a suicidal course. Neither Rockefeller nor Kissinger nor the members of Congress will succeed live to see a government of National Unity. If they succeed in their insurrection, play out the Hilex 75 scenario they will incinerate most of the globe.

The U.S. Labor Party with, the distribution of mass Psychological Inoculation Bulletins, has put all officials, employees and representatives of the government on notice: "It is the undeniable duty of the U.S. Congress in particular to protect the U.S. constitution by demanding the immediate and full disclosure of from all U.S. government agencies concerning their involvement in this so-called exercise."

Failure to take immediate and open action against Hilex-75 insurrection will make U.S. government personell liable not only under U.S. law, the Labor Party leaflet indicates, but also under the Nuremberg statutes concerning "crimes against humanity."

#### FORD OPPOSES THE SCHLESINGER DOCTRINE

On Dec.7, the Chicago Tribune leaked the contents of a memo written at some point during the last few weeks by President Ford. According to the Tribune, the President's memo "disputes the Schlesinger concept that nuclear war has become thinkable." It has reportedly been circulated internally throughout key sections of his administration.

This evidence validates the IPS analysis that the Nov. 2 "Halloween Massacre" that removed Schlesinger from office and attempted to strip Kissinger of his control over National Security operations was precipitated by an effort by Rockefeller, Kissinger-Schlesinger to move for the "button." Ford responded, principally by repudiating the so-called Schlesinger Doctrine and firing its author.

The current Hilex mobilization is thus seen as Rockefeller's treasonous response to the President: they have moved towards a "limited nuclear war confrontation in explicit defiance of the orders of the President of the United States.

#### WHITE HOUSE FROZEN OUT

Rockefeller and Kissinger have already effectively frozen the White House out of the Hilex operation. Calls on Dec.8 to three high level aides in various offices in the White House revealed that they had absolutely no knowledge of Hilex. These aides were subsequently unable to get any information of Hilex even after a routine check.

Similarly, regular military officials in dozens of Pentagon departments reached by IPS this week have also been kept in the dark. These men expressed shock over the extent of the Rockefellers conspiratorial activities.

#### THE INVISIBLE GOVERNMENT IN OPERATION

IPS learned this week that there are specific sections of the government bureaucracy who were both knowledgeable about Hilex and were standing by ready to participate.

According to an official in office of Industrial Resource Mobilization in the Commerce Department, the entire domestic Hilex operation in the U.S. is being operated out of a "cell" in the State department. The "cell" reportedly includes representatives of various Cabinet Departments including Commerce, Transportation and Labor as well as representatives from Arthur Burns' Federal Reserve Board.

Later in the week sources indicated that the broad range of international military and economic warfare deployments for Hilex are centralized under two State Department offices which report

directly to Assistant Secretary of State Arthur Hartman (a member of the highest level policy deliberation body of the supranational Rockefeller dollar empire, the Bilderberg group) and to Kissinger. The two bureaus, Regional Political and Economic Affairs (RPE), which coordinates with the Paris-based Organization for Economic Cooperation and Development (OECD), and the Regional Political and Military Affairs (RPM), which coordinates with the NATO direct the scenarios for a thermonuclear "second strike" on the soil of West Germany, control and disruption of world transportation, food control operations, energy hoaxes, etc.

\* Sources report that so-called front office personnel in the State Department, responsible for these above mentioned areas of operation, have now been given the job of retailing various psychological warfare lines to foreign governments and other layers of the U.S. government bureaucracy. Kissinger operatives both inside and outside the "official" government structure meanwhile, feed the appropriate policy lines back into the State Department front office through special briefings etc.

The way this operation works in practice is best illustrated by the following: The OECD-sponsored International Maritime Consultative Organization, IMCO, is currently conspiring with various Rockefeller-controlled banks including Chase Manhattan, Morgan Guarantee and Citibank to put the entire world shipping trade under full State Department control (specifically by the RPE) during the course of an all-week shipowners meeting in London. As RPE initiates this takeover maneuver, RPM across the hall has put out the line that the Soviets plan to use ports in Angola to cut off shipments of oil supplies to the U.S. and Europe.

A leading banker confirmed this week that the London conference is directly linked to the RPM initiated hysteria over Soviet Naval power - - a line which emanated from the NATO military Committee meeting in Brussels this week. He noted that the OECD, State Department operatives and the banks are discussing what he termed "war contingency plans."

This deployment is being backed up by "outside" men, most notably CIA thinktanker Marshall Goldman. Mr. Goldman accompanied by representatives of Chase and the CIA, will address a Tuesday morning State Department special staff briefing.

According to reliable sources, Goldman, whose proposals last August were the basis of the State Department's staff that shutoffs of Soviet grain shipments would force the Soviets to slaughter their herds of cattle, causing widespread social unrest. Goldman has also briefed AFL-CIO International Affairs Director Lee in Washington on his scenario-- an indication that the State Hilex "cell" will be going all out to push for a longshore boycott-embargo of the Soviet grain shipments....and so on.

In all of these comings and goings, the White House and the President of the United States play no-controlling role.

#### THE COUNTERATTACK

There are signs that anti-Rockefeller forces in the U.S. opposed to Hilex scenario are staging a counterattack.

In testimony yesterday before the Senate Commerce Committee, Secretary of State Robert Ingersoll, a member of the Chicago anti-Rockefeller, pro-detente industrialist's faction, denounced the idea

that in circulation that economic warfare could bend Soviet policy. On the contrary, Ingersoll pointed out, since the Soviet economy was created under conditions of economic blockade, such policies are futile.

Such statements which were backed up by Agriculture Secretary Earl Butz, are diametrically opposed to recent policy pronouncements made by his boss Secretary of State Kissinger at the Brussels NATO meeting. The Secretary repeatedly and emphatically called for economic warfare against the Soviets.

Ingersoll did not mention that such Hilex economic warfare strategies, while aimed nominally at the Soviet Union, are principally aimed at the nominal allies of the U.S.

Only the day before, Sen. John Culver speaking at the Chicago faction's public forum, the Chicago Council on Foreign Relations, (CFR) denounced "forces" obviously fitting the Rockefeller groups description, for threatening nuclear war. The military "cabal" is engaged, he said, in heating up hot spots around the world by feeding guns, arms, etc. to both sides -- one side, for example through the U.S. and the other through its "allies" like Great Britain. Culver linked this policy with the rise of international terrorism, citing the CIA's well-known assassination capability. "With these people around, who knows where the next assassin's bullet will land?" he asked.

He warned the CFR and groups like it not to fall for "such Red Scare nonsense" as "Soviet military buildup," saying that U.S. national security-military personnel "have worked out intricate scenarios for defeating the Soviet Union in a conflict" that are not only ridiculous from the standpoint of actual military strategy but also dangerous. He also said that Congress cannot be counted on to stop this scenario because of their vulnerability to arm-twisting and pressure by the "cabal." Culver, said that he hoped that he himself wouldn't be swayed because as long as "these same people" remain in control, the danger of nuclear war would persist. In the question period, Culver told the audience that he was aware of Hilex and pledged to force a Congressional investigation.

Behind this motion on the surface, Labor Party briefing calls on Capitol Hill have shown a tremendous fighting potential. Yesterday alone, more than 40 such calls received a positive response from Congressmen or the staffs.

#### WATERGATE WITH A DIFFERENT ENDING

Since at least last Sunday night, the Rockefeller controlled media has been engaged in a massive black propaganda operation directed against President Ford. Sunday's CBS national news portrayed Ford as a jet-setting yachting freak, featuring pictures of him dancing a tango. The President was described as a veritable Nero, fiddling while the world collapses into crises which he can neither control nor comprehend.

On Tuesday, the New York Post featured an unprecedented third page slander on Ford which indicated that people have suddenly discovered that the President has severe drinking problems. This story, originally conducted over a network morning television show by notorious CIA linked right-wing columnist Jeffrey St. John, was presented as "fact" although there was substantiating evidence other than hearsay.

The implications of such reports of a bumbling, drunken Pres-

ident were drawn out very clearly by a CBS Sunday documentary on the Assassination of President Kennedy. The program featured an interview with a psychologically broken former Secret Service agent who had been with Kennedy in Dallas, who babbled over and over "It is impossible to protect the president from an assassin's bullet."

#### SHORT TERM POLITICAL DESTABILIZATION OPERATIONS

Rockefeller linked forces also made a series of short term political moves this week aimed at destabilizing and demoralizing the President.

A report was "leaked" that the Republican National Committee had refused to turn over its fund raising lists to the President's election committee, because another Republican, such as Ronald Reagan, Sen. Charles Marthias (R-Fla) of Nelson Rockefeller may actually wind up with the Republican nomination!

Sources close to the Republican National Committee told IPS that the report, given widespread press coverage and originally circulated by the New York Times, was a deliberate fabrication. The Committee to Elect Ford had yet to make a request for such lists.

Rockefeller continued to order the release information that indicated Ford's campaign was collapsing. As Republican Southern National Committee delegates convened in Florida, Rockefeller family linked pollster George Gallup released figures showing a "dramatic turnaround" in the President's popularity among Republican's and independent's. According to the poll, which several Washington insiders immediately called a fake, conservative Rockefeller operative Ronald Reagan was now comfortably ahead of the President.

#### WILL THE REAL PRESIDENTIAL CANDIDATES PLEASE STEP FORWARD

IPS has learned that all of the current Republican and Democratic Party presidential candidates are being programmed and centrally controlled by the Hilex 75 command staff. The only candidate who is not so controlled is the Labor Party presidential candidate Lyndon H. LaRouche, Jr.

The Rockefeller forces exercise operational control over Birch Bayh, Fred Harris, Scoop Jackson, and Ronald Reagan, among others, through a centralized pool of advisors supplied by the Trilateral Commission and allied Rockefeller think tanks.

This fingertop control was tested last week when nearly all of the "candidates" simultaneously issued statements favoring "food control" as a political weapon.

Indiana Senator Birch Bayh, for example, is "advised" by a pool that includes Zbigniew Brzezinski, chairman of Rockefeller's Trilateral Commission, and Law Enforcement Assistance Administration founder James Vorenberg, according to several sources. Bayh's Washington office said that the "advisors" hold day-long "working sessions" with Bayh "every two or three weeks." Bayh told a state-wide convention of liberal Democrats in New York last weekend that he favors "the wielding of the U.S. food weapon."

Brzezinski also advises the campaign of Georgia Governor Jimmy Carter, along with other members of "a group of experienced foreign policy advisors" that includes Trilateral Commission members Richard Cooper, Richard Gardner, and George Ball, according to columnist Frank Starr of the Chicago Tribune. Carter's platform includes "fundamental propositions" to meet "a new oil embargo with a corresponding embargo of all exports to oil-producing countries," Starr reports.

In fact, the ubiquitous Brzezinski apparently "advises" other candidates too, but his office refused to divulge their names, on the grounds that "Mr. Brzezinski's relationships to the candidates are private relationships."

#### LEVI TO CONGRESS: AUTHORIZE A POLICE STATE

Attorney General Edward Levi this week demanded that Congress legalize FBI COINTELPRO operations directed against political groups and their supporters.

Speaking before the Senate Select Committee on Intelligence the Attorney General and former Nazi collaborator proposed a set of guidelines that would give the FBI the authority to "obstruct or prevent" groups that were plotting to use force or violence "that might pose a threat to life or that would interfere substantially with the essential functioning of the government."

The Levi proposal, which parallels recommendations made last year by the staff of the Rockefeller-controlled Commission on the Organization of Government for the Conduct of Foreign Policy (the Murphy Commission), is a defacto request for blanket authorization of a police state. Even the New York Times was forced to admit that the request was the first time in history that a proposal had been made to permit the FBI to legally act against individuals or groups before a crime is committed.

Despite FBI and Justice Department statements to the contrary, the COINTELPRO type operations of the FBI and related agencies have never been terminated. Such operations, which include the entire deployment of agent-provocateurs, terrorists, assassins, gun and drug runners, etc., are the core of Rockefeller's domestic police state apparatus. As has been documented by the Labor Party in evidence submitted to, among other places, the Senate Select Committee, such Levi-ordered deployments have been escalated in recent weeks against the USLP and its supporters.

Now, in order to carry out Hilex, the entire Levi operation will be put on full mobilization - a fact alluded to FBI director Clarence Kelley's comments about an increase in terrorist activity in a speech on Dec. 4. Levi, in a speech at Columbia University last week, had alluded to similar developments and threatened to turn the country into a police state unless Congress backed-down on its pursuit of a contempt citation against the Secretary of State and the defacto head of the National Security Council, Henry Kissinger. Though Rep. Otis Pike (D-NY) did back down, after reporting that an armtwisting deployment had eroded Congressional support for such a citation, Levi is proceeding to make good his threat anyway.

The Levi request is aimed in part at triggering a "critical choices" type debate around the necessity for maintaining COINTELPRO type operations - specifically to meet a threat from the "subversive"

left groups such as the USLP. With FBI-deployed bombers and assassins creating the necessary climate of political terror, various liberals linked to the Rockefeller camp will propose "liberalizing" amendments to the "vague" guidelines. Such revisions of the guidelines will effectively "trade-off" one portion of the Constitution to defend another -- the methodology proposed by Levi and Kelley to justify their requests for extraordinary police powers.

This is precisely the context to understand Trilateral Commission member and Senator from Minnesota, Walter Mondale's protestations about "violations of civil liberties" in cross-examining Levi this week.

The end result of such a "liberal debate on repression will be the passage of guidelines that would keep the Rockefeller machine's COINTELPRO on capability in place while simultaneously serving as an effective revision of the anti-Communist Smith Act.

#### LEVI TURNS JUSTICE DEPARTMENT INTO ARM OF NATO

Through recent staff and elevations and additions, Attorney General Levi has turned the Justice Department into an effective arm of NATO - Hilex 75 operation.

IPS investigations have revealed that among the Levi braintrust-ers - his special assistants and high level staff are the following Rockefeller linked figures:

- \* Special Assistant John J. Buckely, a non-lawyer whose career spans such disparate positions as chief aide to Elliot Richardson when the latter was in the State Department; and sheriff of Middlesex County, Mass.
- \* Special Assistant Mark L. Wolf, not yet 30 years old, but who is associated with the cabal law firm of Surrey, Karasik and Morse. William Surrey the chief partner of that firm served as top economic warfare specialist for the U.S. and NATO during World War II and the initial years of the Cold War.
- \* Jonathan C. Rose, a top figure in the Justice Department Office of Planning, formerly of U.S. Military Intelligence and the Council on Foreign Relations under Henry Kissinger.
- \* Phillip White, member of the Criminal Division and currently charged with the responsibility of putting proposed COINTELPRO guidelines in shape, has a 20 year deployment which corresponds to CIA "invisible government" deployments with the Department. In the 1950s, he was in the Internal Security Division while in the 1960s was deployed to the Organized Crime Division.

# Court Rules that Rockefeller Kept "Political Dossiers" on One Million New Yorkers

NEW YORK, Dec. 11 (IPS) — A Federal District Judge made formal findings today which directly contradict the sworn testimony of Vice-President Nelson Rockefeller during his confirmation hearings. The court findings confirm the existence of surveillance files on 1 million New York citizens and organizations, including dissidents and "most members" of the State Legislature.

These findings provide the basis for the U.S. Congress to impeach Nelson Rockefeller for having committed perjury during his confirmation testimony.

The evidence and findings were made during a hearing in Southern District Court in New York by United States District Judge Charles L. Brieant. The hearing was held on the motion of U.S. Labor Party and its presidential candidate Lyndon LaRouche for a preliminary injunction against Rockefeller, Governor Carey, and other state officials to protect the files from destruction.

## The Evidence

During the testimony of William Haddad, head of the office of Legislative Oversight and Analysis, it was established that:

- \* there exist one million 5x7 index cards on individuals and organizations;
- \* these cards reference back-up material stored in manila envelopes containing the results of surveillance, investigations, etc.;
- \* these are "non-criminal" files distinct from files compiled during criminal investigations;
- \* some of this material was obtained through wiretaps;
- \* the State Police "had files on most members of the Legislature;
- \* the files contain "political profiles" of individuals;
- \* that 160,000 names of individuals who signed nominating petitions of political parties had been in the police files (Haddad later identified these names as from petitions of socialist political groups);
- \* that, in violation of State law, no records had been maintained showing who has used or taken material from the files.

According to Haddad, these files were almost entirely during the time when Rockefeller was governor of New York, from 1958 to 1973.

During questioning in his confirmation hearings, Rockefeller denied that he had used the State Police for personal reasons or for investigations other than those pertaining to background checks on potential state employees. Rockefeller, did however state that the State Police were under his personal direction and supervision. Thus a comparison of today's court findings with

Rockefeller's own testimony provides sufficient basis for the impeachment of the Vice-President.

## "Snoopers' files"

On Dec. 1, Judge Brieant had issued a temporary restraining order against Rockefeller, Carey, and the other defendants preventing them from tampering with or destroying the police files, which are being sought as evidence by the U.S. Labor Party in a damages suit charging illegal harassment and interference in the U.S. Labor Party electoral campaigns by Rockefeller, Carey, and New York City Police commissioner Michael Codd.

During his testimony, Haddad stated that the State Assembly Committee on Government Operations, headed by Assemblyman Frank Lisa of Manhattan, would ask the Legislature on Dec. 16 for subpoena power. Within ten days, Haddad expects that the Legislature will subpoena the files and launch a full investigation of the surveillance program.

During the hearing, Judge Brieant expressed his own outrage at the existence of the files, which he characterized as "gossip" and "snoopers' files." Haddad testified that in the limited number of files he had seen that there was no information on individuals' sex lives but that the information was on political associations and activities.

## Legislature Must Act

At the conclusion of the hearing — Judge Brieant made a formal "finding of fact" that "there do exist non-criminal files on 1 million individuals and organizations," and that "it is more likely than unlikely that such files exist on the plaintiffs" — the U.S. Labor Party and various members and officials. Brieant then ruled that these files are both "fair ground" and "essential" for the litigation of the lawsuit filed by the Labor Party, and that "if any records are destroyed this would give a basis for an inference of adverse intent" and "corrupt motivation," providing grounds for damages.

Brieant extended the TRO for ten more days, on the understanding that by that time the Legislature would have the files under their protection. Brieant denied the Labor Party's motion for a preliminary injunction, on the basis of finding that the files are not in danger of imminent destruction. This was in spite of the fact that Haddad's testimony had shown that there is at present no binding agreement not to destroy files and that there is no single individual responsibility for the files with either the State Police or the Office of General Services.

It is now essential that the State Legislature move quickly to safeguard the files and to conduct a thorough and full investigation of this massive gestapo-type operation conducted under Nelson Rockefeller. It is equally imperative that the U.S. Congress initiate proceedings for the impeachment of Nelson Rockefeller with the evidence now in hand of his perjury concerning his illegal use of the State Police during his tenure as governor of New York State.

## Special Report

# The Scenario for Immediate World War III

by Lyndon H. LaRouche, Jr.

**U.S. Labor Party Candidate for President**

Dec. 14. First, I must emphasize the fact that any highly-placed politician, military figure and so forth who disputes my exceptional authority on the present potential for war must be behaving very stupidly. On the record, since early 1974, I and the Labor Committees have consistently warned that the imminent collapse of the world debt structure's liquidity was impelling the Rockefeller Atlanticists toward both Schachtian global fascist austerity and early, general thermonuclear war. Now, in direct and explicit reaction to the collapse of Third World debt payments, the Rockefeller Atlanticists are conducting an operational deployment for World War III under the cover of the "Hilex 75" command structure. When our analysis — as summarized in my "Rockefeller's Fascism with a Democratic Face" document — is compared in detail with the way in which the present situation has developed, no one can competently deny that we have been consistently correct and our critics have been consistently wrong.

Now, I report that we have assembled and evaluated highly sensitive information from a wide assortment of varied authoritative sources around the world, and have maintained close contact with literally hundreds of parliamentarians and agencies. From this we find that the opinion of leading circles is preponderantly influenced by three basic misassumptions which are not only wrong, but essentially stupid...considering the fatal consequences of such credulousness, the stupidity must be considered even criminal. Therefore, I summarily identify these "authoritative" idiocies and then indicate the actual forms which early outbreak of WW III will take.

**Stupidity Number One:** Although the RAND Corporation and so forth freely admit that the Warsaw Pact has only one basic strategic warfighting policy, these agencies insist that "frightened" Soviet political leaders will override their military experts "at the last minute" and capitulate along lines suggested to RAND by the experience of the 1962 Cuban Missile Crises affair. The so-called "flexible response" approach to confrontation is subsumed under that insane judgment.

**Stupidity Number Two:** Among inner circles, Schlesinger and Company privately admit that their estimation of the Soviet political leadership might be

mistaken. For this contingency, Schlesinger and Company propose a "credible thermonuclear warfighting" alternative, in which limited general war between the U.S. and the USSR in Western Europe becomes the initial form of general war.

This is a repetition of the well-known stupidity of the French military, which attempted to fight the Franco-Prussian War along the lines of a preceding war, which prepared to re-fight World War I in World War II. Schlesinger's conception of a war in Europe is transparently based on such pathetic "Maginot Line" species of thinking. He is fighting a nuclear version of World War II.

The only intelligent basic strategic approach to World War III by the Warsaw Pact is as follows. The Soviet action must begin with a general first strike against the basic military and logistical fighting capabilities of the opponent while attempting to limit the extent of radioactivity developed in Western Europe. This means that the initial thermonuclear deployment must be a full first strike against the U.S. and Canadian military and relevant logistical capabilities in the North American home base. This must be accompanied by strikes against selected high-priority elements of NATO warfighting capability in Western Europe, with special emphasis upon Great Britain.

The nuclear danger to Western Europe, especially to regions of the Federal Republic of Germany (BRD) east of the Rhine, arises chiefly from the U.S. "second strike" against Warsaw Pact armored deployments during the first 36 to 48 hours of the war, a "second strike" probably occurring by retargeting submarine and other naval force missiles to BRD targets.

In general, within five days of war approximately 180 to 200 million persons will die in the USA and Canada, with the high probability that it will be impossible to forestall automatic deployment of a second strike by the U.S. against the heartland of Western Europe. Naturally, for related reasons, from the onset of warfighting it will be impossible for either side to contain the degree of warfare among naval and related forces.

**Stupidity Number Three:** The various Schlesinger and related doctrines are all permeated with the infantile misconception of negotiations at various points. It appears to be overlooked that the explicit confrontation of a Cuban Missile Crisis-type will

probably be by-passed by either or both of the Warsaw Pact or Atlanticist forces. Furthermore, once warfighting begins, the institutionalized warfighting will go out of the control of the command structure which the insane Mr. Schlesinger and his supporters assume will be in place to conduct negotiated settlements at various critical phases. On this latter count Schlesinger et al. have learned none of the essential lessons of the preceding two world wars.

#### **The "Trip-Wire"**

We are now verging very close to a "trip-wire" triggering of a total first strike by either side. At the point that warfighting appears to be irrevocably committed for the immediate future, professional military men are given powerful arguments to the effect that politics must then be absolutely subordinated to the purpose of obtaining every marginal military advantage available. The desire to launch a preemptive first strike without warning becomes acute and persuasive. On this account, the probability of general warfighting is now much earlier than either of the mooted doctrines would imply.

With my knowledge of the situation, I would consider it entirely reasonable that the Warsaw Pact forces might have already adopted the following posture. Such persons as I can well imagine to be influential would propose that the Soviet political and military deployments be run independently of one another, connected only by a political trip-wire. At the point that the Atlanticist forces had subdued all signs of significant resistance to the operational version of Hilex 75 now going into place, the Soviets would rightly assume that such submission to Rockefeller by BRD members of parliament and others precluded any stopping of the war from the NATO side, and war would then be treated as inevitable and imminent. If I agreed with such a Soviet policy and I were the relevant Soviet official, I would launch a general first strike, concentrating upon the U.S., Canada, and Great Britain, at approximately the moment the last BRD members of parliament and U.S. parliamentary public opposition to Rockefeller capitulated to support of the NATO operational deployment. If I were committed to such a policy, I would launch war preemptively at that point to the end of securing the maximum net advantage for full realization of first strike capabilities.

The same "trip-wire" parallel deployment of political and military activities must now be either in existence on the U.S. side or will come into existence during the immediate period ahead.

I emphasize that I absolutely disagree with such a policy for either the Warsaw Pact or NATO and the U.S. However, I must also emphasize that such a trip-wire paralleling of political and military approaches would be entirely rational, if scarcely optimal from the Warsaw Pact forces' side. They now know that the Rockefeller forces are absolutely insane, and that therefore if leading capitalist forces line up behind the Rockefeller allied Atlanticists, World War III in the immediate weeks ahead becomes inevitable. I would disagree with such approach, but I regard it as based on entirely rational assumptions.

The only way in which World War III can be stopped is to force through an immediate Third World debt moratorium — bankrupting the debt structures on which the Rockefeller economic and political power is based, while simultaneously eliminating the Rockefeller Atlanticist forces from control of every key office in the U.S. and Western Europe.

This can be done. I know that certain relevant industrial capitalist forces in the U.S., Western Europe and Japan would find my proposals an acceptable alternative approach to a "new world economic order", whereas demands associated with Warsaw Pact aversive postures would tend to politically force these same forces into the camp of the Atlanticists. Rockefeller also knows this — which is the reason for the massive threats and slander campaigns, including letter-writing campaigns to parliamentarians within the BRD, directed against those governments, officials, parliamentarians and newsmedia figures who have desired to discuss these matters with me. On the contrary, if these officials enter into informal discussions with me and my associates, that in itself will tend to de-activate the trip-wires on World War III.

Through an extraordinary process, I have been placed in a crucial position for assisting the prevention of World War III. I shall do my duty. Yet, my efforts and those of my associates are not sufficient. If others are intimidated into non-collaboration with us, there is no alternative left but for us to convene a giant memorial service for the human race, singing a requiem for a dumb planet.

## **SPECIAL REPORT**

# **NATO Brussels Meeting Maps Nuclear Showdown**

by Uwe Parpart  
IPS Military and Security Intelligence

Dec. 10 — First reports from the present Brussels NATO Defense Planning Committee meeting, a body constituted of the defense ministers of the North Atlantic Alliance, indicate that the meeting is dominated by two inter-related themes: (1) growing NATO "concern" over "rapidly improving Warsaw Pact war-fighting capabilities" in Europe, and (2) the alleged challenge posed to both Western Europe and North America by "vastly increased Soviet naval strength" and by new deployment capabilities for the Soviet Navy through the acquisition of several bases on the African continent.

A NATO intelligence report to this effect for the alliance's chiefs of staff was circulated at a Dec. 9 Defense Planning Committee meeting and further elaborated by Admiral Sir Peter Hill-Norton, the current chairman of the NATO Military Committee (MC).

According to Hill-Norton, Warsaw Pact developments are characterized by "a steady and continuous improvement in both quality and quantity of weapons, equipment, and training, with growing emphasis on offensive capability." Commenting on the establishment of Soviet air and naval facilities in Somalia and Guinea and alleged Soviet plans for bases in Angola and Nigeria, the honorable admiral interprets these moves, which at least in part are purely his own invention, as underlining the importance that the Soviets attach to cutting the lifeline between North America and Europe and between Europe and the oil-producing areas."

This is exactly the line spouted by Nelson Rockefeller in his Dec. 5 speech before a National Association of Manufacturers' (NAM) meeting, which simultaneously initiated a key feature of the ongoing NATO Hilex 75 exercise: a Third World raw materials and oil embargo, causing massive social disruption in Western Europe. What is real about Rockefeller's and NATO's scheme of things is their own desperate determination to instigate such embargos — motivated by some "nice little war" in the appropriate areas — and to simultaneously create provo-

cations against the Soviet Union and its allies, which would lead to MC 14-4 style "limited" East-West nuclear confrontation.

The Hill-Norton report's most immediate significance is its attempt to retroactively justify the cumulatively most extensive and provocative series of military maneuvers (in the period from August to December 1975) conducted by NATO since its inception. The main thrust of these maneuvers — emphasized as well by the August assignment of two additional U.S. brigades to Europe and their deployment in northwest Germany — has been the defense of NATO's northern flank and the securing of the North Atlantic-North Sea U.S.-Europe NATO resupply lines. Thus in the "Autumn Forge" series of maneuvers between September and November, the "Reforger '75" airlifting and associated land exercises in West Germany, and the massive "Ocean Safari" maneuver off the west coast of Scotland involving U.S. ships, several hundred planes, and over 17,000 men were of key significance.

The dangerously provocative character of these two maneuvers in particular is indicated by two facts: (1) the context in which they occurred: the "Shapex '75" NATO headquarters exercise simulating a sequence of events in which the Soviet Union allegedly takes military advantage of economic and social dislocation in Western Europe, and (2) the undeniable reality that northwestern Europe is conventionally undefensible against a full Warsaw Pact onslaught, so that major NATO deployments in that area must signal to the Soviet Union aggressive NATO intervention aimed at creating a Schlesinger-style "limited" nuclear confrontation.

The Soviet Union is fully aware of this situation, correctly defining it as a massive effort by "some influential circles in the Western countries" to violate and subvert the August 1975 Helsinki accords on European cooperation and "through all sorts of pinpricks intended to cause a reply reaction" forcing the Soviet Union into counter deployments. No such "limited" Soviet deployments obliging

a Schlesinger-type game plan will occur. Rather, as the Soviet leadership has stressed on numerous occasions, the Soviet Union is fully prepared to meet any actual provocations against Warsaw Pact territory with the full force of its military might.

We merely shall reference at this point three groups of actual worldwide NATO and U.S.-directed military deployments further underlining the immediacy of the war danger.

### **\* NATO's Northern Flank**

The "Ocean Safari" maneuver, officially concluded on Nov. 18, has been de facto extended, involving primarily British units, under the cover of British-West German disputes with Iceland over the latter country's claim to a 200 mile zone for exclusive fishing rights. Britain has sent several frigates and smaller units to protect its fishing trawlers in Icelandic waters. Conveniently, the Norwegians are supporting Iceland's claims — both countries might quit NATO as a result of the dispute according to the Swedish press and thus "lay Norway open for a Russian invasion." No need to develop the scenario further.

### **\* "Terrorism" in Britain and the Netherlands.**

Over the past two weeks IRA and South Moluccan (!) kidnapping operations have been used by British and Dutch authorities to fully militarize their respective countries and simultaneously subject their populations to a barrage of psychological warfare intimidation measures, now beginning to spill over into West Germany. The Italian defense and interior ministries, in turn, are taking advantage of these developments to motivate a "temporary" military takeover of all nodal points of the nation's telecommunications system.

### **\* Third World Trouble Spots**

It suffices to say that the situation on the Indian subcontinent, the Thailand blockade of Laos, the South African and Zairean intervention into Angola, and the renewed major flare-ups in Lebanon — not necessarily any one itself, but taken in conjuncture — could, at any moment, build to the threshold potential for actual NATO-Warsaw Pact nuclear confrontation.

# The Madness of Ray Cline

by Lyndon H. LaRouche Jr.  
USLP Presidential Candidate

Dec. 12 (IPS) — It is an "open secret" in most of the world's leading governmental and press circles that Henry Kissinger et. al. are maintaining a massive, unprecedented effort to "contain" the influence of the Labor Committees and myself. In Washington, Paris, Bonn, Rome and elsewhere, leading figures of the Atlanticist faction are conducting the most unusual and often direct campaigns of intimidation against governments and leading elected officials of major parties, creating scandalous incidents at such high levels for the simple purpose of preventing prearranged one or two-hour discussions between me and persons who have wished to explore my views from the advantageous position of direct exchanges.

If the world situation were not so serious, this "containment" effort of Kissinger and his friends would be highly amusing to all involved, Kissinger has violated the best-known principal of "covert operations;" when "covert" methods of this type are deployed on a large scale, they cease to be "covert" and usually backfire against the agency which uses them. Mr. Kissinger and his friends have communicated the opinion that they consider me one of the most important forces in the world today. This has already caused many circles to ask themselves: "What is the mysterious power of the Labor Committees which can explain such behavior by Kissinger and company?"

Now, Mr. Kissinger and his friends are attempting to solve this problem they have created for themselves. They have borrowed the charge first made by Ray Cline this past spring. In some limited circles they seek to explain the importance of the Labor Committees by alleging that we represent one of the most dangerous operations of the Soviet KGB. Since these charges are circulating from the same circles which—for years—have generated the allegation that we are "CIA," such a blundering about-face in the anti-Labor Committee "Black Propaganda" provides all affected high level governmental and other political circles with invaluable information directly related to the current build-up of global thermonuclear confrontation.

For that reason, I am issuing this synopsis as a political intelligence background briefing for use of relevant political and military experts in the U.S., NATO, and elsewhere. I emphasize military experts because they, with their professional understanding of the strategic problems involved and their specialized knowledge of NATO "containment" practices will be immediately best qualified to understand the truth and importance of what I report here.

There are three points to be developed for the use of such qualified specialists: (1) The reasons for the

"CIA" slander campaign; (2) The relevance of Cline's "KGB" charge as exposing the essential incompetence of Cline's assessment of Soviet political leaders' reactions to a scaled-up "Cuba missile" confrontation; and (3) The effect of the "KGB" charge upon European Communist Parties and the Warsaw Pact itself.

## *The "CIA" Charge*

Recent disclosures to the U.S. Congress corroborate our earlier knowledge of National Security Council operations against the Labor Committees as early as 1968. At that time the Labor Committees represented merely 50 members. There were two reasons for this special attention. First, as a tiny force we had successfully "destabilized" important programs of domestic counterinsurgency launched from the RAND Corporation in the New York City region. The Labor Committees' effectiveness in destabilizing a major domestic counterinsurgency deployment, with only handfuls of persons, signified that that organization had political capabilities and should be subjected to special efforts of containment and disruption for that reason. Second, in studies of Labor Committee economic and other analysis, these intelligence agencies estimated that the organization was distinctly superior as a potential socialist political force from the standpoint of comparisons with known analyses and postures of even major Communist forces.

In the aftermath of the mid-1971 dollar crisis, the containment operations against the Labor Committees were escalated with the objective of attempting to prevent the Labor Committees' 'novel' methods and programmatic outlooks from "infecting" significant communist and other forces. For this reason, National Security Council-affiliated agencies, including the FBI and CIA, began circulating the "black propaganda" slander through various conduits, including FBI and CIA agents within communist parties.

Over the winter of 1972-1973, as a result of a Labor Committee destabilization of a new large-scale domestic counter-insurgency operation in the U.S., the black propaganda charges of "CIA-funded" was escalated during the middle and later months of 1973. Special CIA-linked operations against the Labor Committees were launched in a coordinated fashion in both Western Europe and the U.S.

During the spring and summer of 1974, this campaign was escalated to become a significant assignment of the Atlanticist forces within the West German Social Democracy, leading to the "incompatibility" resolution of the SPD Party Executive and other Kissinger-directed operations, including some

coordinated through the International Metalworkers Federation. This was associated with a major campaign against the Labor Committees by Atlanticist social democratic and polycentrist organizations in Italy, the Federal Republic of Germany and Scandinavia. The objective of this operation, including intensified "CIA funding" charges, was to attempt to neutralize the potentiality of "novel" Labor Committee influences upon the communist parties and social democracies. From autumn of 1974 onwards, with the publication of the strategic studies series, "Rockefeller's" Fascism with a Democratic Face," the prominent concern of the Atlanticists became their fear that Labor Committee analysis and programs would influence the policies of Eastern European parties.

The developments of the spring 1975 period represented a qualitative change in this situation. The rapid influence of the "International Development Bank" program and the widespread acceptance of Labor Committee assessment of the military and economic situation outflanked previous Kissinger-directed containment efforts against the Labor Committees. It was at that specific point during April and May 1975 that the hysterical Ray Cline and Jeffrey Record first circulated their allegation that the Labor Committees were "KGB." At that time, experiences quickly showed that such allegations were regarded as unbelievable by most relevant political and military agencies in which such "KGB" charges were circulated; therefore, the "KGB" campaign was almost abandoned until the most recent weeks.

The special difficulty Kissinger and company face in attempting to change from a "CIA" to "KGB" containment black propaganda line against the Labor Committees is that the "KGB" line is circulating from the identical black propaganda conduits through which the former "CIA" rumors were issued. This aspect of the shift in black propaganda is therefore somewhat amusing.

#### *The Case of Ray Cline*

The "KGB" charge against the Labor Committees originated with Ray Cline during the spring, prior to his emergency trip to Munich and other relevant European locations. From there, according to Senator Goldwater's office, it was retailed into U.S. right-wing circles from Vice President Rockefeller, and began to be generally used as the black propaganda line on the Labor Committees in connection with those psychological warfare targets most susceptible to hard-line anti-communist psy-war campaigns.

The most relevant point to be made in this connection is the evidence that Ray Cline passionately believed the "KGB" charge at the time he originated it. This fact is sufficient to demonstrate the professional incompetence of Cline as a political intelligence specialist. This is relevant to the fact that the same Cline and his close collaborators are chiefly responsible for the RAND Corporations computer print-

out which asserts that the Soviet political leadership will behave only in the fashion the RAND computer has predicted.

The proof of Cline's incompetence as a political intelligence analyst is summarily demonstrated on two principal points. Cline has direct access to the NSC file on the Labor Committees, which must certainly contain the documents pertaining to the four-year-long, escalated containment campaign around the "CIA funding" black propaganda. This file must contain my personal history in detail from no later than 1942, and also a growing number of assessments of my role and that of the Labor Committees contributed by informants and specialists including RAND Corporation, Hudson Institute, the International Association of Chiefs of Police (IACP), IBM, and so forth. In addition, Cline's sources show that the principal, perplexing question which NSC experts have so far been unable to solve for their superiors, is the practical implications of the special development of the dialectical method which is original to me — as that method is elaborated, for example, in my textbook, *Dialectical Economics*. Because the NSC's economics and philosophy specialists have so far been unable to understand that method itself and unable to fit it into their understanding of established Soviet writings and practices of methodology, the "secret" of the writings and practices of methodology, the "secret" of the Labor Committees' effectiveness, remains for them a mysterious thing. Cline's obvious ignoring of such massive studies and biographical materials suggests that he is subject to hysterical judgments based on "emotion" without regard even to massive accumulations of intelligence information.

Such an hysterical misunderstanding of me and of the Labor Committees is not irrelevant to a similarly hysterical assessment of the responses of leading Soviet political figures. In particular, the attempt to make a parallel between the Cuban missile crisis and the thermonuclear confrontation now being developed is absolute idiocy. The essential feature of the Cuban missile crisis is that the placement of Soviet missiles in Cuba did not represent a vital strategic interest of the Warsaw Pact nations, whereas the terms of the developing thermonuclear confrontation represent the clearest confrontation with the absolute self-interests of those states. The attempt to make a parallel between the Cuban missile crisis and today is an idiot's attempt to equate Soviet response on a tertiary issue with Soviet response concerning exactly those primary issues for which Soviet thermonuclear war fighting capabilities have been exclusively developed. The essential strategic points to be considered were developed in my articles "Rockefeller's Fascism with a Democratic Face." Any strategist who has not studied that paper by this date must be considered irresponsible.

In general, the estimates of Soviet war-fighting

postures, capabilities and responses by ordinary professional military men are generally correct, whereas the contrary opinions of the RAND computer printout are insane illusions developed by emotionally unbalanced hysterics such as Cline.

#### *Effects of the "KGB" Black Propaganda*

As a result of NSC and NATO political intelligence activities, the "CIA funding" black propaganda against the Labor Committees has been made into the critical internal political issue within every major communist party. The charge that the Labor Committees are "CIA-funded" is the principal political weapon used by NATO intelligence-controlled agents and dupes within communist parties against the left-wing factions which have been accused of "softness" toward the Labor Committee line. A black propaganda campaign alleging the Labor Committees to be "KGB" would permit an early counter-coup against the Marchais bloc in the French Communist Party (PCF) leadership, and revolts against NATO-controlled factions in the Swedish Communist Party (VKP), West German Communist Party (DKP), and the Italian Communist Party (PCI) as well as instantly dissolving the CPUSA.

This fact is known to the NSC and allied forces, such that the actual launching of a large-scale "KGB" black propaganda campaign against the Labor Committees must be regarded as a warning signal of imminent thermonuclear confrontation. Otherwise, within weeks of launching of such a black propaganda campaign, the effect would be Labor Committee hegemony over much of the Communist Party apparatus in Western Europe and elsewhere, and would increase the influence of the Labor Committees among key capitalist political forces. Because of such inevitable short-term consequences of a major "KGB" black propaganda campaign and linked political repression of the Labor Committees — consequences foreknown to Kissinger et al. — such a desperate shift would occur only under circumstances immediately pre-

ceding actual thermonuclear confrontation.

It is true, of course, that Eastern European parties are not exactly ignorant of the existence and activities of the Labor Committees. It is reasonable to say that those forces attribute approximately the same degree of importance to us that Henry Kissinger does, but from an opposite point of view. At this moment, when nearly all of the communist parties of the advanced capitalist sector are in the polycentrist bloc of Carrillo, Amendola, Brandt, and so forth, the Labor Committees represent for informed Eastern Europe leaders the most significant socialist vanguard force presently existing in the advanced capitalist sector, a socialist vanguard force closely allied in programmatic outlook to the leading forces of the developing sector. Since the Eastern European leaders are by no means idiots, they do not fail to constantly assess the actual and further, the potential significance of the Labor Committees from the point of view exactly opposite to that of Henry Kissinger and company.

Unfortunately, provided the world successfully escapes the risk of World War III being caused by the desperate Rockefeller forces, several years will most probably elapse before the full significance of the Labor Committees' role during this present period can be generally understood. The problem is not some hidden set of crucial facts: all the essential facts concerning our activities are regularly published in our newspapers and other public documents. The problem of understanding the astonishing importance of the Labor Committees' influence on current world developments is the inability of most persons to correctly assess the importance of facts already in their possession. They can not yet believe that there is a scientific basis for the effectiveness of our methods, since, if our methods are effective, their prejudices concerning many things are necessarily mistaken. The answer, for those who insist upon understanding this now, is adequately explained in my textbook, *Dialectical Economics*.

FEA HINTS OIL EMBARGO TO WRECK NORTH/SOUTH CONFERENCE  
MILITARIZE WESTERN EUROPE.

WASHINGTON, D.C., DEC. 6 (IPS)—A TOP FEDERAL ENERGY ADMINISTRATION (FEA) AIDE HINTED YESTERDAY THAT THE ROCKEFELLER CABAL MAY BE PREPARING TO PROVOKE A NEW ARAB OIL EMBARGO IN ORDER TO BEAT THE PRO-DEVELOPMENT EUROPEANS, JAPANESE, IRAQIS, AND ALGERIANS INTO LINE ON THE QUESTION OF THE "NEW WORLD ECONOMIC ORDER" AND PROPOSALS FOR THE CREATION OF A NEW, NON-INTERNATIONAL MONETARY FUND WORLD CREDIT INSTITUTION AT THE UPCOMING NORTH/SOUTH CONFERENCE. THE ROCKEFELLERS ARE PRESENTLY ON A NUCLEAR WAR FOOTING TO PREVENT THE ADOPTION OF SUCH ARRANGEMENTS.

CLEMENT MALLIN, AN AIDE TO FEA CZAR FRANK ZARR, TOLD IPS: "I'M NOT SAYING THIS (AN OIL HOAX) IS LIKELY, BUT IF THESE COUNTRIES (THE ARABS) SHOULD DECIDE TO ATTEMPT TO FINISH OFF THE (NORTH/SOUTH) CONFERENCE, THEY COULD USE THE THREAT OF AN EMBARGO TO TORPEDO THE CONFERENCE."

MALLIN ALSO CONFIRMED REPORTS THAT FRANCE AND THE REST OF THE COMMON MARKET (EEC) HAVE AGREED TO PARTICIPATE IN THE "EMERGENCY ENERGY-SHARING PROGRAM" OF THE ROCKEFELLER-DOMINATED INTERNATIONAL ENERGY AGENCY, WHICH IS TO BE ACTIVATED IMMEDIATELY IN THE EVENT OF AN ARAB EMBARGO. UNDER THIS SCHEME, SCARCE ENERGY

SUPPLIES WOULD BE RATIONED OUT TO THE PARTICIPATING COUNTRIES, ENFORCING A REGIME OF STRICT, TOP-DOWN ECONOMIC CONTROL.

THE EEC ALSO AGREED TO A MINIMUM GUARANTEED OIL PRICE OF \$6 TO \$8 PER BARREL — A CONCESSION TO BRITAIN WHICH HAS BEEN HYSTERICALLY DEMANDING A FLOOR PRICE FOR ITS NEAR-BANKRUPT NORTH SEA OIL PROJECT. MALLIN COMMENTED CYNICALLY THAT THE BRITISH HAVE BEEN "UNREALISTIC" IN DEMANDING A STILL HIGHER MINIMUM PRICE OF \$12 PER BARREL, EVEN THOUGH HIS BOSS, ZARR, HAD PUBLICLY CALLED FOR AN OIL PRICE INCREASE RECENTLY WHILE IN BRITAIN.

OBSERVERS FEEL THAT ZARR AND OTHER ROCKEFELLER AGENTS HAVE MANIPULATED BRITAIN INTO PLAYING A SABOTEUR ROLE AT THE NORTH/SOUTH CONFERENCE TO PROTECT ITS NARROW INTERESTS IN THE NORTH SEA.

IN LINE WITH THIS ASSESSMENT, A TOP NEW YORK BANKING SOURCE TOLD IPS YESTERDAY THAT BRITAIN MAY JOIN THE ORGANIZATION OF PETROLEUM EXPORTING COUNTRIES (OPEC), WHERE IT WOULD ACT AS A COUNTER-GANG TO ISOLATE IRAQ (WHICH HAS BEEN INCREASING PRODUCTION, HOLDING DOWN OIL PRICES RECENTLY) AND ALGERIA.

## GANDHI: OUR NEIGHBORS TRY TO SWAY US FROM DEVELOPMENT

DEC. 6 (IPS)—INDIAN PRIME MINISTER INDIRA GANDHI TOLD AN ALL-INDIA TEACHERS CONVENTION THIS WEEK THAT "MASSIVE PRESSURES ARE BEING BUILT AROUND INDIA...HUGE ARMS PILE-UP IN SOME NEIGHBORING COUNTRIES ARE COMPELLING US TO ABANDON OUR INDEPENDENT PATH OF DEVELOPMENT."

THE CIA-CONTROLLED PAKISTANI MILITARY AND THE CIA-ALIGNED MAOIST REGIME IN PEKING HAVE RECENTLY BUILT UP FORCES ALONG THE INDIAN BORDER. ACCORDING TO THE NOV. 25 TIMES OF INDIA, GANDHI WARNED INDIA'S POTENTIAL ENEMIES THAT HER COUNTRY'S BORDERS HAVE BEEN SECURED TO "MEET THREATS FROM ANY DIRECTION."

IN A SEPARATE SPEECH IN NEW DELHI THIS WEEK COM-

MUNIST PARTY OF INDIA (CPI) CHAIRMAN RAJESHMAN RAO GAVE FULL SUPPORT TO THE GANDHI GOVERNMENT, CHARGING THAT "THE IMPERIALIST-MAOIST ALLIANCE IS NOW CREATING A DANGEROUS SITUATION FOR INDIA." RAO THEN OUTLINED VARIOUS ATTEMPTS BY THE U.S. AND CHINA TO SPARK WAR ON THE SUBCONTINENT AND LAID THE RESPONSIBILITY FOR THE DESTABILIZATION OF THE BENGALI GOVERNMENT WITH THE CIA.

## KISSINGER TO VISIT JAPAN TO PUSH SINO-JAPANESE ALLIANCE

DEC. 6 (IPS)—IN A MOVE TO INTENSIFY U.S. PRESSURE ON JAPAN TO SUPPORT A U.S.-PEKING WAR PACT AGAINST THE SOVIET UNION, SECRETARY OF STATE HENRY KISSINGER WILL VISIT JAPAN ON DECEMBER 7-8 TO "BRIEF" THE JAPANESE ON THE RECENT VISIT TO CHINA BY PRESIDENT FORD, ACCORDING TO THE NOV. 29 ASAHI NEWSPAPER.

THE THRUST OF KISSINGER'S MESSAGE TO THE JAPANESE PREVIEWED IN ARTICLES ON JAPAN-CHINESE RELATIONS, WHICH SIMULTANEOUSLY APPEARED TODAY IN TWO MAJOR WEST GERMAN PAPERS, THE FRANKFURTER RUNDSCHAU AND THE HANDELSELATT. THE TWO ALMOST IDENTICAL STORIES REPORT, IN THE FRANKFURTER RUNDSCHAU'S WORDS, "ASTONISHING TALK ABOUT THE ECONOMIC ALLIANCE" SOON TO BE CONCLUDED BETWEEN JAPAN AND CHINA, AND A SINGLE OUT FOR SPECIAL PRESSURE LIBERAL DEMOCRATIC PARTY VICE-PRESIDENT ETSUABURO SHIINA, WHO BOTH PAPERS REPORT HAS DRAMATICALLY ABANDONED HIS FORMER "ABSOLUTELY PRO-SOVIET" VIEWS. SHIINA NOW SUPPOSEDLY SUPPORTS A JAPANESE ALLIANCE WITH THE MAOISTS.

## LEBANESE FASCIST TOURS ARAB CAPITOL

DEC. 6 (IPS)—PIERRE GEMAYEL, THE LEADER OF LEBANON'S FASCIST CHRISTIAN FALANGE PARTY, IS GOING TO DAMASCUS ON SATURDAY, AT THE INVITATION OF SYRIAN PRESIDENT HAFEZ ASSAD, ACCORDING TO THE BEIRUT PAPER AS-SAFIR, AS REPORTED IN YESTERDAY'S SUEDEDEUTSCHE ZEITUNG, SAYING THAT GEMAYEL HAS BEEN ALSO INVITED TO OTHER ARAB COUNTRIES, INCLUDING SAUDI ARABIA AND EGYPT. GEMAYEL TOLD JOURNALISTS THAT HE WILL AIM AT RAPPROCHEMENT BETWEEN LEBANON AND SYRIA "IF STRICT RESPECT OF THE SOVEREIGNTY OF BOTH COUNTRIES" IS OBSERVED.

SUCH AN UNPRECEDENTED TOUR OF ARAB COUNTRIES BY A PROFESSED FASCIST AND CHRISTIAN, COMBINED WITH MASSIVE EFFORTS TO CONSOLIDATE THE

### MEXICAN FOREIGN MINISTER IN ISRAEL AS DISSENSION ON PALESTINIAN ISSUE SPREADS

DEC. 6 (IPS)—MEXICAN FOREIGN MINISTER EMILIO RABASSA ARRIVED YESTERDAY IN ISRAEL TO HOLD MEETINGS WITH ISRAELI FOREIGN MINISTER YIGAL ALLON, ACCORDING TO TODAY'S NEW YORK TIMES. MEXICO HAS BEEN A PRIME AND ACTIVE PROPONENT OF DETENTE BETWEEN ISRAEL AND THE PALESTINE LIBERATION ORGANIZATION SINCE THE VISIT OF MEXICAN PRESIDENT LUIS ECHEVERRIA TO THE MIDDLE EAST SEVERAL WEEKS AGO.

RABASSA'S VISIT COMES IN THE MIDST OF REPORTS OF GROWING SPLITS WITHIN BOTH ISRAELI GOVERNMENT AND JOURNALISTIC CIRCLES OVER THE ISSUE OF ISRAELI INITIATIVES TOWARD THE PALESTINIANS AND SOVIET EFFORTS TO BRING ABOUT AN ISRAELI-PLO DETENTE BASED ON A CONDITIONAL RECOGNITION OF THE ISRAELI STATE BY THE PLO.

AT AN ISRAELI CABINET MEETING EARLIER IN THE WEEK, FIVE MINISTERS URGED THAT ISRAEL CONSIDER NEGOTIATIONS WITH THE PLO, AND TODAY'S WASHINGTON POST REPORTS THAT DISCONTENT IN ISRAEL OVER RECENT BOMBING RAIDS IN LEBANON MIGHT LEAD TO A "BROAD DEBATE" OVER THE PALESTINIAN QUESTION AS A WHOLE.

VARIOUS REPORTS HAVE INDICATED A SPLIT BETWEEN HAWKISH ISRAELI PRIME MINISTER RABIN AND ALLON ON THE PALESTINIAN QUESTION. MOST RECENTLY, THE NEWSPAPER OF THE HISTADRUT TRADE UNION CONFEDERATION, DAVAR, REPORTS THAT A "CONFRONTATION IS POSSIBLE" BETWEEN THE TWO.

### CZECH PARTY LOOKS FOR "FIGHTING DOCUMENT" AT EURO CP CONFERENCE

DEC. 6 (IPS)—VASIL BILAK, A MEMBER OF THE POLITBURO OF THE CZECHOSLOVAK COMMUNIST PARTY, TOLD A MEETING OF TRADE UNION REPRESENTATIVES IN PRAGUE THAT HIS PARTY IS AIMING FOR THE UPCOMING EUROPEAN COMMUNIST PARTIES' CONFERENCE TO PRODUCE "A FIGHTING DOCUMENT" WHICH WILL PERMIT UNITY IN DEVELOPING NEW INITIATIVES CORRESPONDING TO THE "URGENCY OF SECURING PEACE IN EUROPE." HIS REMARKS WERE REPORTED OVER STIMME DER DDR YESTERDAY.

### CHARGE BLUMENTHAL WITH PERJURY IN MOVE TO CRACK WHIP ON ANTI-AUSTERITY FORCES IN N.Y. STATE LEGISLATURE

FOR ALLEGEDLY LYING BEFORE TWO PANELS ABOUT WHAT HE SAID AT A 1971 HEALTH DEPT. MEETING CONCERNING NURSING HOME ENTREPRENEUR BERNARD BERGMAN.

IN SURRENDERING AT THE OFFICE OF NURSING HOME SPECIAL PROSECUTOR CHARLES J. HYNES EARLY YESTERDAY, BLUMENTHAL SAID THAT "THE CHARGE OF PERJURY IS UNFOUNDED AND OUTRAGEOUS" AND IS SO FAR-FETCHED AND SO MOTIVATED BY POLITICAL SENSATIONALISM THAT IT WILL FALL ON ITS FACE," ACCORDING TO YESTERDAY'S NEW YORK POST.

THE SO-CALLED "NURSING HOME SCANDAL" SURROUNDING BERGMAN, WHO HAD EXTENSIVE DEALINGS WITH MANY NEW YORK POLITICIANS, WAS STIRRED UP LAST WINTER BY ROCKEFELLER-AGENT ASSEMBLYMAN ANDREW STEIN (D-MAN) AS PART OF A PLAN TO WATERGATE DEMOCRATIC MACHINE POLITICIANS WHO, ROCKEFELLER FORCES SUSPECTED, WOULD TEND TO FOOTDRAG ON THE QUESTION OF IMPLEMENTING AUSTERITY.

INFORMED POLITICAL OBSERVERS FEEL THAT MAJORITY LEADER BLUMENTHAL'S INDICTMENT IS MOST CLOSELY CONNECTED WITH HIS FAILURE TO DELIVER ENOUGH ASSEMBLY DEMOCRATIC VOTES TO PASS SPECIAL TAX INCREASES FOR NEW YORK CITY LAST MONTH WHICH WERE SOUGHT BY ROCKEFELLER FORCES IN ORDER TO WIN PRESIDENT FORD'S ENDORSEMENT OF A LIMITED FEDERAL BAILOUT OF THE NEW YORK BANKS. THE TAX INCREASES WERE FINALLY PASSED WITH THE SUPPORT OF THE ASSEMBLY'S REPUBLICAN MINORITY AFTER EXTENSIVE NEGOTIATIONS BY ROCKEFELLER-AGENT GOV. HUGH CAREY. CAREY IS NOW SEEKING ADDITIONAL AUSTERITY MOVES FOR UPSTATE NEW YORKERS, AND WILL FACE DIFFICULTY IN GETTING THE ASSEMBLY REPUBLICANS HEADED BY ASSEMBLYMAN PERRY DURYEA (R-MONTAUK)—HIMSELF THE TARGET OF AN UNSUCCESSFUL ROCKEFELLER-INITIATED FRAME-UP IN 1974—TO SUPPORT THEM.

BLUMENTHAL HAD SUPPORTED THE CAREY AUSTERITY PACKAGE—THOUGH APPARENTLY NOT HARD ENOUGH.

#### LEAA HARASSMENT OF CUBAN DELEGATION TO THE UN

DEC. 6 (IPS)—NEW YORK DAILY NEWS OF DEC. 3 REPORTS THAT TWO MEMBERS OF THE CUBAN DELEGATION TO THE UNITED NATIONS WERE PICKED UP BY NASSAU COUNTY POLICE ON BANK ROBBERY CHARGES LAST WEEK, HANDCUFFED AND INTERROGATED DESPITE THEIR DIPLOMATIC IMMUNITY. POLICE OFFICERS CLAIM THE TWO CUBANS' LACK OF PROPER IDENTIFICATION AND POOR ENGLISH CAUSED THEM TO BE SUSPECTED AS POSSIBLE BANK THIEVES, BUT CUBAN AMBASSADOR RICARDO ALARCO WAS INCENSED AT WHAT HE CONSIDERED OBVIOUS HARASSMENT OF HIS DELEGATION. IN A FORMAL PROTEST TO U.N. SECRETARY GENERAL KURT WALDHEIM, ALARCO DECLARED: "MINIMUM CONDITIONS INDISPENSABLE TO THE FUNCTIONING OF THE UNITED NATIONS DO NOT EXIST" IN THE U.S.

THE RECENTLY ELECTED NASSAU COUNTY DISTRICT ATTORNEY, DENNIS DILLON, WAS FORMERLY A MEMBER OF A JUSTICE DEPARTMENT "ORGANIZED CRIME STRIKE FORCE"—AN OPERATION CONTROLLED BY LAW ENFORCEMENT ASSISTANCE ADMINISTRATION (LEAA).

ST. LOUIS, DEC. 6 (IPS)—U.S. LABOR PARTY OFFICIALS IN ST. LOUIS YESTERDAY REVEALED THAT THEY POSSESS EXTENSIVE EVIDENCE, INCLUDING TAPE RECORDINGS AND AFFIDAVITS, INDICATING THAT A POLICE AGENT NAMED HAMILTON LEMUR HAS TRIED FOR THE PAST YEAR TO INFILTRATE THE USLP, AND HAS PARTICIPATED IN A WIDE VARIETY OF DISRUPTIVE ACTIVITIES AGAINST THE PARTY INCLUDING AN ATTEMPT TO SET UP TWO USLP MEMBERS FOR A DRUG FRAMEUP. LEMUR DISPLAYED POLICE IDENTIFICATION TO ORGANIZERS WHO MET HIM THIS WEEK IN ST. LOUIS.

THE USLP IS FURTHER INVESTIGATING THE POSSIBLE CONNECTION OF LEMUR TO FBI SPONSORED DISRUPTIONS OF THE 1972 REPUBLICAN CONVENTION.

THE USLP SAID THAT THE LEMUR CASE IS SOON TO BE PUT IN THE HANDS OF ATTORNEYS AND THAT IT IS PLANNING LEGAL ACTION AGAINST HIM. THE

EXPOSURE COMES WITHIN A WEEK OF THE USLP'S DISCOVERY OF A SECRET SERVICE "RED DOT" AGENT, GEORGE LITTLEWOOD, WHO HAD INFILTRATED THE BOSTON LABOR PARTY BRANCH TO CARRY ON SIMILAR ILLEGAL DISRUPTIVE ACTIVITIES.

### WEST GERMAN NATO EXPERT CONFIRMS THAT HILEX '75 IS NO EXERCISE

BONN, W. GERMANY, DEC. 6 (IPS)--WERNER MARX, THE DEFENSE POLICY SPOKESMAN FOR THE WEST GERMAN CHRISTIAN DEMOCRATIC UNION (CDU), CONFIRMED THAT THE ONGOING NATO EXERCISE "HILEX '75" IS AN OPERATIONAL STEP-BY-STEP "LIMITED" NUCLEAR CONFRONTATION WITH THE SOVIET UNION IN AN INTERVIEW TODAY.

MARX ALSO JUSTIFIED THE HILEX CONFRONTATION BY SAYING THAT THE SOVIETS HAD USED DETENTE TO MASK AGGRESSION" AND INDICATED THAT HE WAS NOT WORRIED ABOUT THE FACT THAT HILEX COULD PROVOKE AN ALL-OUT SOVIET NUCLEAR COUNTERATTACK.

"YES, SURE, THESE MANEUVERS ARE AN IMPLEMENTATION OF SCHLESINGER'S (TACTICAL NUCLEAR WAR) CONCEPT," MARX ELABORATED. "THEY ARE VERY POLITICAL AND NOT SO MILITARY...THERE IS A VERY COMPLEX CONNECTION OF POLITICAL, PSYCHOLOGICAL, ECONOMIC, AND MILITARY FACTORS. A MANEUVER OF THIS KIND IS NOT USUAL. EARLIER MANEUVERS WERE TO RESPOND TO A CONVENTIONAL ATTACK, NOW, IT'S TO A GLOBAL DEPLOYMENT. THERE'S ALSO THE PROBLEM OF AN OIL CUT-OFF...THE SOVIETS' 'OCEAN' MANEUVERS TAUGHT US THAT THEY HAVE SENT THEIR NAVY EVERYWHERE, CAPE VERDE, SOMALIA (THERE THEY ARE THREATENING IRAN WITH THEIR MISSILES), THE MOUTH OF THE PERSIAN GULF, THE GULF OF BENGAL, THE CHINA SEA..."

MARX ALSO SAID THAT "NO EUROPEAN, WHETHER GISCARD, SCHMIDT OR FORD (SIC) COULD SAY AFTER DISCUSSING WITH THE CHINESE THAT THEY TOOK THEM SERIOUSLY. THE WEST BELIEVES IN DETENTE." HE WAS NOT ALARMED AT THE SOVIET WAR POLICY OF MUTUALLY ASSURED DESTRUCTION (MAD). "NATURALLY, NATURALLY..THAT IS THEIR POLICY... AS ALWAYS, THE SOVIET SIDE HAS ITS 'HARD NUCLEAR STRATEGY,' MAD."

MARX CONCLUDED THE INTERVIEW BY CHARGING THAT THE SOVIETS HAD VIOLATED DETENTE: "THE SOVIETS WILL INCREASE THEIR PRESSURE ON EUROPE...THERE ARE 3000 CUBAN SOLDIERS AND SOVIET INSTRUCTORS IN ANGOLA...THE SOVIETS HAVE MILITARILY STRENGTHENED EVERYWHERE...EVERYWHERE, THE SOVIETS ARE ON THE MARCH PHYSICALLY. THE WEST BELIEVED IN DETENTE, BUT FOR THE EAST, THIS WAS JUST A TACTICAL VARIATION OF THEIR AGGRESSIVE POLICY."

KISSINGER: U.S. AND CHINESE DISCUSSED WAR WITH SOVIETS  
IN PEKING

DEC. 6 (IPS)--IN A LAST-MINUTE BRIEFING TO REPORTERS FOLLOWING THE FINAL TALKS BETWEEN U.S. AND SOVIET LEADERS IN PEKING YESTER-

DAY, SECRETARY OF STATE HENRY KISSINGER CONFIRMED THAT PRESIDENT FORD'S PEKING TRIP HAD FOCUSED ON PLANS FOR WAR AGAINST THE SOVIET UNION. "WE ARE NOT CONVINCED OF THE INEVITABILITY OF WAR," KISSINGER SAID, ACCORDING TO THE BALTIMORE SUN, "BUT, SHOULD THE CHINESE INTERPRETATION (I.E., THAT WAR IS INEVITABLE) BE CORRECT, I BELIEVE THAT THE UNITED STATES WOULD SEE THE PROBLEM QUITE SERIOUSLY."

A STATEMENT BY AN UNNAMED AIDE TO PRESIDENT FORD REPORTED IN TODAY'S NEW YORK TIMES SAID THAT THE CHINESE HAD URGED THE U.S. TO "GIVE UP DETENTE AND ATTACK THE RUSSIANS FRONTALLY, TO TAKE THE HEAT OFF THEM--THAT'S WHAT THEY WANT."

### FBI CHIEF DEMANDS ABRIGATION OF CONSTITUTION

ST. LOUIS, DEC. 6 (IPS)--FBI CHIEF CLARENCE KELLEY, SPEAKING BEFORE THE "CONFERENCE ON HUMAN DIGNITY AND AMERICAN DEMOCRACY" HERE TODAY, TOLD THE CONFERENCE: "WE MIGHT AS WELL ACKNOWLEDGE, IT, AN OCCASIONAL AND TIGHTLY CONTROLLED ABRIGATION OF RIGHTS IS UNAVOIDABLE IF THE NATIONAL SECURITY IS TO BE PROTECTED."

CRITICIZING CONGRESSIONAL INVESTIGATIONS INTO FBI COVERT OPERATIONS, KELLEY DEFENDED ONGOING ILLEGAL FBI COINTELPRO OPERATIONS AND INDICATED THAT COVERT FBI TERRORISM THROUGH SUCH GROUPS AS THE KU KLUX KLAN, THE WEATHERMEN, THE REVOLUTIONARY UNION, AND OTHERS, WOULD CONTINUE. "GATHERING INTELLIGENCE ABOUT EXTREMIST GROUPS THAT THREATEN TERRORIST ACTS IS ESSENTIAL, AND OUR ABILITY TO DISCHARGE THIS FUNCTION SIMPLY MUST NOT BE CRIPPLED."

KELLEY'S REMARKS CLOSELY PARALLEL REMARKS BY ATTORNEY GENERAL EDWARD LEVI AT THE COLUMBIA UNIVERSITY LAW SCHOOL EARLIER THIS WEEK. LEVI INDICATED THAT ROCKEFELLER FORCES WOULD MOVE TO IMPOSE AN OVERT FASCIST DICTATORSHIP IN THE UNITED STATES IF CONGRESS ATTEMPTED TO INTERFERE WITH ROCKEFELLER'S "INVISIBLE GOVERNMENT" APPARATUS.

### CALLS FOR FOOD BOYCOTT OF SOVIETS MOUNT

DEC. 6 (IPS)--AMID CALLS BY ROCKEFELLER SPOKESMEN FOR THE UNITED STATES TO USE FOOD AS A "POLITICAL WEAPON," THE U.S. GOVERNMENT FOR THE SECOND TIME THIS YEAR IS COLLABORATING WITH THE INTERNATIONAL LONGSHOREMAN'S ASSOCIATION TO EMBARGO THE SALE OF GRAIN TO THE SOVIET GOVERNMENT. ASSISTANT SECRETARY OF COMMERCE ROBERT BLACKWELL ANNOUNCED IN MOSCOW TODAY THAT THE SOVIETS ARE REFUSING TO RENEW A GRAIN TRADE AGREEMENT WHICH CALLS FOR THE SOVIETS TO PAY AMERICAN SHIPPING COMPANIES \$6 PER TON MORE THAN THE WORLD PRICE OF \$10 PER TON FOR TRANSPORTING U.S. GRAIN TO THE USSR, ACCORDING TO TODAY'S NEW YORK TIMES.

AT THE SAME TIME, THOMAS GLEASON, THE ILA HEAD WHO LAUNCHED AN EAST COAST WIDE BOYCOTT OF SOVIET GRAIN SHIPMENTS LAST FALL, WARNED THAT HIS UNION WOULD RENEW ITS BOYCOTT UNLESS THE SOVIETS AGREED TO RENEW THE SHIPPING AGREEMENT BEFORE THE DECEMBER 31 EXPIRATION DATE.

(MORE)

GLEASON'S LAST BOYCOTT IS KNOWN TO HAVE BEEN ORCHESTRATED BY JOSEPH SISCO, A TOP STATE DEPARTMENT AIDE TO SECRETARY OF STATE HENRY KISSINGER.

ALSO TODAY, THE DAILY EXPRESS OF LONDON URGED THE WORLD'S GRAIN EXPORTING COUNTRIES TO "BRING IT HOME (TO THE SOVIET PEOPLE) THROUGH A 'FOOD SHORTAGE' HOW INCOMPETENT THEIR LEADERS ARE" AND FURTHER WARNED THAT BRITISH BREAD PRICES WOULD RISE AS A CONSEQUENCE OF SOVIET FOOD IMPORTS.

THE LONDON DAILY TELEGRAPH URGED THE WEST TO RETHINK THE WHOLE QUESTION OF EXPORTING GRAIN TO THE SOVIETS.

THE CALLS FOR A FOOD BOYCOTT OF THE USSR FOLLOW PRESS REPORTS OF A RECORD FAILURE OF THE SOVIET GRAIN HARVEST, WHICH, WESTERN PRESS SOURCES SAY, WILL REQUIRE THE SOVIETS TO INCREASE THEIR FOOD AND GRAIN IMPORTS FROM THE UNITED STATES.

KISSINGER DEPLOYS ROGERS TO MEXICO AS PART OF  
U.S. OFFENSIVE TO IMPLEMENT RAND SCENARIOS IN LATIN AMERICA

DEC. 6 (IPS)—U.S. UNDERSECRETARY OF STATE WILLIAM D. ROGERS ARRIVED IN MEXICO YESTERDAY TO DISCUSS QUESTIONS OF RESTRUCTURING THE ORGANIZATION OF AMERICAN STATES (OAS) WITH HIGH MEXICAN OFFICIALS. HE IS SCHEDULED TO HAVE MEETINGS WITH MEXICAN PRESIDENT LUIS ECHEVERRIA AND UNDERSECRETARY OF FOREIGN AFFAIRS GONZALEZ SOSA, ACCORDING TO REPORTS BY THE FRENCH NEWS AGENCY AGENCE FRANCE PRESSE AND THE MEXICO CITY EVENING PAPER, ULTIMAS NOTICIAS, DEC. 5.

ROGERS ARRIVED JUST ONE DAY AFTER THE COLLAPSE OF THE CIA-COORDINATED "TRACTOR STRIKE" OF LATIFUNDISTS IN THE STATES OF SONORA AND SINALOA, AND IMMEDIATELY MET WITH THE CIA'S TOP OPERATIVE IN MEXICO, U.S. AMBASSADOR JOHN JOSEPH JOVA.

THE ROGERS VISIT IS PART OF MAJOR KISSINGER DEPLOYMENTS THROUGHOUT LATIN AMERICA TO IMPLEMENT RAND CORPORATION SCENARIOS OF STARTING "LOCAL WARS" IN LATIN AMERICA WHICH WOULD THEN REQUIRE U.S. CONTROLLED "PEACEKEEPING FORCES." ROGERS WENT TO MEXICO DIRECT FROM MIAMI WHERE HE ECHOED THE RAND LINE THAT THE INTERAMERICAN TREATY OF RECIPROCAL ASSISTANCE, THE PARENT MILITARY TREATY BEHIND THE OAS, SHOULD BE ADAPTED FOR INTERVENTION IN MEMBER STATES RATHER THAN ORGANIZED FOR COMMON PROTECTION AGAINST AN OUTSIDE ENEMY.

SCHEEL TRIGGERS STEP IN HILEX ESCALATION SCENARIO

DEC. 6 (IPS)—IN AN INTERVIEW WITH THE RIGHT-WING DAILY DIE WELT YESTERDAY, WEST GERMAN PRESIDENT WALTER SCHEEL ANNOUNCED THAT "THE TROOPS OF OUR PARTNERS IN THE ALLIANCE (NATO) THAT ARE IN WEST GERMANY ARE PROOF OF THE ALLIANCE'S READINESS....IN CASE WE HAVE TO AVERT AN ATTACK OUT OF SELF-DEFENSE, THEN THE BUNDESWEHR (WEST GERMAN ARMY) CAN MOBILIZE A SUFFICIENT NUMBER OF MEN WHO ARE TRAINED FOR DEFENSE."

(MORE)

ACCORDING TO THE JULY 14 ISSUE OF THE WEST GERMAN WEEKLY DER SPIEGEL, ONE OF THE ESCALATION STEPS IN A NATO THERMONUCLEAR CONFRONTATION WITH THE SOVIET UNION PROGRAMMED INTO THE CURRENT FOUR-WEEK-LONG NATO "EXERCISE" CALLED HILEX '75 IS AN ANNOUNCEMENT BY A WESTERN HEAD OF STATE CONFIRMING "THE READINESS FOR WAR OF ALL THE TROOPS IN THE ALLIANCE." SCHEEL'S STATEMENT, INEXPLICABLE EXCEPT AS AN ACTUAL IMPLEMENTATION OF THE HILEX SCENARIO, IS SEEN AS ONE MORE SIGN THAT HILEX IS A REAL CONFRONTATION, NOT AN EXERCISE.

#### VORWAERTS HITS NUCLEAR WAR DEPLOYMENT

DEC. 6 (IPS)—THE LATEST ISSUE OF VORWAERTS, THE WEEKLY PAPER OF THE WEST GERMAN SOCIAL DEMOCRATIC PARTY (SPD), FEATURES A SERIES OF MAJOR BLASTS AGAINST THE ROCKEFELLER DEPLOYMENT FOR A NUCLEAR CONFRONTATION WITH THE SOVIET UNION. THE LEAD ARTICLE IN VORWAERTS CRITICIZES ANY ATTEMPT TO SEND WEST GERMAN ARMS EXPORTS TO HOT SPOT COUNTRIES, WHICH IS OUTLAWED BY THE WEST GERMAN CONSTITUTION. VORWAERTS IDENTIFIES NATO-ALIGNED PAKISTAN BY NAME AS ONE EXAMPLE OF A COUNTRY THAT TRIES TO GET WEST GERMAN ARMS BY SAYING THAT IT NEEDS PROTECTION AGAINST THE SOVIET UNION.

FOLLOW-UP ARTICLES CRITICIZE CHINA FOR TRYING TO PUSH PRESIDENT FORD AWAY FROM A "FRAGILE DETENTE" AND BLAST AN ARTICLE BY ONE THOMAS SCHELLING IN HARVARD MAGAZINE WHICH SAYS THE WORLD MUST CHOOSE BETWEEN NUCLEAR WAR OR WORLDWIDE TERRORISM. "THE U.S. SHOULD ONCE AND FOR ALL GIVE UP THE IDEA OF NUCLEAR CONFRONTATION WITH THE SOVIET UNION AND SHOULD STRIVE FOR MILITARY DETENTE AT THE INTERNATIONAL LEVEL," VORWAERTS SAYS.

FINALLY, IN AN ARTICLE ON THE LONG-DELAYED GUN-RUNNING TRIAL OF KARL CARSTENS, A LEADING WEST GERMAN ROCKEFELLER AGENT, VORWAERTS DEMANDS: "WHEN WILL HE COME TO TRIAL?"

THE PRO-PEACE MOVES BY THE SPD ORGAN ARE SEEN BY OBSERVERS AS A RESULT OF THE STRENGTHENING OF THE INFLUENCE OF THE PRO-DEVELOPMENT SPD PARLIAMENTARY FRACTION LEADER, HERBERT WEHNER, OVER THE SPD MACHINERY.

"REASON SUGGESTS THAT THE SOVIET UNION HAS NOT EMBARKED ON A SERIOUS NEW ROUND OF ANTI-DETENTE DEFENSE SPENDING, OR, IF IT HAS, IT HAS ONLY DONE SO RELUCTANTLY OUT OF A THREAT ITS LEADERS PERCEIVE," THE EDITORIAL STATES.

PCF CENTRISTS CRACKDOWN ON DEBATE

DEC. 7 (IPS)—THE CENTRIST FACTION NOW CONTROLLING THE FRENCH COMMUNIST PARTY (PCF) ISSUED A WARNING IN THIS WEEK'S L'HUMANITE DIMANCHE (SUNDAY EDITION OF THE PCF DAILY) AGAINST FACTIONAL DEBATE IN THE ORGANIZATION. AN ARTICLE IN L'HUMANITE DIMANCHE DENOUNCES "KREMLINOLOGISTS'" ASSERTIONS THAT THERE ARE "CUNHALIST" (LEADER OF THE PRO-SOVIET PORTUGUESE COMMUNISTS) AND "ITALIAN" FACTIONS (REFERRING TO THE AGENT-LED, ANTI-SOVIET ITALIAN CP) WITHIN THE PCF LEADERSHIP, AND WARNS THAT ANY SUCH FACTIONAL ACTIVITY CONTRADICTS THE PARTY POLICY OF "DEMOCRATIC DISCUSSION". THE ARTICLE EMPHASIZES THAT THIS POLICY WILL BE ENFORCED AT ALL LEVELS OF THE ORGANIZATION, INCLUDING THE POLITBURO, THE HIGHEST BODY IN THE PARTY.

THE RELEASE OF THE STATEMENT FOLLOWS A RECENT REALIGNMENT OF THE CENTRISTS FACTION IN THE PCF TO THE VIEWS OF THE AGENT-LED ITALIAN COMMUNISTS. PRIOR TO THIS REALIGNMENT, THE PCF, TOGETHER WITH THE PORTUGUESE PARTY, HAD HAD A LEADING PRO-SOVIET "LENINIST" ORIENTATION AMONG WESTERN EUROPEAN COMMUNIST PARTIES.

BLASTING ROGERS FOR HIS SUPPORT OF THE INTERESTS OF THE MULTINATIONALS, EL SOL ALSO ACCUSED ROGERS OF TRYING TO "INDEFINITELY POSTPONE "CHANGES IN THE OAS WHICH WOULD REDUCE ITS EFFECTIVENESS AS AN INSTRUMENT FOR U.S. POLICY IN LATIN AMERICA.

(MORE)

KNOWLEDGEABLE SOURCES IN NEW YORK COMMENTED TODAY THAT ROGERS' WORDS ARE STRONGLY REMINISCENT OF U.S. JUSTIFICATIONS FOR THE MARINE INVASION AND OCCUPATION OF SANTO DOMINGO IN 1965, AND AMOUNT TO A DECLARATION OF U.S. INTENT TO INTERVENE MILITARILY, IF NECESSARY, TO SUPPORT THE LOOTING OPERATIONS OF MULTINATIONALS IN LATIN AMERICA.

NEUES DEUTSCHLAND ALSO REPORTED THAT "THE CHINESE PARTY HAS ACCUSED THE JCP OF REVISIONISM AND COUNTER-REVOLUTION BECAUSE IT DOES NOT FOLLOW PEKING'S COURSE. RADIO PEKING, SAID FUWA, PRAISES INSTEAD THE TERRORIST ACTIONS OF THE LEFT-EXTREMIST ORGANIZATION RENGO SEKIGUN (RED ARMY) AS WELL AS THE LEFT-SECTARIAN GROUPS CHUKAKU AND KAKUMARU. RADIO PEKING HAS DECLARED THAT IN JAPAN THE TIME HAS COME WHERE 'THE GUN BRINGS POWER.'" "

ACCORDING TO LUBASCH, THE USLP CHARGED "THAT GOVERNOR CAREY, FORMER GOVERNOR ROCKEFELLER AND STATE POLICE OFFICIALS RESPONSIBLE FOR THE SURVEILLANCE PROGRAM (OF POLITICAL DISSIDENTS) HAD DEPRIVED THE PARTY MEMBERS OF THEIR CONSTITUTIONAL RIGHTS TO FREEDOM OF SPEECH AND EQUAL PROTECTION UNDER THE LAW."

LUBASCH CITES THE ORDER SIGNED BY JUDGE CHARLES L. BRIEANT, JR. IN NEW YORK FEDERAL DISTRICT COURT WHICH RESTRAINS THE STATE FROM DESTROYING OR ALTERING "THE POLICE POLITICAL INTELLIGENCE FILES" PENDING A HEARING SCHEDULED FOR DEC. 10.

## ROCKEFELLER, KISSINGER LAUNCH INSURRECTION AGAINST U.S. GOVERNMENT

WASHINGTON, DEC. 8 (IPS)--THE U.S. LABOR PARTY TODAY FORMALLY CHARGED VICE PRESIDENT NELSON A. ROCKEFELLER, SECRETARY OF STATE HENRY A. KISSINGER AND THEIR RETINUE IN THE NATIONAL SECURITY COUNCIL AND SECTIONS OF THE STATE AND DEFENSE DEPARTMENTS WITH BEING IN A STATE OF INSURRECTION AGAINST THE CONSTITUTIONAL GOVERNMENT OF THE UNITED STATES.

ROCKEFELLER AND KISSINGER, IN RESPONSE TO PRESIDENT FORD'S NOV. 2 CABINET SHAKE-UP WHICH WAS AIMED AT REMOVING ADVOCATES OF "LIMITED" NUCLEAR WAR FROM THE GOVERNMENT, HAVE GONE AHEAD AND ACTIVATED THAT POLICY ANYWAY. THE INSURRECTIONARIES HAVE INITIATED LIVE NATO MANEUVERS KNOWN AS HILEX '75 IN WESTERN EUROPE WHOSE PURPOSE IS TO IMPLEMENT THE "LIMITED" NUCLEAR WAR DOCTRINE PUSHED BY FORMER SECRETARY OF DEFENSE JAMES SCHLESINGER. THE "MANEUVERS" WILL RESULT IN ESCALATION INTO FULL THERMONUCLEAR CONFRONTATION WITH THE SOVIET UNION BY THE END OF JANUARY. THIS OPERATION IS IN DIRECT AND UNCONSTITUTIONAL OPPOSITION TO THE EXPRESS POLICY OF THE PRESIDENT OF THE UNITED STATES, GERALD FORD.

AS OF 1500 HOURS EST TODAY, NOT A SINGLE WHITE HOUSE OFFICIAL COULD BE LOCATED WHO EITHER KNEW, OR WAS ABLE TO FIND OUT, ABOUT THE EXISTENCE OF HILEX '75. AT PRECISELY THE SAME TIME, AN OFFICIAL IN THE OFFICE OF GERALD PARSKY, THE ASSISTANT SECRETARY OF THE TREASURY, SAID, "WE HAVE BEEN INFORMED OF THE EXERCISE AND WE WILL PARTICIPATE IN IT AT SOME FUTURE POINT."

WHITE HOUSE PRESS SPOKESMAN WILLIAM GREENER GAVE THE FOLLOWING OFFICIAL STATEMENT AFTER TRYING UNSUCCESSFULLY TO FIND OUT ABOUT HILEX '75: "I DON'T BELIEVE THAT THERE ARE ANY OPERATIONS OR MANEUVERS APPROVED BY THE PRESIDENT TAKING PLACE ANYWHERE IN THE WORLD WHICH WOULD LEAD TO A WAR OR INCREASE THE LIKLIHOOD OF A WAR BREAKING OUT. IT IS MY BELIEF THAT THE PRESIDENT WOULD NOT APPROVE ANY SUCH OPERATION, MANEUVER OR SERIES OF MANEUVERS."

FURTHER, YESTERDAY'S CHICAGO TRIBUNE REPORTED THAT PRESIDENT FORD HAD CIRCULATED A MEMO ADVOCATING DEFENSE DEPARTMENT BUDGET CUTS IN WHICH HE DECLARED THAT LIMITED NUCLEAR WAR WAS UNTHINKABLE, AND HENCE, CERTAIN POLICY MECHANISMS OF THE SCHLESINGER DOCTRINE SHOULD BE DISMANTLED. A WEST GERMAN MEMBER OF PARLIAMENT, HOWEVER, TOLD A BRITISH JOURNALIST ON DEC. 6, "YES, THESE MANEUVERS (HILEX) ARE AN IMPLEMENTATION OF THE SCHLESINGER

**DOCTRINE."**

IT CAN NOW BE STATED WITHOUT QUESTION THAT THE NOV. 2 "HALLOWEEN MASSACRE" WAS PRECIPITATED BY A ROCKEFELLER-SCHLESINGER-KISSINGER ATTEMPT TO ACTIVATE THE SCHLESINGER DOCTRINE, KNOWN IN NATO TERMINOLOGY AS MC 14/4, AND THAT THE FORD-RUMSFELD-ORDERED HOUSECLEANING WAS AN ATTEMPT TO PREEMPT THIS SUICIDAL POLICY FROM BEING IMPLEMENTED.

ROCKEFELLER AND KISSINGER, BY THEIR ACTIVATION OF HILEX '75, ARE ATTEMPTING TO UNCONSTITUTIONALLY IMPLEMENT MC 14/4 AND ARE IN A STATE OF FULL-SCALE INSURRECTION.

A SUB-ROUTINE OF THE HILEX SCENARIO INVOLVES PROCEDURES FOR CONTAINING THE U.S. CONGRESS. THIS INCLUDES NATIONAL SECURITY COUNCIL ORDERS TO CONGRESSMEN AND AIDES TO SUSPEND ALL CONTACT WITH THE U.S. LABOR PARTY, COUPLED WITH MASSIVE ARM-TWISTING TERROR-TACTICS DIRECTED AGAINST CONGRESSMEN AND SENATORS. THE ROCKEFELLER FOUNDATION-FUNDED CONGRESSIONAL INTERN PROGRAM PLAYS A SIGNIFICANT ROLE IN THIS SUB-ROUTINE.

U.S. LABOR PARTY PRESIDENTIAL CANDIDATE LYNDON H. LAROCHE, JR. RELEASED THE FOLLOWING STATEMENT FROM EUROPE TODAY: "NOTHING SHORT OF THE IMMEDIATE REMOVAL FROM OFFICE OF NELSON ROCKEFELLER AND HENRY KISSINGER AND THEIR IMMEDIATE PROSECUTION AS NUREMBURG CRIMINALS CAN PREVENT THE THERMONUCLEAR HOLOCAUST BEFORE THE END OF JANUARY 1976. THE U.S. LABOR PARTY'S COMPUTER SIMULATION OF THE HILEX SCENARIO INDICATES THAT GIVEN THE ADDED PARAMETER OF WHITE HOUSE RESISTANCE TO HILEX, KISSINGER AND ROCKEFELLER WILL NEXT ATTEMPT EITHER A MAYAGUEZ-STYLE "EMERGENCY" TO ATTEMPT TO ROPE THE PRESIDENT AND CONGRESS INTO A CRISIS ENVIRONMENT NECESSARY TO SECURE THEIR DE FACTO PARTICIPATION IN HILEX OR WORSE — THE COMPLETION OF THE UNFINISHED BUSINESS OF THE WOULD-BE PRESIDENTIAL ASSASSINS, LYNETTE FROMM AND SARAH JANE MOORE: THE MURDER OF PRESIDENT FORD. ROCKEFELLER AND KISSINGER MUST BE REMOVED AND TRIED NOW. THE CONTINUED EXISTENCE OF THE HUMAN RACE DEPENDS ON IT."

END OF NEWS BULLETIN NO. 566, 12/8/75.

PORTUGUESE COMMUNIST LEADER, ALVARO CUNHAL, SAYS  
THAT NOW IS THE TIME FOR THE ADVANCEMENT OF COMMUNISM

DEC. 8 (IPS)—ALVARO CUNHAL, THE LEADER OF THE PORTUGUESE COMMUNIST PARTY (PCP) HAS DECLARED THAT IT IS NECESSARY TO LAUNCH A CAMPAIGN TO REINFORCE THE POWER OF THE PCP, ACCORDING TO A UPI DISPATCH YESTERDAY.

(IT IS OUR) AIM THAT THE PORTUGUESE REVOLUTION ADVANCE TOWARDS THE ESTABLISHMENT OF SOCIALISM. NOW, THE SLOGAN MUST BE TO IMPLANT COMMUNISM IN EVERY FACTORY AND FOR EVERYONE IN THE COUNTRY."

CUNHAL BELITTLED THE THREAT ALLEGEDLY POSED BY THE NOV. 25 MILITARY UPRISINGS WHICH HAVE BEEN USED AS AN EXCUSE FOR A MASSIVE MILITARY CRACKDOWN ON THE LEFT, SAYING THAT THE REVOLT HAD BEEN CAUSED BY SOLDIERS WHO WERE PROVOKED BY REACTIONARY OFFICERS. HE DENIED THAT THE PCP LEADERSHIP HAD BEEN INVOLVED IN THE REVOLT.

DE MARTINO SUMMONED TO THE U.S. TO GET ORDERS  
FROM KISSINGER

---

DEC. 8 (IPS)—FRANCESCO DE MARTINO, GENERAL SECRETARY OF THE ITALIAN SOCIALIST PARTY (PSI), HAS BEEN INVITED TO VISIT THE USA WHERE HE WILL MEET WITH SECRETARY OF STATE HENRY KISSINGER JAN. 12. THE DEC. 5 FINANCIAL TIMES, WHICH REPORTS THE NEWS, ALSO INDICATES THAT THE MAJOR TOPIC OF THE DISCUSSIONS WILL BE TO TRY TO CONVINCE DE MARTINO TO ENTER A "CENTER-LEFT" GOVERNMENT AND PREVENT THE CONSUMATION OF THE "HISTORICAL COMPROMISE" BETWEEN THE COMMUNIST PARTY (PCI) AND THE CHRISTIAN DEMOCRACY (DC).

THE INVITATION COMES AT A TIME WHEN THE PSI IS ENGAGED IN AN INTERNAL FACTION FIGHT SPEARHEADED BY DE MARTINO'S MAJOR FACTIONAL OPPONENT, FORMER PSI GENERAL SECRETARY GIACOMO MANCINI, SPOKESMAN FOR THE PRO-DEVELOPMENT FACTION OF THE PARTY.

DE MARTINO HAS BEEN NOTED IN THE PAST FOR HIS DEMAND TO EXTEND "GOVERNMENTAL RESPONSIBILITIES" TO THE CIA-CONTROLLED LEADERSHIP OF THE PCI.

MEXICAN PAPER BLASTS SIMON AND ROCKEFELLER FOR ATTACKS  
ON NEW WORLD ECONOMIC ORDER

DEC. 8 (IPS)—THE DEC. 5 MEXICAN PROGRESSIVE DAILY EL SOL, WHICH IS LINKED TO CIRCLES CLOSE TO MEXICAN PRESIDENT LUIS ECHEVERRIA, BLASTED RECENT STATEMENTS OF U.S. SECRETARY OF THE TREASURY WILLIAM SIMON AND DAVID ROCKEFELLER. THE PAPER HAD REPORTED THE STATEMENTS THE DAY BEFORE UNDER THE JOINT HEADLINE, "SIMON AND (DAVID) ROCKEFELLER ASSERT THAT THE NEW WORLD ECONOMIC ORDER PROVOKES DIFFICULTIES."

EL SOL HAD QUOTED A DAVID ROCKEFELLER SPEECH BEFORE THE U.S. CHAMBER OF COMMERCE IN MILAN, ITALY IN WHICH ROCKEFELLER "STRONGLY ATTACKED 'POLITICAL ACTS AIMED AT RESTRICTING THE LEGITIMATE AND BENEFICIENT ACTIVITIES OF TRANSNATIONAL CORPORATIONS.'" SIMON WAS QUOTED AS SAYING THAT THE "SO-CALLED NEW WORLD ECONOMIC ORDER SHOULD BE OPPOSED IF IT AFFECTS THE PRINCIPLES OF FREE ENTERPRISE" AT THE RECENTLY CONCLUDED "PACEM IN TERRIS" THINK-TANK GATHERING IN PARIS.

THE SOL EDITORIAL REJOINDER STRESSED THAT "THE COINCIDENCE OF VIEWS (BETWEEN SIMON AND ROCKEFELLER) RESPONDS SIGNIFICANTLY TO THE SAME ATTITUDE: THE OPPOSITION TO THE ESTABLISHMENT OF A MORE JUST WORLD ECONOMIC ORDER, AND THE REFUSAL TO ACCEPT THAT THE ECONOMIC INTERRELATION OF THE WORLD HAS CHANGED. IN APPEARANCE (THEY) DEFEND FREE ENTERPRISE. BUT IT SHOULD BE ASKED: IS IT FREE ENTERPRISE THAT IS WANTED OR FREE MANIPULATION BY THE MULTINATIONALS?"

THE EDITORIAL CONCLUDES STRONGLY THAT IT IS EXACTLY THE MANIPULATION BY MULTINATIONALS DEFENDED BY ROCKEFELLER WHICH "MAKE THE NEW ECONOMIC ORDER MORE URGENT EVERY DAY."

LAROCHE REPRESENTATIVE LAYS OUT HILEX '75 TO MASS DEMS

WORCHESTER, MASS., DEC. 8 (IPS)—A SPOKESMAN FOR THE U.S. LABOR PARTY PRESIDENTIAL CANDIDATE LYNDON H. LAROCHE, JR. TOLD AN AUDIENCE OF DEMOCRATIC PRESIDENTIAL CANDIDATES AND OVER 1,000 LIBERAL DEMOCRATS AT THE PRESIDENTIAL CAUCUS OF THE MASSACHUSETTS CITIZENS FOR PARTICIPATION IN POLITICAL ACTION (CPPAX) HERE YESTERDAY THAT THE NATO MANEUVERS CODE NAMED HILEX '75 WOULD LEAD TO A THERMONUCLEAR WAR WITHIN THE NEXT TWO MONTHS.

THE AUDIENCE, WHICH INCLUDED REP. PHILIP DRINAN (D-MASS), PRESIDENTIAL CANDIDATES EX-SENATOR FRED HARRIS, REP. MORRIS UDALL (D-ARIZ) AND OTHERS, RECEIVED USLP REPRESENTATIVE GRAHM LOWRY'S PRESENTATION WITH SERIOUSNESS AND GREAT DISCOMFORT. SEN. FRANK CHURCH'S (D-IDAHO) SON, SPOKESMAN FOR HIS FATHER, APPLAUDED LOWRY'S CALL FOR AN IMMEDIATE INVESTIGATION OF HILEX '75. DURING A PRESS CONFERENCE LATER IN THE AFTERNOON, REP. UDALL COMMITTED HIMSELF TO INVESTIGATE HILEX '75.

### PARIS ECONOMIC INSTITUTE CONVENES SYMPOSIUM IN BUCHAREST

DEC. 8 (IPS) — "PARIS INSTITUTE FOR PROBLEMS OF A NEW INTERNATIONAL ECONOMIC ORDER" IS HOLDING A SYMPOSIUM IN BUCHAREST, ACCORDING TO THE ROMANIAN COMMUNIST PARTY PAPER, SEIATEIA, OF DEC. 6.

THE INSTITUTE WAS SET UP RECENTLY BY ROCKEFELLER AGENT AND FORMER PRESIDENT OF ARGENTINA ARIURO FRONDIZI, AFTER EXTENSIVE CONSULTATIONS WITH LEADING ROCKEFELLER OPERATIVES THROUGHOUT EUROPE, TO PROMOTE THE "BILATERAL" FORMS OF ECONOMIC COOPERATION, AND TO DISCOURAGE TRIANGULAR TRADE.

AMONG THOSE IN ATTENDANCE AT THE SYMPOSIUM IN BUCHAREST ARE HENRY TASCA, THE U.S. AMBASSADOR TO GREECE AT THE TIME OF THE 1967 FASCIST COUP, AND FRONDIZI HIMSELF. SANTIAGO CARRILLO, THE AGENT HEAD OF THE SPANISH COMMUNIST PARTY ALSO ARRIVED IN BUCHAREST ON THE DAY OF THE SYMPOSIUM.

### FORD MEMO OPPOSES SCHLESINGER DOCTRINE AND ORDERS DEFENSE CUTS

DEC. 8 (IPS) — AN ARTICLE IN TODAY'S CHICAGO TRIBUNE DISCLOSES THAT PRESIDENT FORD AND BUDGET DIRECTOR JAMES LYNN HAVE CIRCULATED A MEMO OFFICIALLY REJECTING THE DOCTRINE OF LIMITED NUCLEAR WARFARE SUPPORTED BY FORMER DEFENSE SECRETARY JAMES SCHLESINGER. THE MEMO ALSO CALLS FOR A \$6.6 BILLION DEFENSE BUDGET CUT.

TRIBUNE REPORTER JIM COATES CITES "INFORMED SOURCES" AS SAYING THAT THE PENTAGON, THE WHITE HOUSE, AND NATIONAL SECURITY PLANNERS ARE DEBATING SWEEPING PROPOSALS BY FORD TO CUT DEFENSE MANPOWER BY 85,000 AND DROP NUMEROUS WEAPONS PLANS, INCLUDING THE CRUISE MISSILE. THE MEMO ALSO REJECTS OUTRIGHT SCHLESINGER'S THINKING THAT LIMITED NUCLEAR WARFARE IS POSSIBLE.

THE ARTICLE, WHICH PORTRAYS DEFENSE SECRETARY DONALD RUMSFELD AS "CAUGHT BETWIXT THE BUDGET-CUTTERS AND THE MILITARY," REPORTS THAT RUMSFELD SPENT LAST WEEK MEETING WITH HEADS OF THE VARIOUS MILITARY BRANCHES TO DISCUSS THE IMPLEMENTATION OF THE PLANNED CUTS AND CHANGES.

### ST. LOUIS POST-DISPATCH HITS NUCLEAR SCENARIO INSURRECTION

DEC. 8 (IPS) — THE ST. LOUIS POST-DISPATCH, IN A MAJOR EDITORIAL LAST WEEK, CALLED ON THE FORD ADMINISTRATION AND CONGRESS TO ISSUE A DEFINITIVE POLICY STATEMENT OUTLAWING THE "FIRST USE" OF

## 12.8 LATE IPS/2

NUCLEAR WEAPONS BY THE UNITED STATES. THE EDITORIAL, TITLED "FIRST USE...WHOSE DECISION?", URGED CONGRESS TO TAKE IMMEDIATE STEPS TO PASS LEGISLATION MAKING IT ILLEGAL FOR THE U.S. TO CONSIDER FIRST USE OF NUCLEAR ARMS WITHOUT THE PRIOR CONSENT OF THE CONGRESS. THE POST-DISPATCH INDICATED ITS CONCERN OVER WHETHER THE ELECTED GOVERNMENT REPRESENTATIVES HAD ANY OPERATIONAL POLICY CONTROL.

### JAPAN DEFENSE HEAD CALLS FOR JAPANESE INTEGRATION INTO "HILEX '75"

DEC. 8 (IPS) — THE DIRECTOR-GENERAL OF THE JAPANESE DEFENSE AGENCY, MICHITA SAKATA, CALLED FOR THE REVITALIZATION OF THE DEFUNCT NATIONAL DEFENSE COUNCIL, IN AN UNUSUALLY STRONG SPEECH IN TOKYO LAST TUESDAY. "EVERY JAPANESE MUST HAVE A STRONG WILL TO RESIST AGGRESSION AND AN UNBENDING SPIRIT TO DEFEND THIS COUNTRY," SAKATA SAID ACCORDING TO THE DEC. 3 JAPANESE DAILY, MAINICHI. "THE AMERICAN-JAPANESE SECURITY TREATY IS ABSOLUTELY INDISPENSABLE IN ENSURING JAPAN'S INDEPENDENCE AND SAFETY, BECAUSE IT IS CERTAINLY DIFFICULT TO PROTECT JAPAN SINGLE-HANDEDLY AGAINST A LARGE-SCALE ATTACK OR NUCLEAR THREAT..." THE DEFENSE COUNCIL WILL COMPRISE PRIME MINISTER MIKI, FOREIGN MINISTER MIYAZAWA, FINANCE MINISTER OHIRA, ECONOMIC PLANNING AGENCY HEAD FUKUDA, AND SAKATA HIMSELF, AND WILL BE THE CENTRAL DECISION-MAKING BODY FOR JAPAN'S DEFENSE FORCES.

THE TIMING OF SAKATA'S SPEECH, AND THE MEMBERS OF THE PROPOSED DEFENSE COUNCIL — ALL OF WHICH, EXCLUDING MIKI, ARE FIRM ALLIES OF U.S. SECRETARY OF STATE HENRY KISSINGER — INDICATE THAT THE COUNCIL IS DESIGNED TO COORDINATE THE INTEGRATION OF JAPAN INTO NATO'S "HILEX '75" SCENARIO FOR NUCLEAR WAR.

### LARGE NUMBER OF DEBTORS TO JAPANESE BANKS CAN'T MAKE PAYMENTS, BANK PROCEEDS FALL

DEC. 8 (IPS) — THE TOTAL DEBT SERVICE PAYMENTS TO THE 13 LARGEST JAPANESE BANKS FELL BY FOUR PER CENT DURING THE MONTHS MARCH TO SEPTEMBER. OUTSTANDING LENDING BY THESE BANKS INCREASED BY APPROXIMATELY 5 PER CENT DURING THE SAME PERIOD, ACCORDING TO THE DEC. 3 JAPANESE DAILY, YOMIURI.

FINANCIAL ANALYSTS INDICATED THAT THE FALL IN BANK PROCEEDS WAS CAUSED BY LARGE NUMBERS OF EXTREMELY ILLIQUID JAPANESE CORPORATIONS WHO WERE SIMPLY UNABLE TO MAKE DEBT SERVICE PAYMENTS, A SITUATION WHICH IS ALSO REFLECTED IN THE RECORD NUMBER OF BANKRUPTCIES IN NOVEMBER AND THE SHARP DECLINE IN JAPANESE INDUSTRIAL PRODUCTION.

### BANKS TURN SCREWS ON PERU

NEW YORK, DEC. 8 (IPS) — AN INTERNATIONAL MONETARY FUND (IMF) TEAM IS NOW IN PERU WITH THE SPECIFIC OBJECT OF ENFORCING "FISCAL RESPONSIBILITY" ON THAT NATION, ACCORDING TO NEW YORK BANKING SOURCES. THE SOURCES SAID THAT PERU IS SEEKING IMF FINANCING FOR SOME \$500 MILLION IN DEBT SERVICE DUE IN 1976. WITHOUT REFINANCING, PERU WILL DEFAULT ON THE DEBT.

THE SOURCES SAID THAT PERUVIAN CENTRAL BANK OFFICIALS WERE IN NEW

## 12.8 LATE IPS/3

YORK LAST WEEK SEEKING FINANCING FROM NEW YORK BANKS, BUT WERE TURNED DOWN.

"FOR EXAMPLE, THE MARCONA COPPER EXPROPRIATION: PERU HASN'T SHOWN A REASONABLE ATTITUDE ON THAT YET. AND THE GOVERNMENT COPPER COMPANY IS OPERATING A \$135 MILLION DEFICIT," SAID ONE BANKER. BUT, HE ADDED, THE BANKS WILL CONSIDER REFINANCING IF PERU WOULD "SHOW GOOD FAITH, RATIONALIZE YOUR DEFICITS, AND SATISFY THE IMF."

### RAIL SABOTAGE IN THE WORKS?

NEW YORK, DEC. 8 (IPS) — A MAJOR, ROCKEFELLER-ASSOCIATED WALL STREET INVESTMENT HOUSE IS CURRENTLY REVIEWING THE ECONOMIC IMPACT OF A SHUTDOWN OF THE NORTH EAST RAIL NETWORK, BASED ON THE BANKRUPT PENN CENTRAL, IPS LEARNED TODAY FROM ONE OF ITS CHIEF ECONOMISTS. THIS REVELATION COMES AGAINST THE BACKGROUND OF A WEEK-LONG CHICKEN GAME BETWEEN THE TRUSTEES OF PENN CENTRAL AND THE FORD ADMINISTRATION. THE FORD ADMINISTRATION HAS STATED PUBLICLY THAT IT WILL VETO THE SENATE COMMERCE BILL WHICH BAILS OUT THE CREDITORS AND ESTABLISHES A FEDERAL TAKEOVER OF THE NORTHEASTERN SYSTEM UNDER THE AUSPICES OF CONRAIL. ACCORDING TO SOURCES CLOSE TO THE TRUSTEES, A FORD VETO WILL TOUCH OFF COURT ACTION BY THE TRUSTEES TO LIQUIDATE AND SHUTDOWN THE LINES.

THE INVESTMENT BANKING HOUSE SOURCE INDICATED THAT THE SHUTDOWN WILL HAVE AN "IMMENSE ECONOMIC IMPACT" ON THE NATION'S ECONOMY. "THE RAIL NETWORK LINKS UP WITH THE MOST DENSE POPULATION AND MANUFACTURING CENTERS IN THE COUNTRY" AND "THERE ARE NO ALTERNATIVE MEANS OF TRANSPORTATION FOR THE SHIPMENT OF SUCH INPUTS AS COAL AND FOOD-STUFF."

### REP. NEAL BIDS CONGRESS INVESTIGATE FBI-DIRECTED KLAN HARASSMENT OF LABOR PARTY

GREENSBORO, N.C., DEC. 8 (IPS) — REP. STEPHEN NEAL (D-N.C.) WROTE TO REP. OTIS PIKE (D-NY) REQUESTING THAT PIKE'S SELECT COMMITTEE ON INTELLIGENCE INVESTIGATE U.S. LABOR PARTY CHARGES THAT THE KU KLUX KLAN HAS BEEN ORDERED BY THE FBI TO HARASS THE LABOR PARTY.

FORMER LABOR PARTY GREENSBORO MAYORAL CANDIDATE, MARION PORTER, TODAY RECEIVED A COPY OF REP. NEAL'S LETTER URGING THE INVESTIGATION, BASED ON LABOR PARTY CHARGES THAT KLANSMEN DALE REUSCH AND JOE BRADY ARE FBI AGENTS.

NORTH CAROLINA STATE SEN. ROBERT MORGAN CHARGED LAST WEEK THAT THE FBI CREATED 41 CHAPTERS OF THE KKK IN NORTH CAROLINA. "WE'VE ALREADY ESTABLISHED THAT SOME OF THEIR (THE FBI'S) INFORMANTS WERE MORE THAN INFORMERS," MORGAN STATED, "THEY WERE ALSO INSTIGATORS."

### RIGHT-WING CONSOLIDATION CONTINUES IN LEBANON AS FIGHTING ESCALATES

DEC. 8 (IPS) — IN AN EFFORT TO CONSOLIDATE RIGHT-WING FORCES IN LEBANON, LEBANESE MOSLEM "MODERATE" LEADERS ABDULLAH YAFFI AND TAKIDDIH SOLH MET YESTERDAY WITH SYRIAN DICTATOR HAFEZ ASSAD. ASSAD, WHO IS TAKING ON AN OPEN "MEDIATING" ROLE, HAD PREVIOUSLY CONSULTED WITH GEMEYAL, THE LEADER OF THE OPENLY FASCIST CHRISTIAN PHALANGE.

YESTERDAY'S BALTIMORE SUN REPORTS SEVERE SPLITS IN THE RIGHT-WING PHALANGE AND ACCUSES YOUNGER MORE MILITANT MEMBERS AS HAVING STARTED THE LATEST ROUND OF FIGHTING. OTHER REPORTS INDICATE THAT THE PHALANGE IS EXECUTING ITS OWN MEMBERS WHO ARE OPPOSING THE LEADERSHIP OF THE PARTY.

REPORTS IN TODAY'S NEW YORK POST INDICATE THAT LEFTIST FORCES IN BEIRUT ARE DRIVING THE PHALANGE AND THEIR RIGHT-WING ALLIES TOWARDS THE SEA. IN WHAT THE LEBANESE GOVERNMENT RADIO CALLED THE "WORST FIGHTING" OF THE EIGHT-MONTH WAR, A LEFTIST PINNER MOVEMENT HAS VIRTUALLY SURROUNDED PHALANGE FORCES.

THE ESCALATION IN THE FIGHTING FOLLOWS A "MASSACRE" IN WHICH MUTILATED BODIES OF MORE THAN 140 KIDNAP VICTIMS THAT WERE SCATTERED THROUGHOUT THE CITY.

### BLACK SEPTEMBER LEADER ENDORSES KISSINGER'S GOLAN SHUTTLE

DEC. 9 (IPS) — ABU IYAD, CIA AGENT AND NUMBER TWO MAN IN THE PALESTINIAN LIBERATION ORGANIZATION (PLO) AND LEADER OF THE BLACK SEPTEMBER TERRORIST OPERATION, HAS OPENLY ENDORSED U.S. SECRETARY OF STATE HENRY KISSINGER'S EFFORTS TO ENGINEER A PROVOCATIVE GOLAN HEIGHTS DISENGAGEMENT PACT BETWEEN SYRIA AND ISRAEL.

IN AN INTERVIEW IN THE DEC. 7 LONDON OBSERVER, IYAD DECRIED "THE IMPASSE (THAT) HAS BLOCKED THE KISSINGER STEP-BY-STEP PROCESS." THE "IMPASSE" THAT AGENT IYAD CITED WAS THE GROWING RESISTANCE TO KISSINGER'S SHUTTLE DIPLOMACY AMONG KEY PRO-DEVELOPMENT LAYERS OF THE ARAB AND ISRAELI LEFT AND CONSERVATIVE GOVERNMENT FACTIONS.

THE CONTROLS WILL FALL MOST HEAVILY ON IMPORTS FROM JAPAN, AND ARE EXPECTED TO BECOME A MAJOR FOCUS OF THE UPCOMING GENERAL AGREEMENT ON TRADE AND TARIFF (GATT) TALKS.

BRITISH PRESS NOTES WILSON-CALLAGHAN ROLE IN DIVIDING NORTH AND SOUTH

DEC. 9 (IPS) — THE LONDON SUNDAY TIMES SAID IN AN EDITORIAL THAT ALTHOUGH FOREIGN SECRETARY JAMES CALLAGHAN'S "REAL MOTIVES" FOR DEMANDING A SEPARATE SEAT AT THE NORTH-SOUTH CONFERENCE "MUST REMAIN A MATTER OF SPECULATION," CALLAGHAN'S BEHAVIOR WAS "TANTAMOUNT TO SAYING THAT HE WAS WILLING AND READY TO BRING THE CONFERENCE TO A STOP BEFORE IT HAD EVEN STARTED..."

THE TIMES SAID THAT THE CONFERENCE IS "POTENTIALLY AN IMMENSELY IMPORTANT MEETING BETWEEN THE INDUSTRIALIZED NATIONS AND THE PROVIDERS OF RAW MATERIALS."

MEXICAN PEASANT ORGANIZATION AND CLLA ISSUE JOINT STATEMENT  
ATTACKING ROCKEFELLER NUCLEAR WAR DRIVE, ENDORSING NEW WORLD  
ECONOMIC ORDER

MEXICO CITY, DEC. 9 (IPS)—THE UNION NACIONAL AGRARISTA, A 100,000  
MEMBER NATIONAL PEASANT FEDERATION, AND THE LATIN AMERICAN LABOR  
COMMITTEES (CLLA) ISSUED A JOINT STATEMENT HERE TODAY SUPPORTING  
PRESIDENT LUIS ECHEVERRIA'S DRIVE TO IMPLEMENT A NEW ECONOMIC  
WORLD ORDER AT THE DEC. 16 "NORTH-SOUTH" MEETING IN PARIS.  
THE STATEMENT STRONGLY CONDEMNS THE ROCKEFELLER FAMILY FOR ATTEMPT-  
ING TO SABOTAGE THE NEW WORLD ORDER BY WAR WITH THE SOVIET UNION.

"TO MAINTAIN THE DOLLAR EMPIRE," THE STATEMENT READS, THE  
ROCKEFELLERS ARE MOVING THROUGH "NATO TO PROVOKE A NUCLEAR  
CONFRONTATION WITH THE SOVIET UNION NO LATER THAN NEXT MARCH.  
THIS PLAN OF NUCLEAR PROVOCATION IS ALREADY IN OPERATION AND  
IS KNOWN AS HILEX 75."

"THERE IS NO TIME TO LOSE," THE COMMUNIQUE CONTINUES, "THIS  
IS NOT THE TIME FOR SOFT DIPLOMATIC ARRANGEMENTS. AN ABSOLUTELY  
HARD LINE WITH NO CONCESSIONS IS REQUIRED. THE NEW ECONOMIC  
WORLD ORDER MUST BE IMPLEMENTED BEFORE THERMONUCLEAR HOLOCAUST  
WIPES OUT ALL HUMAN LIFE."

CITING RECENT STATEMENTS BY ECHEVERRIA WARNING OF NUCLEAR  
WAR, THE COMMUNIQUE LOCATES RECENT ATTEMPTS TO TOPPLE THE  
ECHEVERRIA GOVERNMENT IN "A MUCH BROADER DESTABILIZATION  
OPERATION WHOSE FINAL OBJECTIVES ARE TO SABOTAGE THE IMPLEMENTATION  
OF THE NEW ECONOMIC WORLD ORDER AT THE COMING 'NORTH-SOUTH'  
MEETING IN PARIS." THE STATEMENT SPECIFICALLY BLAMES "DRUG-  
PUSHING LATIFUNDISTS...CONNECTED TO ROCKEFELLER FAMILY FINANCIAL  
INTERESTS" FOR LAST WEEK'S CHILE-STYLE STRIKE AGAINST THE MEXICAN  
GOVERNMENT.

## NO COMPROMISE

THE ORGANIZATIONS JOINTLY CALL ON "ALL MEXICAN PEASANTS  
AND WORKERS TO CONTINUE WITH THE COLLECTIVATION OF LAND...  
PROMOTED BY ECHEVERRIA, (TO GIVE) UNCONDITIONAL SUPPORT TO THE

## 12.9 LATE IPS/2

CREATION OF A NEW ECONOMIC WORLD ORDER, (TO DEMAND THE) INDUSTRIALIZATION OF AGRICULTURAL PRODUCTION," AND TO PUSH FOR THE ESTABLISHMENT OF AN INTERNATIONAL DEVELOPMENT BANK AND "A MORATORIUM ON THE FOREIGN DEBT."

THE DECLARATION DEMANDS THE ARMING OF THE PEASANTRY TO DEFEND AGAINST FURTHER ATTACKS ON THE MEXICAN REVOLUTION. THESE DEMANDS ARE NON-NEGOTIABLE, CONCLUDES THE JOINT RELEASE. "SINCE THERE CAN BE NO COMPROMISE BETWEEN LIFE AND DEATH."

### I. PRIORITY ITEMS

#### BREZHNEV SAYS SOVIETS WILL PROTECT RIGHT OF WORLD TO LIVE

DEC. 9 (IPS)— SOVIET COMMUNIST PARTY GENERAL SECRETARY LEONID BREZHNEV SAID TODAY THAT THE SOVIET UNION AND THE CPSU "WILL DO EVERYTHING WITHIN THEIR POWER TO PREVENT THE EARTH FROM GOING UP IN THE FLAMES OF A THERMONUCLEAR MISSILE WAR...THE PEOPLE OF THE WORLD HAVE THE RIGHT TO LIVE."

IN AN ADDRESS TO THE CONGRESS OF THE POLISH COMMUNIST PARTY IN WARSAW, MR. BREZHNEV DESCRIBED THE PRESENT SITUATION IN THE WORLD AS BEING CHARACTERIZED BY THE GROWING INFLUENCE OF THE SOCIALIST STATES ON WORLD POLITICS. IT IS EXACTLY FOR THIS REASON, THE SOVIET LEADER STATED, "THAT CERTAIN, DESPERATE IMPERIALIST CIRCLES ARE NOW TRYING TO UNDERMINE THE UNITY OF THE SOCIALIST STATES...EVEN ATTEMPTING TO UNDERMINE THE FOUNDATIONS OF SOCIALISM WITHIN THE SOCIALIST BLOC ITSELF." MR. BREZHNEV ALSO CALLED FOR THE CONVENING OF EUROPEANWIDE CONFERENCES ON DEVELOPMENT TO DISCUSS PROPOSALS IN THE AREAS OF POWER, TRANSPORTATION AND THE ENVIRONMENT. MR. BREZHNEV STRESSED THE IMPORTANCE OF REACHING AN IMMEDIATE BREAKTHROUGH IN THE MOSCOW-WASHINGTON STRATEGIC ARMS LIMITATION TALKS (SALT) AS A NECESSARY STEP TOWARDS REDUCING WORLD TENSIONS. THE SOVIET LEADERS REMARKS WERE CARRIED TODAY BY THE GERMAN LANGUAGE BROADCAST OF RADIO PRAGUE AND TONIGHT'S RADIO MOSCOW.

#### IRAQI PRESIDENT: IMPERIALIST CRISIS CAUSES FASCIST COUPS, MILITARIZATION

DEC. 9 (IPS)— IRAQI PRESIDENT AHMED HASSAN AL-BAKR HAS DECLARED THAT THE "WORLDWIDE REVOLUTIONARY PROCESS" HAS SPARKED "FEROCIOUS AND MOUNTING IMPERIALIST PLOTTING" AIMED AT BOTH THE DEVELOPING COUNTRIES AND THE SOCIALIST COUNTRIES. IN A MESSAGE TO THE WORLD PEACE COUNCIL, PRINTED IN THE BAGHDAD OBSERVER, NOV. 22, BAKR DESCRIBED THE PRESENT NATO MILITARIZATION DRIVE AND ADDED THAT THE ANSWER WAS TO "ESCALATE THE STRUGGLE...AND PROMOTE ECONOMIC DEVELOPMENT." IRAQ IS THE LEADING COUNTRY IN THE GROUP OF 77 NONALIGNED BLOC AND WILL BE REPRESENTED AT THE DEC. 16 NORTH-SOUTH TALKS IN PARIS.

"HOWEVER DIVERSE THE TACTICS PURSUED BY IMPERIALISM, THESE CANNOT OBSCURE THE AGGRESSIVE LETHAL CHARACTER OF IMPERIALISM."

STATED BAKR, "PRESENT WORLD EVENTS CLEARLY INDICATE THAT THE POLITICAL, ECONOMIC, AND MILITARY CRISES GRIPPING AMERICAN IMPERIALISM, SIDE BY SIDE WITH THE DEFEATS SUFFERED BY IMPERIALISM (IN INDOCHINA AND AFRICA) HAVE PROMPTED THE IMPERIALISTS TO REQUIRE THE PEOPLES OF THE WORLD TO FOOT THE BILL."

"IMPERIALISM HAS ALSO BEEN SEEKING TO TIGHTEN ITS GRIP ON COUNTRIES AND IMPORTANT STRATEGIC POSITIONS AROUND THE WORLD... IMPERIALISTIC MILITARY BASES PROLIFERATE IN VARIOUS SEAS AND OCEANS AND TREACHEROUS FASCIST COUPS PROCEED IN A SPATE," BAKR SAID. "HARD WON PEOPLES' GAINS ARE EXPOSED TO THE DANGERS OF LIQUIDATION IN SO MANY COUNTRIES AND WIDESPREAD IMPERIALISTIC PLOTS ARE COOKED UP AGAINST THE PEOPLES OF THE THREE CONTINENTS (OF AFRICA, ASIA, AND LATIN AMERICA)...AND AGAINST COUNTRIES WITH STRATEGIC IMPORTANCE IN PARTICULAR."

BAKR ALSO MENTIONED THAT THE POTENTIAL FOR AN AMERICAN-PROVOKED ARAB-ISRAELI WAR COULD TURN THE MIDDLE EAST INTO A "BLAZING HOTBED."

THE ANSWER, SAID BAKR, IS "WORLD SOLIDARITY" WHICH WOULD THEN "PROMOTE ECONOMIC DEVELOPMENT AND BROADEN THEIR COOPERATION IN AN EFFECTIVE AND POSITIVE MANNER SO AS TO UNDERCUT ALL IMPERIALISTIC AND MONOPOLY PRESSURES, AS WELL AS THE SLY INTRIGUES TO WHICH IMPERIALISM RESORTS FOR CAPITALIZING ON THE INTERNAL DIFFICULTIES OF ONE OR ANOTHER COUNTRY."

#### INDIA, BANGLADESH CONCLUDE TALKS ON PEACE AND STABILITY IN REGION

DEC. 9 (IPS)— THE GOVERNMENTS OF INDIA AND BANGLADESH YESTERDAY, CONCLUDED SEVERAL DAYS OF DISCUSSIONS IN NEW DELHI TO ESTABLISH POLITICAL STABILITY AND CONTINUED ECONOMIC PROGRESS ON THE INDIAN SUBCONTINENT. DESPITE MAJOR MOBILIZATIONS BY MAOIST AGENTS FROM BANGLADESH AND NATO, THE COMMUNIQUE RELEASED BY THE TWO GOVERNMENTS REFLECTS "THE DETERMINATION OF THE TWO COUNTRIES TO DEVELOP FRIENDSHIP AND COOPERATION," REPORTED TODAY'S WASHINGTON POST.

THE INDIAN DELEGATION WAS LED BY KEWAL SINGH, WHO JUST RETURNED FROM TALKS WITH SOVIET LEADERS ON THE SUBCONTINENT POLITICAL SITUATION, AND P.N. DHAR, A CLOSE ADVISOR TO PRIME MINISTER INDIRA GANDHI. THE COMMUNIQUE, EMPHASIZING THE FRANKNESS OF DISCUSSIONS ON MAINTAINING THE PRECARIOUS PEACE OF THE SUBCONTINENT, CONTRASTS THE MASSIVE DEPLOYMENT OF FANATICAL RELIGIOUS OPERATIVES, ORGANIZED BY THE NATIONAL SECURITY COUNCIL, TO SPARK OFF A COMMUNAL WAR.

PRIME MINISTER GANDHI REPORTEDLY MET WITH THE BENGALI DELEGATION, IN NEW DELHI, BEFORE THEIR RETURN TO DACCA.

#### U.S. EXECUTIVE DEPARTMENTS INVOLVED IN HILEX-75

WASHINGTON, D.C., DEC. 9 (IPS) — THE U.S. DEPARTMENTS OF COMMERCE, DEFENSE, INTERIOR, AGRICULTURE AND TRANSPORTATION ARE INVOLVED IN THE "HILEX 75 STAFF EXERCISES," AN INFORMED COMMERCE DEPARTMENT SOURCE REVEALED TODAY. REPRESENTATIVES FROM THESE DEPARTMENTS "WILL BE MEETING AS A CELL OPERATING OUT OF THE

## STATE DEPARTMENT.

ACCORDING TO THE SOURCE, THE INDUSTRIAL RESOURCES DIVISION OF THE COMMERCE DEPARTMENT AND THE EMERGENCY PREPAREDNESS DIVISION OF THE TRANSPORTATION DEPARTMENT WILL BE INVOLVED IN STRATEGIC COMMODITIES MANIPULATION; A MR. KINNEY IS THE RESPONSIBLE STATE DEPARTMENT PERSON. JAMES DAVIS OF THE AGRICULTURE DEPARTMENT'S EMERGENCY PREPAREDNESS DIVISION IDENTIFIED COL. PETERSON OF THE FEDERAL EMERGENCY PREPAREDNESS DEPARTMENT AS ANOTHER COORDINATOR OF HILEX-75.

WHEN ASKED, HOWEVER, ABOUT THE END-GAME, NUCLEAR WAR ASPECT OF HILEX-75, THE SOURCE REPLIED, "YES -- NO! I CAN'T COMMENT AT THIS TIME. IT'S VERY TRICKY YOU KNOW."

### PCF POLITBURO HITS NATO ARMY PROVOCATIONS

PARIS, DEC. 9 (IPS) — THE POLITBURO OF THE FRENCH COMMUNIST PARTY (PCF) TODAY RELEASED A STATEMENT TERMING THE GOVERNMENT PROVOKED UNREST WITHIN THE ARMY AND SUBSEQUENT ESCALATION OF REPRESSION AGAINST SOLDIERS AS A MAJOR "DIVERSION" FROM THE STRUGGLE TO REVERSE THE FRENCH GOVERNMENT'S AUSTERITY ATTACK ON THE POPULATION.

THIS DIVERSION, SAYS THE POLITBURO DECLARATION REPRINTED IN TODAY'S L'HUMANITE, THE PCF'S DAILY NEWSPAPER, "IS AN ATTEMPT TO TRY TO PUT A BRAKE ON A DEVELOPING MOVEMENT (BY) MAKING PEOPLE FORGET ABOUT THE REFUSAL OF THE GOVERNMENT TO NEGOTIATE WITH THE WORKERS..."

"THE OCCASION FOR THIS DIVERSION," THE DECLARATION CONTINUES, "HAS BEEN PROVIDED (TO THE GISCARD GOVERNMENT) BY THE IRRESPONSIBLE BEHAVIOUR OF ANTI-MILITARY GAUCHISTE (ULTRA-LEFT) GROUPS AND BY THE COMPLACENCY THAT HAS BEEN SHOWN BY SOME IN DEALING WITH THEM."

THE DECLARATION ALSO ATTACKS THE GISCARD GOVERNMENT FOR ITS TOTAL ACQUIESCENCE TO THE MILITARY PLANS OF NATO AND THE MULTINATIONALS. FRANCE IS "TECHNICALLY" NOT A MEMBER OF NATO.

THE POLITBURO CONCLUDES BY CALLING ON THE PCF CADRE TO "PLACE THEMSELVES AT THE HEAD OF THE WORKERS AND POPULAR STRUGGLES" WHILE MOBILIZING IN PREPARATION FOR THE FEBRUARY PARTY CONGRESS.

THE SHARP CRITICISM OF THE NATO INSPIRED ARMY PROVOCATIONS AND OF FRENCH ACQUIESCENCE TO NATO IS BEING INTERPRETED BY INFORMED POLITICAL OBSERVERS HERE THAT THE "LENINIST FACTION" IN THE PCF LEADERSHIP MAY BE REGAINING CONTROL OVER THE PARTY FROM CENTRIST ELEMENTS. SUCH CENTRIST ELEMENTS HAD BEEN PUSHING SUPPORT FOR THE "ARMY DISSIDENTS."

### KISSINGER, NATO CONTROL FABRICATE STORY ON HILEX-75

DEC. 9 (IPS) — SECRETARY OF STATE HENRY KISSINGER AND THE

CONTROL ROOM FOR THE NATO MINISTERIAL MEETING IN BRUSSELS HAVE FABRICATED A COVER STORY ON HILEX-75, LYING TO ALL INQUIRERS THAT THE HILEX-75 EXERCISE SCENARIOS ARE NOT EVEN OFF THE DRAWING BOARDS.

A REPORTER CALLING TO CONFIRM THE HILEX SCENARIO TODAY TOLD BY DOUG KINNEY A SPOKESMAN AT THE OFFICE OF SECRETARY OF STATE KISSINGER, THAT DESPITE ITS NAME, HILEX-75 WILL NOT TAKE PLACE BEFORE THE SPRING. "WE HAVE NOT EVEN DECIDED WITH THE ALLIES WHAT IS AT ISSUE AND WHAT NEEDS TO BE TESTED," HE LIED.

IN BRUSSELS TODAY, MAJOR O'SULLIVAN AT THE CONTROL ROOM FOR THE NATO MINISTERIAL MEETING FURTHER CLAIMED THAT NATO MANEUVERS WERE REALLY CALLED "HILEX-VII" AND WERE SCHEDULED FOR THIS SPRING.

#### MILITARY COUP DEPLOYMENTS UNDERWAY IN ITALY

DEC. 9 (IPS) — ACTUAL MILITARY COUP DEPLOYMENTS HAVE BEGUN IN ITALY. DEFENSE AND INTERIOR MINISTERS FORLANI AND GUI, RESPECTIVELY, HAVE PUT INTO EFFECT A VAST SYSTEM OF SECURITY IN THE PRINCIPLE COMMUNICATION CENTERS OF THE COUNTRY, ACCORDING TO OFFICIAL SOURCES. THESE SAME SOURCES REPORT THAT VARIOUS UNITS FROM THE ARMY HAVE BEGUN TO GUARD IMPORTANT TELEPHONE, TELEGRAPH AND TELEX NODES, USING THE CLASSICAL EXCUSE THAT THESE VITAL COMMUNICATION CENTERS ARE TARGETS FOR TERRORIST OPERATIONS.

### "WORLD HAS FOOD FOR 30 DAYS," SAYS F.A.O. REPRESENTATIVE

DEC. 10 (IPS) — A REPRESENTATIVE OF THE UNITED NATIONS FOOD AND AGRICULTURE ORGANIZATION (FAO) IS CIRCULATING THE SCARE STORY THAT THE WORLD HAS ENOUGH OF A FOOD RESERVE TO LAST ONLY 30 DAYS, ACCORDING TO THE DEC. 8 LONDON DAILY TELEGRAPH.

THE FAO SPOKESMAN, CHARLES WEITZ, TOLD A GROUP OF U.S. FARMERS AND CONGRESSMEN FROM FARM STATES THAT "THE IDEA OF NATIONAL FOOD SELF-SUFFICIENCY WAS A MYTH FOR MANY COUNTRIES WHICH COULD NEVER BE SELF-SUFFICIENT." WEITZ ADDED THAT, "THE BEST HOPE OF MANY COUNTRIES WAS TO EARN ENOUGH FOREIGN EXCHANGE TO ENABLE THEM TO IMPORT FOOD FROM COUNTRIES ABLE TO GROW IT CHEAPLY AND ABUNDANTLY."

WEITZ SPOKE AT UNITED NATIONS HEADQUARTERS IN NEW YORK.

### ARMY INTERVENTION SIGNALS NEAR-TOTAL CIVIL WAR CONDITIONS IN LEBANON

DEC. 10 (IPS) — U.S.-LINKED LEBANESE INTERIOR MINISTER CAMILLE CHAMOUN YESTERDAY AUTHORIZED THE LEBANESE ARMY TO ENGAGE IN FULL-SCALE SECURITY OPERATIONS AGAINST THE LEFT. ACCORDING TO BALTIMORE SUN REPORTER MICHAEL PARKS IN BEIRUT, "FIGHTING APPEARED TO NEAR A GRAVE ESCALATION AS THE ARMY MOVED INTO BATTLE, OFFICIALLY TO CONTROL FIGHTING BUT ACTUALLY TO SUPPORT RIGHTISTS." DURING THE COURSE OF THE DAY, PARKS REPORTS, THE "ARMY IN FACT DID TAKE OVER KEY AREAS AS THE RIGHTIST COUNTERTHRUST PUSHED LEFTISTS OUT." "THERE WAS NO SIMILAR EFFORT TO CONTROL RIGHTISTS," PARKS REPORTS.

MEANWHILE, LEFTISTS HAVE ASKED PALESTINIAN GROUPS FOR ASSISTANCE "IN VIEW OF THE ARMY INTERVENTION." IF THERE IS AN ARMY-PALESTINIAN CONFRONTATION, PARKS WARNS, THIS WOULD "INEVITABLY ...PLUNGE LEBANON INTO A FULL-SCALE CIVIL WAR WHICH IN TURN COULD INVOLVE LEBANON'S NEIGHBORS, ISRAEL AND SYRIA."

A MAJOR PROBLEM FOR THE LEFT, ALLUDED TO BY PARKS AND OTHER JOURNALISTS, IS THE ASCENDANCY TO INFLUENTIAL POSITIONS OF THE LIBYAN-FUNDED "INDEPENDENT MASSERITE" MOSLEM FANATIC MOVEMENT, LED BY IBRAHIM KOLEILAT. KOLEILAT IS AN AGENT OF THE CIA-MAOIST CLIQUE IN PEKING, WHERE HE RECEIVED TRAINING FOR 18 MONTHS IN THE LATE 1960'S.

DEC. 10 (IPS) — IN A TWO PART EDITORIAL THE DEC. 8 CHICAGO SUN TIMES DENOUNCED THE FBI DIRECTOR CLARENCE KELLEY AND CIA DIRECTOR WILLIAM COLBY FOR MAKING UNCONSTITUTIONAL ATTACKS AGAINST CIVIL LIBERTIES IN THE U.S.

THE EDITORIALS ENTITLED "THE CHALLENGE OF TERRORISM" AND "THE CHALLENGE OF MISTAKES," LINKS THE CIA TO TERRORIST ACTIVITIES. "THE VIEWS OF KELLEY AND COLBY HELP TO ENCOURAGE INDIVIDUALS (TERRORISTS) TO CARRY OUT ANY ACT, NO MATTER HOW VILE, TO GAIN WHAT THEY SEE AS A VALID GOAL."

THE SUN TIMES ALSO NOTES THAT KELLEY INDICATED IN AUGUST THAT HE DIDN'T UNDERSTAND THE CONSTITUTION AND ASKED PEOPLE TO GIVE UP THEIR FREEDOMS. LAST WEEK AGAIN KELLEY URGED SACRIFICING SOME RIGHTS TO PRESERVE SECURITY. INCREDIBLE." COLBY HAS DONE THE SAME THE SUN TIMES REPORTED, AND "HAS STATED THAT THE U.S. SHOULD BE ABLE TO 'INFLUENCE' FOREIGN GOVERNMENTS...HAD HE MEANT THROUGH THE UPHOLDING THE CONSTITUTION — WHICH KELLEY DOESN'T UNDERSTAND — THIS WOULD HAVE BEEN GOOD, BUT HE DIDN'T."

MEXICAN TRADE OFFICIAL BLASTS U.S. SABOTAGE OF NEW WORLD ECONOMIC ORDER

MEXICO CITY, DEC. 10 (IPS) — TOP MEXICAN TRADE OFFICIAL RICARDO ZAMANIEGO BLASTED THE NEW AMERICAN FOREIGN TRADE LAW AS BEING PART OF THE U.S. EFFORT TO SABOTAGE THE THIRD WORLD COUNTRIES' DRIVE FOR A NEW WORLD ECONOMIC ORDER.

ZAMANIEGO CHARGED THAT "THE NEW U.S. FOREIGN TRADE LAW... IS A PUNISHING INSTRUMENT AGAINST THE COUNTRIES WHICH UNITE IN SEARCH FOR BETTER PRICES OF THEIR RAW MATERIALS." THEN, IN A CLEAR REFERENCE TO THE RECENTLY SIGNED TRADE DEAL BETWEEN MEXICO AND THE SOCIALIST COUNTRIES OF COMECON, ZAMANIEGO STATED THAT THE U.S. MEASURES ARE "ONE-HUNDRED PER CENT PROTECTIONIST" AND AGAINST "COUNTRIES WHICH INTEGRATE THEMSELVES TO ECONOMIC BLOCS CONTRARY TO THEIR (U.S.) INTERESTS."

ZAMANIEGO'S STATEMENTS WERE CARRIED YESTERDAY BY NOVEDADES, A MAJOR DAILY LINKED TO LARGE MEXICAN INDUSTRIALIST CIRCLES.

DEC. 10 (IPS) — ROCKEFELLER-LINKED INVESTMENT BANKER AND FORMER UNDERSECRETARY OF STATE OF STATE GEORGE BALL HAS CURRENTLY BEEN DEPLOYED TO THE HALLS OF THE U.S. CONGRESS TO STRONGARM SENATORS WHO ARE KNOWN FOR THEIR PRO-DEVELOPMENT, PRO-THIRD WORLD VIEWS TO KEEP THEM AWAY FROM THE U.S. LABOR PARTY. SEVERAL TOP AIDES OF THESE SENATORS WHO HAD PREVIOUSLY EXPRESSED BOTH CONCERN AND INTEREST OVER DEVELOPMENTS SURROUNDING THE HILEX-75 NATO "EXERCISE" ARE NOW REFUSING TO TALK TO LABOR PARTY REPRESENTATIVES. THE ACTIVITIES OF BALL AND OTHER ROCKEFELLER OPERATIVES IN AND AROUND CAPITOL HILL CONFIRM REPORTS THAT THE HILEX 75 SCENARIO INCLUDES A MASSIVE RED SCARE OPERATION DIRECTED AGAINST THE U.S. CONGRESS.

SOUTHERN DISTRICT COURT JUDGE CHARLES L. BRIANT CONTINUED THE RESTRAINING ORDER PENDING THE OUTCOME OF THE HEARING TOMORROW, AFTER THE LABOR PARTY HAD PRODUCED TWO WITNESSES WHO CONTRADICTED SWORN AFFIDAVITS FROM STATE OFFICIALS CONCERNING THE IMMEDIATE DANGER TO THE FILES. THE JUDGE TOLD STATE ATTORNEY HAMMER, REPRESENTING THE DEFENDENTS, THAT UNLESS THEY PRODUCED EVIDENCE CONTRADICTING THE LABOR PARTY TESTIMONY, THAT BASED ON THE EVIDENCE PRESENTED SO FAR HE WOULD GRANT A PRELIMINARY INJUNCTION PREVENTING THE DESTRUCTION OF THE FILES.

AT THE BEGINNING TO TODAY'S HEARING, STATE ATTORNEY HAMMER, SUBMITTED A SERIES OF AFFIDAVITS WHICH CLAIMED THAT THE FILES WOULD BE DEALT WITH UNDER NORMAL STATE PROCEDURE FOR DOCUMENT DESTRUCTION. UNDER SUCH PROCEDURES, THE AFFIDAVITS ALLEGED, THE

FILES WOULD NOT BE "DESTROYED" BEFORE 1978 AT THE EARLIEST" WHILE MANY OF THE FILES WOULD BE KEPT FOR "HISTORICAL PURPOSES."

THE LABOR PARTY ATTORNEY DAVID HELLER PRESENTED TWO WITNESSES WHO HAD BEEN TOLD BY STATE POLICE PUBLIC RELATIONS OFFICER DOUGLAS DALES YESTERDAY THAT THE NON-CRIMINAL PORTIONS OF THE FILES WERE BEING DESTROYED ON ORDER FROM THE GOVERNOR. THERE ARE SOME PEOPLE WHO WOULD LIKE TO GET RID OF THEM (THE FILES), DALES TOLD ONE OF THE LABOR PARTY WITNESSES. THE STATE POLICE PUBLIC RELATIONS OFFICER SPECIFIED THAT THE TYPES OF FILES BEING DESTROYED WERE THOSE PERTAINING TO POLITICAL DISSIDENTS.

STATE ATTORNEY HAMMER, WHO APPEARED NERVOUS AFTER HIS FAILURE TO BLOCK THE RESTRAINING ORDER, ATTEMPTED TO ARGUE THAT WHAT DALES HAD IN FACT MEANT WAS THAT THE FILES WERE BEING DESTROYED ACCORDING TO THE PROCEDURES OUTLINED IN THE AFFIDAVITS.

JUDGE BRIANT HOWEVER REPLIED THAT THE STATE'S AFFIDAVITS MENTIONED ONLY "CRIMINAL FILES." IN ADDITION, HE MENTIONED THAT THE FILES MAY HAVE BEEN DEVELOPED ILLEGALLY, INFERRING THAT THEY WERE THE POLITICAL ENEMIES LIST OF STATE OFFICIALS INCLUDING NELSON ROCKEFELLER. IN SWORN TESTIMONY BEFORE SENATE HEARINGS ON HIS CONFIRMATION AS VICE-PRESIDENT, NELSON ROCKEFELLER HAD DENIED THE EXISTENCE OF SUCH STATE POLICE FILES.

THE HEARING WILL RESUME TOMORROW.

PPIKE WITHDRAWS CONTEMPT CITATIONS UNDER PRESSURE OF STATE DEPARTMENT LOBBYING

WASHINGTON, D.C., DEC. 10 (IPS)—REP. OTIS PIKE (D-NY), CHAIRMAN OF THE HOUSE SELECT COMMITTEE ON INTELLIGENCE, ANNOUNCED TODAY THAT HE IS WITHDRAWING THE REMAINING CONTEMPT OF CONGRESS CITATION AGAINST SECRETARY OF STATE HENRY KISSINGER. PIKE TOOK THE MOVE AFTER HE CHARGED BITTERLY ON AN EARLY MORNING CBS TELEVISION INTERVIEW TODAY THAT A MASSIVE DEPLOYMENT OF WHITE HOUSE AND STATE DEPARTMENT AIDES INTO THE HALLS OF CONGRESS HAD CAUSED AN "EROSION" OF SUPPORT FOR THE CONTEMPT CITATIONS AMONG MEMBERS OF HIS COMMITTEE.

THIS AFTERNOON, PIKE TOLD THE COMMITTEE THAT THE WHITE HOUSE HAD EFFECTIVELY COMPLIED WITH A SUBPOENA, WHICH HAD SOUGHT INFORMATION FROM KISSINGER'S STATE DEPARTMENT, REMOVING THE CAUSE FOR CONTEMPT.

## CONGRESSIONAL RECORD PEDDLES SLANDER OF NCLC

WASHINGTON, D.C., DEC. 11 (IPS) -- AN ITEM INSERTED IN THE CONGRESSIONAL RECORD TODAY BY REP. LARRY McDONALD (D-GA.), A MEMBER OF THE JOHN BIRCH SOCIETY, ALLEGES THAT THE NATIONAL CAUCUS OF LABOR COMMITTEES AND THE U.S. LABOR PARTY "ACT IN EUROPE AS IF THEY WERE EAST GERMAN AGENTS." McDONALD BASES THIS GROSSLY INCOMPETENT EVALUATION ON WHAT HE SAYS ARE THE INTELLIGENCE ACTIVITIES OF THE EUROPEAN LABOR COMMITTEES (ELC) IN GATHERING INFORMATION ON WEST GERMAN INDUSTRIAL PLANTS WHICH EMPLOY EAST EUROPEAN WORKERS.

THE INCOMPETENCE OF THE McDONALD ASSESSMENT CLOSELY PARALLELS THE MISASSESSMENT OF SOVIET INTENTIONS BY U.S. FOREIGN POLICY "EXPERTS" WHO ARE IRRESPONSIBLY TOUTING ALLEGED SOVIET EXPANSIONISM IN AFRICA AND ELSEWHERE IN THE WORLD AS A COVER FOR CURRENT NATO "EXERCISES" WHICH ARE INTENDED TO CULMINATE IN A THERMONUCLEAR EXCHANGE BETWEEN THE SUPERPOWERS.

McDONALD'S STATEMENT ALSO ALLEGES: "THIS SMALL GROUP OF PEOPLE SPEND A GREAT DEAL OF MONEY FOR TRAVEL, TELEPHONE CALLS AND PRINTING...THE SOURCES OF NCLC FINANCING ARE AMONG THE MOST CLOSELY GUARDED SECRETS OF THE ORGANIZATION...THEY CLAIM CLOSE ASSOCIATION WITH THE GOVERNMENTS OF IRAQ AND COMMUNIST EAST GERMANY." "WHAT WE DO NOT KNOW," McDONALD CONCLUDES, "IS WHETHER THEY ARE MERELY A TINY CRACKPOT GROUP, OR WHETHER THEY ARE A SERIOUS PROBLEM."

IF THE McDONALD EVALUATION IS PUBLICIZED BY INDIVIDUALS WHO KNOW IT IS MANIFESTLY INCORRECT, THIS IS A DIRECT CONFIRMATION THAT THE HILEX "MANEUVER" IS ACTUALLY A "LIVE" OPERATION.

PHASE ONE OF HILEX-75 COMPLETED: WORLD ON KNIFES-EDGE OF WAR

DEC. 11 (IPS)—AS OF THE END OF THE NATO DEFENSE MINISTERS MEETING, PHASE I OF HILEX-75 HAS BEEN COMPLETED. THE WORLD IS NOW ON THE KNIFES-EDGE OF WAR.

THIS REALITY HAS BEEN DECLARED AS FACT BY THE ITALIAN DAILY LA STAMPA WHOSE EDITOR, ARRIGHO LEVI, AND OWNER, GIANNI AGNELLI, ARE BOTH REPRESENTATIVES OF DAVID ROCKEFELLER'S TRILATERAL COMMISSION. LA STAMPA DECLARES: "WE ARE NOW IN A STATE OF TOTAL WARFARE" AGAINST ENEMIES OTHERWISE IDENTIFIED IN THE ARTICLE AS THE SOVIETS AND THIRD WORLD COUNTRIES.

PHASE I OF HILEX HAS SEEN THE DEPLOYMENT OF A GLOBAL DESTABILIZATION OPERATION AGAINST THE ANTI-ROCKEFELLER LEADERSHIPS OF THE THIRD WORLD NON-ALIGNED BLOC: INDONESIA, INDIA, IRAQ, ALGERIA, PERU, AND WARTIME PREPARATIONS WITHIN GOVERNMENT BUREAUCRACIES IN THE ADVANCED SECTOR INCLUDING PREPARATIONS FOR THE MILITARIZATION OF TRANSPORT AND RAW MATERIALS, FOOD SUPPLIES, ETC.

PHASE II OF HILEX WILL SET IN PLACE THE POLITICAL/MILITARY CONCOMITANTS OF THE INTENDED ECONOMIC SUBJUGATION OF THE COMECON COUNTRIES THROUGH THE INSTITUTIONS OF THE INTERNATIONAL MONETARY FUND BY MARCH 1976. THIS POLICY HAS BEEN ENUNCIATED BY DAVID ROCKEFELLER, SCOOP JACKSON, ZBIGNIEW BREZYZINSKI, ADAM ZWAS, AND IS NOW BEING DEVELOPED FOR IMPLEMENTATION IN THE DEPARTMENT OF STATE, TREASURY, AND OTHER LOCATIONS.

THE GENERAL OUTLINE FOR SUCH A POLICY WAS LAID OUT BY ERIC SEVAREID ON CBS TELEVISION LAST NIGHT: "OUR FOOD WEAPON IS MORE POWERFUL THAN OUR NUCLEAR ARSENAL." ECONOMIC AND FOOD EMBARGOES ARE DESIGNED TO PRODUCE REALIGNMENTS FAVORABLE TO THE ROCKEFELLERS WITHIN THE COMECON BLOC ITSELF UNDER THREAT OF NUCLEAR WAR.

THIS POLICY COMMITMENT ON THE PART OF THE ROCKEFELLERS AND THEIR ALLIES JEOPARDIZES THE FUTURE EXISTENCE OF EVERY INDIVIDUAL MEMBER OF THE HUMAN RACE, SINCE SOVIET POLICY COMMITMENTS TO ACT IN THEIR OWN SELF-INTERESTS ARE CLEARLY STATED AND ARE A MATTER OF RECORD.

FEDERAL COURT CONFIRMS ROCKEFELLER RAN NEW YORK POLICE STATE OPERATION; ACQUIRED MORE THAN 1 MILLION FILES ON POLITICAL "ENEMIES"

NEW YORK, DEC. 11 (IPS)—ON THE BASIS OF EVIDENCE SUBMITTED BY THE U.S. LABOR PARTY, A FEDERAL DISTRICT JUDGE HERE TODAY "FOUND AS FACT" THAT THE NEW YORK STATE POLICE, ACTING ON ORDERS FROM THEN GOVERNOR NELSON A. ROCKEFELLER, ACQUIRED OVER A FIFTEEN YEAR PERIOD MORE THAN A MILLION FILE DOSSIERS ON POLITICAL DISSIDENTS AND ORGANIZATIONS WHO HAVE COMMITTED NO CRIMES.

SOURCES TODAY TERMED THE FILES "A POLITICAL ENEMIES LIST COMPILED BY THE STATE POLICE AND RELATED OFFICIALS FOR NELSON ROCKEFELLER."

THE JUDGE'S FINDING INDICATES THAT ROCKEFELLER PURJURED HIMSELF IN SWORN TESTIMONY LAST YEAR BEFORE CONGRESSIONAL COMMITTEES INVESTIGATING HIS QUALIFICATION FOR THE VICE PRESIDENCY. AT THAT TIME, ROCKEFELLER HAD DENIED THE EXISTENCE OF SUCH "POLITICAL ENEMIES FILES."

THE JUDGE ALSO INDICATED THAT HE THOUGHT IT LIKELY THAT THERE WERE FILES ON THE U.S. LABOR PARTY. STATE OFFICIALS HAVE THUS FAR DENIED THE EXISTENCE OF SUCH FILES.

SOUTHERN DISTRICT COURT JUDGE CHARLES L. BRIEANT CONTINUED FOR 10 DAYS A TEMPORARY RESTRAINING ORDER BARRING ROCKEFELLER, HUGH CAREY, AND OTHER NEW YORK STATE OFFICIALS FROM DESTROYING THE FILES TO GIVE THE STATE LEGISLATURE SUFFICIENT TIME TO TAKE ACTION TO PROTECT THE DOCUMENTS.

THE JUDGE TERMED THE FILES AS "IMPORTANT" TO THE LABOR PARTY'S PENDING LITIGATION AGAINST THE DEFENDANTS' ILLEGAL HARASSMENT AND SURVEILLANCE OF USLP ORGANIZING. HE STATED THAT HE WOULD REGARD WITH "ADVERSE INFERENCE" ANY ATTEMPT BY THE DEFENDANTS TO DESTROY THE FILES PERTAINING TO THE PLAINTIFFS. SUCH AN ACT, JUDGE BRIEANT SAID, WOULD BE A SIGN THAT "CORRUPT MOTIVATION" WAS INVOLVED IN THE FILES' ACQUISITION.

IN TESTIMONY TODAY, WILLIAM F. HADDAD, HEAD OF THE OFFICE OF LEGISLATIVE OVERSIGHT AND ANALYSIS, TOLD THE COURT THAT AS PART OF AN INVESTIGATION INTO THE FILES CARRIED OUT BY HIS OFFICE, HE HAD BEEN ALLOWED TO VIEW RANDOMLY SELECTED AND HIGHLY EDITED FILES - UNDER THE CAREFUL SUPERVISION OF STATE POLICE OFFICIALS. THE FILES,

WHOSE CURRENT WHEREABOUTS IS SUBJECT TO DISPUTE, ARE ALLEGEDLY KEPT SOMEWHERE IN ALBANY. THEY WERE AT ONE POINT STORED IN A LARGE ROOM FILLED WITH HUNDREDS OF FILE CABINETS, HADDAD SAID, EACH FILE ENTRY IS MATCHED BY AN INDEX CARD WITH A SYNOPSIS OF THE FILES CONTENTS.

A REPORT COMPILED BY MR. HADDAD'S OFFICE AND SUBMITTED TODAY AS EVIDENCE BY THE LABOR PARTY STATES THAT THE FILES INCLUDE DOSS- IERS ON STATE LEGISLATORS, CONGRESSMEN, REPORTERS WHO HAVE CRI- TICIZED THE STATE OR POLICE, EDITORS, PUBLISHERS, OPPONENTS OF THE WAR IN VIETNAM, COMMUNISTS, SOCIALISTS, CAMPUS RADICALS, OUT- SPOKEN STUDENTS, AND ALMOST ANYONE WHO SIGNED A CONTROVERSIAL NOMINATING PETITION.

MR. HADDAD TOLD THE COURT THAT SEVERAL COPIES OF POLITICAL NOM- INATING PETITIONS WERE KEPT IN THE POSSESSION OF THE STATE POLICE FOR WORK ON THE FILES. HE INDICATED THAT "SOME OF THESE HAVE NOW BEEN DESTROYED." IN AN INTERVIEW, MR. HADDAD SAID, THAT ONLY PETITIONS OF "SOCIALIST AND LABOR" GROUPS WERE USED FOR "FILE WORK."

SPEAKING ON BEHALF OF A LABOR PARTY MOTION FOR A PRELIMINARY INJUNCTION, MR. HADDAD TOLD THE COURT THAT AT THIS POINT NO ONE WAS ACTUALLY RESPONSIBLE FOR THE SAFEKEEPING OF THE FILES. YESTER- DAY, THE LABOR PARTY HAD PRESENTED TWO WITNESSES WHO TOLD THE COURT THAT STATE POLICE PUBLIC RELATIONS OFFICER DOUGLAS DALES HAD INFORMED THEM ON DEC. 9 THAT THE FILES WERE IN "THE PROCESS OF BEING DESTROYED ON ORDERS FROM THE GOVERNOR."

IN AN INTERVIEW, MR. HADDAD SAID THAT HE THOUGHT THAT MANY OF THE FILES HAD ALREADY BEEN DESTROYED "OVER THE LAST MONTH."

STATE ATTORNEY WILLIAM HAMMER, REPRESENTING THE DEFENDANTS APPEARED SHOCKED AT THE JUDGE'S FINDINGS.

"DO I HAVE TO INFORM NELSON ROCKEFELLER OF THE RESULTS OF THE PRECEEDINGS? HE DOESN'T HAVE ANYTHING TO DO WITH NEW YORK STATE ANYMORE," HE MEKLY ASKED JUDGE BRIEANT.

"MR. ROCKEFELLER IS ONE OF YOUR CLIENTS. YOU MUST INFORM ALL YOUR CLIENTS OF MY FINDINGS," HE WAS TOLD.

MR. HAMMER WILL BE FILING A MOTION FOR CHANGE OF VENUE TO THE NORTHERN DISTRICT SOMETIME BEFORE THE FIRST OF THE YEAR.

NATO & HILEX OPERATION INCLUDES SABOTAGE OF NORTH-SOUTH  
CONFERENCE

---

WASHINGTON, D.C. DEC. 11 (IPS)—THE INTELLIGENCE DIVISION OF THE ICLC HAS INTERCEPTED STATEMENTS CONCERNING THE UPCOMING 'NORTH-SOUTH' CONFERENCE ON INTERNATIONAL ECONOMIC COOPERATION (CIEC) IN PARIS NEXT WEEK MADE BY HIGH FEDERAL ENERGY ADMINISTRATION OFFICIALS. THE STATEMENTS WERE MADE IN THE CONTEXT OF FINANCIAL COMMUNITY BRIEFINGS RELATING TO THE CURRENT NATO STRIKE-MAN-EUVER HILEX 75.

ACCORDING TO THE INTERCEPTED REPORT, "THERE WILL BE NO SUBSTANCE TO THE NORTH-SOUTH CONFERENCE IF WE CAN HELP IT," FEDERAL ENERGY ADMINISTRATION OFFICIAL WYNN JAMES STATED ON BEHALF OF HIMSELF AND HIS SUPERIOR, CLEMENT MALIN. "WE (THE INDUSTRIAL COUNTRIES) WILL HAVE A UNIFIED APPROACH AT THE MEETING, INCLUDING FRANCE," WYNN ADDED. "THE FRENCH ARE STAYING IN LINE - FOR DIFFERENT REASONS THAN US."

BUT BRIEFINGS ON THE CONTENTS OF THIS WEEK'S INTERNATIONAL ENERGY AGENCY MEETING IN BRUSSELS, WHERE THIS TOPIC WAS DISCUSSED, ARE RESTRICTED TO TOP-LEVEL U.S. GOVERNMENT PERSONNEL INVOLVED IN THE HILEX 75 OPERATION. NO BRIEFINGS HAVE BEEN MADE AVAILABLE TO EITHER THE PRESS OR HIGH-LEVEL MEMBERS OF THE NEW YORK FINANCIAL COMMUNITY.

STATE DEPARTMENT AND CHASE MANHATTAN MAP OUT ECONOMIC WARFARE  
AGAINST THE USSR

---

NEW YORK, DEC. 11 (IPS)—ON TUESDAY AND WEDNESDAY OF NEXT WEEK CHASE MANHATTAN BANK AND THE U.S. STATE DEPT. WILL HOLD A CLOSED CONFERENCE TO MAP OUT THE HILEX 75, ECONOMIC WARFARE STRATEGY AGAINST THE USSR. THE MEETING WILL BE ADDRESSED BY MARSHALL I. GOLDMAN OF THE HARVARD RUSSIAN INSTITUTE, LARRY BRANARD, CHIEF ECONOMIST FOR CHASE, AND REPRESENTATIVES FROM THE CIA AND THE STATE DEPARTMENT.

DR. GOLDMAN, REACHED FOR COMMENT BY INDEPENDENT JOURNALISTS, NOTED THAT THE SOVIET UNION, UNDER THE BURDEN OF A BAD GRAIN HAR-

(MORE)

VEST AND A \$4 BILLION TRADE DEFICIT, WAS QUITE VULNERABLE TO ECONOMIC DESTABILIZATION. GOLDMAN POINTED OUT THAT A SIMILAR TYPE OF SITUATION HAD BROUGHT THE DOWNFALL OF FORMER SOVIET LEADER NIKITA KRUSCHEV, AND THAT THE SAME THING COULD OCCUR TO CURRENT COMMUNIST PARTY GENERAL SECRETARY LEONID BREZHNEV NOW. MR. GOLDMAN ENDORSED THE VIEWS OF SEN. HENRY JACKSON THAT A U.S. FOOD BOYCOTT AGAINST THE USSR COULD EXPOSE THE "INCOMPETENCE" OF THE SOVIET LEADERS TO THE SOVIET PEOPLE.

SENATOR CULVER ATTACKS KISSINGER'S "MILITARY CABAL," WILL BE INVESTIGATING HILEX 75

CHICAGO, OCT. 11 (IPS9)—SENATOR JOHN CULVER (D-IOWA) TOLD REPRESENTATIVES OF THE CHICAGO COUNCIL ON FOREIGN RELATIONS ATTENDING A SPECIAL LUNCHEON TODAY THAT HE WAS AWARE OF NATO'S HILEX 75 MANEUVER AND WOULD PERSONALLY LAUNCH AN INVESTIGATION INTO THE "EXERCISE." CULVER LINKED HILEX TO LIMITED NUCLEAR WAR DOCTRINE OF FORMER DEFENSE SECRETARY JAMES SCHLESINGER, SAYING THAT THE REMOVAL OF SCHLESINGER FROM OFFICE DID NOT MEAN THE DOCTRINE ITSELF HAS BEEN CHANGED.

EARLIER IN HIS ADDRESS TO THE CHICAGO CFR - AN ORGANIZATION LARGELY CONSISTING OF CHICAGO-BASED INDUSTRIALISTS - SENATOR CULVER, BLASTED SECRETARY OF STATE HENRY KISSINGER AND HIS "NATIONAL SECURITY/MILITARY CABAL." THIS "MILITARY CABAL," HE SAID, IS ENGAGED IN HEATING UP HOT SPOTS AROUND THE WORLD BY FEEDING GUNS, ARMS, ETC. TO BOTH SIDES OF MANY ACTUAL OR POTENTIAL CONFLICTS. CULVER LINKED THIS POLICY WITH THE RISE OF INTERNATIONAL TERRORISM, CITING THE CIA'S WELL-KNOWN ASSASSINATION CAPABILITY. "WITH THESE PEOPLE AROUND, WHO KNOWS WHERE THE NEXT ASSASSIN'S BULLET WILL LAND?" HE ASKED.

CULVER OUTLINED THE PERSONAL ATTACKS THAT HAVE BEEN WAGED AGAINST HIM BECAUSE OF HIS FIGHT AGAINST THE "MILITARY CABAL". ALTHOUGH NOT MENTIONING KISSINGER BY NAME, HE DESCRIBED HOW "THESE FORCES" HAD LAUNCHED A VICIOUS CAMPAIGN AGAINST HIM PARTICULARLY IN HIS HOME STATE. HE WARNED THE CFR AND GROUPS LIKE IT NOT TO FALL FOR "SUCH RED SCARE NONSENSE" AS "SOVIET MILITARY BUILDUP," CHARGING THAT U.S. NATIONAL SECURITY-MILITARY PERSONNEL "HAVE WORKED OUT INTRICATE SCENARIOS FOR DEFEATING THE SOVIET UNION IN A CONFLICT" THAT ARE NOT ONLY RIDICULOUS FROM THE STANDPOINT OF ACTUAL MILITARY STRATEGY BUT ALSO DANGEROUS. HE ALSO WARNED THAT CONGRESS CANNOT BE COUNTED ON TO STOP THIS SCENARIO BY ITSELF BECAUSE OF ITS VULNERABILITY TO ADVERTISING AND PRESSURE BY THE CABAL. CULVER SAID HE HOPED THAT HE HIMSELF WOULD NOT BE SWAYED BECAUSE HE REALIZES THAT AS LONG AS "THESE SAME PEOPLE" REMAIN IN CONTROL, THE DANGER OF NUCLEAR WAR WOULD PERSIST.

INFORMED SOURCES PRESENT AT THE CFR MEETING INDICATED TO IPS THAT CULVER'S SPEECH SHOULD BE VIEWED AS A MAJOR POLICY STATEMENT OF THE CFR.

CULVER ALSO ASKED A U.S. LABOR PARTY REPRESENTATIVE WHO WAS INVITED TO THE MEETING TO PROVIDE HIM WITH MORE DETAILS ON THE HILEX OPERATION.

IL FIORINO BARES USLP HILEX CHARGES

OCT. 11 (IPS9)—IL FIORINO, ONE OF THE MOST INFLUENTIAL ITALIAN FINANCIAL NEWSPAPERS, PUBLISHED A DETAILED ACCOUNT OF THE NATO

HILEX PLAN BASED ON STATEMENTS BY U.S. LABOR PARTY PRESIDENTIAL-CANDIDATE LYNDON H. LAROUCHE, JR., AT A ROME PRESS CONFERENCE YESTERDAY.

ACCORDING TO IL FIRINO, LAROUCHE SAID THAT "AT THE END OF JAN. AND BEGINNING OF FEBRUARY, THE WORLD WILL FIND ITSELF AT THE BRINK OF A NUCLEAR CONFRONTATION, WANTED BY U.S. SECRETARY OF STATE KISSINGER AND THE PRESENT U.S. VICE PRESIDENT ROCKEFELLER. THIS NUCLEAR CONFRONTATION WILL BE PRECEDED BY THE ASSASSINATION OF PRESIDENT FORD...THE PROOF OF THIS CATASTROPHIC EVENT IS IN THE PRESENT NATO MANEUVERS." ACCORDING TO LAROUCHE, "THESE MANEUVERS, ALTHOUGH THEY ONLY PRETEND TO SIMULATE A NUCLEAR WAR BETWEEN THE EAST AND WEST, ARE NOTHING BUT THE GENERAL REHEARSAL OF THE FUTURE NUCLEAR CLASH." "BUT," THE ARTICLE CONTINUES, "THIS IS NOT ENOUGH," SAYS MR. LAROUCHE. HUMANITY IS COMING TO ITS END THROUGH EPIDEMICS BETWEEN NOW AND 1980. THE CAUSE OF ALL THIS LIES IN THE \$800 BILLION IN INTERNATIONAL DEBT THAT NOBODY KNOWS HOW TO ROLLOVER AND THAT WILL TAKE US RAPIDLY TO THE CATASTROPHE.

SPEAKING ABOUT THE ITALIAN SITUATION, LAROUCHE CHARGED THAT "AGNELLI, CARLI, THE LEADERS OF THE PCI (ITALIAN COMMUNIST PARTY) AND THE PSI (ITALIAN SOCIALIST PARTY) ARE WORKING HARD TO IMPLEMENT ECONOMIC POLICIES IDENTICAL TO THOSE OF THE NAZI REGIME." LAROUCHE ADDED THAT "BOTH THE LEADERS OF THE PCI AND PSI ARE CONTROLLED BY THE ESPIONAGE ORGANIZATIONS OF THE U.S. (WHILE Togliatti (FORMER PCI LEADER) WAS OPERATING WITH THE BRITISH FOREIGN OFFICE)."

THE ARTICLE CONCLUDED: "LAROUCHE SAID THAT, UNDER HIS PRESIDENCY, THE WORLD WILL NOT SUFFER DISASTERS OF SUCH DIMENSIONS."

#### CIA'S THAI MERCENARIES LAUNCH SMALL-SCALE COMBAT OPERATIONS IN LAOS

DEC. 11 (IPS9—THAI MERCENARIES PREVIOUSLY USED BY THE CIA DURING THE INDOCHINA WAR WERE REACTIVATED IN OCTOBER AND ARE NOW INVOLVED IN SMALL-SCALE COMBAT OPERATIONS IN THE LONG CHENG SECTION OF LAOS, ACCORDING TO THE DEC. 5 ISSUE OF THE FAR EASTERN ECONOMIC REVIEW. IN ADDITION, LAOTIAN MEO TRIBESMEN LONG USED BY THE CIA HAVE ALSO BEEN SENT BACK INTO LAOS.

THE MOVES COMES AT A TIME WHEN THE CIA-CONTROLLED THAI REGIME HAS LAUNCHED BORDER PROVOCATIONS AND BLOCKADED LANDLOCKED LAOS, AND COULD LEAD TO A THAI-LAOS WAR.

#### PARSKY ADMITS TREASURY ROLE IN 'HILEX'

NEW YORK, DEC. 11 (IPS9—AT A NEW YORK PRESS CONFERENCE YESTERDAY ATTENDED BY 15 NEW YORK BASED FINANCIAL REPORTERS, ASSISTANT TREASURY SECRETARY GERALD PARSKY PUBLICALLY ACKNOWLEDGED TREASURY INVOLVEMENT IN THE NATO 'MANEUVER' HILEX 75. "THE TREASURY DEPARTMENT" PARSKY ADMITTED BEFORE A STUNNED PRESS CORPS "IS NOT

DIRECTLY INVOLVED IN THAT EXERCISE. I DO NOT KNOW THE DETAILS. I HEAARD ABOUT IT, HOWEVER, BEFORE MY TRIP TO THE MIDDLE EAST. I'M SURE (TREASURY SECRETARY) BILL SIMON KNOWS ABOUT IT."

FOLLOWING THE CONFERENCE, AN IPS REPORTER BUTTONHOLED PARSKY AND HANDED HIM A COPY OF THE US LABOR PARTY'S HILEX 75 SPECIAL BRIEF. WHEN TOLD THAT THE NATO MANEUVER WAS A LIVE OPERATION AND NOT A DUMMY EXERCISE, THE TREASURY BUREAUCRAT TURNED ASH WHITE AND INSISTED "THIS COULD NOT BE TRUE, THIS COULD NOT BE TRUE. THE U.S. IS NOT INVOLVED."

### BA'ATH PARTY: LEBANESE CIVIL WAR SET UP BY U.S. TO EXPAND CONTROL OVER MIDEAST OIL

DEC. 12 (IPS) -- THE IRAQI BA'ATH SOCIALIST PARTY ORGAN, ATH-THAWRA, IN ITS ISSUE OF NOV. 25, IDENTIFIES THE FIGHTING IN LEBANON AS PART OF A U.S. DICTATED SCENARIO TO EXPAND ITS DIRECT CONTROL OVER THE MIDDLE WEAST OIL FIELD AND IN SO DOING SUBJECT BOTH THE EAST AND THE WEST TO ITS MILITARY AND ECONOMIC DECTATORSHIP.

"SOON AFTER THE SECOND SINAI AGREEMENT" ATH-THAWRA WRITES "THE LEBANESE RIGHT-WING ENCOURAGED BY U.S. IMPERIALISM AND ARAB RIGHT-WING CIRCLES, LAUNCHED A BLOODY TERRORIST OPERATION TO LIQUIDATE BOTH PALESTINIANS AND ARAB PROGRESSIVE FORCES AND TO TRANSFORM LEBANON INTO A SECTARIAN REACTIONARY ARM OF THE U.S. FOR MOVING THROUGH SYRIA, TO IRAQ AND TO THE GULF. IN THIS FASHION, THE U.S. WILL GAIN TOTAL CONTROL OF ALL OIL RESOURCES."

INTENTIONS TO PUSH AHEAD WITH THIS SCENARIO, THE PAPER REPORTS, WERE UNDERSCORED BY THE RECENT DEPLOYMENT OF THE MIDDLE EAST FLEET TROUGHOUT THE PERSIAN GULF, AROUND THE SAUDI ARABIAN PENINSULA AND THROUGH THE RED SEA. "THESE NAVY EXERCISES," ATH-THAWRA CONTINUES, "HAVE NO OTHER MEANING THAN TO DECLARE THAT ALL WATERS SURROUNDING THE OIL FIELDS ARE IN AN AREA OF U.S. STRATEGIC HEGEMONY." THE U.S. INTENDS TO SURROUND THE FIELDS "WITH A MILITARY BELT CONTROLLING AT THE SAME TIME THE ROADS AND GAINING CONTROL OF ALL TRANSPORTATION FACILITIES AS WELL AS TERMINALS AND PIPELINES."

ATH-THAWRA WARNS THAT THIS IS THE MAJOR ASPECT OF SECRETARY OF STATE HENRY KISSINGER'S MIDDLE EAST SETTLEMENT, LEADING TO "FULL U.S. MILITARY DICTATORSHIP OF THE AREA...(THIS WILL) PROVOKE NOT ONLY UNLIMITED DANGERS FOR THE MIDDLE EAST BUT FOR THE ENTIRE WORLD...THE MIDDLE EAST WILL THEN BECOME A LAUNCHING PAD FOR ALL KINDS OF PROVOCATIVE MILITARY DEPLOYMENTS AND MASSIVE LOOTING..."

" THERE IS STILL TIME TO STOP THE EVIL CONSEQUENCES OF KISSINGER'S PLAN," ATH-THAWRA CONCLUDES. "RESPONSIBLE FORCES MUSTHEAREGIONAL, NATIONAL AND INTERNATIONAL COMMUNITY MUST TAKE "A FIRM STAND IN OPENLY DEMANDING DISUCSSION OF THESE ITENTIONS OF SUCH A U.S. IMPERIALIST SCHEME."

DIE WELT CALLS FOR END TO DEMOCRACY

DEC. 12 (IPS) -- RIGHT-WING EDITORIALIST GUSTAVE STROEHM OF THE WEST GERMAN NATO-ALLIED NEWSPAPER DIE WELT YESTERDAY CALLED FOR AN END TO DEMOCRATIC PARLIAMENTARY PROCEDURES BECAUSE THEY AMOUNT TO "MORE SUBTLE FORMS OF TERROR...WITH WHOSE HELP POWERFUL INTEREST GROUPS AND INFLUENTIAL INDIVIDUALS IN THE WESTERN DEMOCRACIES CREATE A CLIMATE IN WHICH IT IS SUICIDAL FOR A POLITICIAN AND HIS CAREER TO REFLECT ON THE SURVIVAL OF THE STATE..."

STROEHM'S ATTACK ON WESTERN DEMOCRATIC INSTITUTIONS WAS ISSUED SPECIFICALLY IN DEFENSE OF WEST GERMAN DEFENSE MINISTER AND NUCLEAR WAR PROPONENT GEORG LEBER. "FOLLOWING THE TOPPLING OF (U.S. SECRETARY OF DEFENSE) SCHLESINGER, GEORG LEBER IS THE LAST DEFENSE MINISTER OF NATO WHO HAS A POLITICAL CONCEPT," STROEHM WRITES. FROM THIS STANDPOINT, STROEHM CALLS UPON THE COUNTRY'S TRADE UNION BUREAUCRACY -- FAMILIAR WITH LEBER FROM HIS 20 YEARS AS A MINERS' UNION NATIONAL LEADER -- TO GIVE THE WAR-MONGERING DEFENSE MINISTER THEIR PUBLIC BACKING.

##### KISSINGER PUSHES PSYWAR ARMS PROPOSAL TO NATO MINISTERS

DEC. 12 (IPS) -- SECRETARY OF STATE HENRY A. KISSINGER INSTRUCTED REPORTERS HERE AND IN WASHINGTON THIS WEEK TO REPORT THAT HE WOULD ISSUE A "MAJOR PROPOSAL" TO NATO FOREIGN MINISTERS MEETING HERE FOR A REDUCTION IN THE U.S. TACTICAL NUCLEAR WEAPON ARSENAL IN WESTERN EUROPE IN EXCHANGE FOR THE WITHDRAWAL OF A FULL SOVIET TANK ARMY FROM EASTERN EUROPE. MOST REPORTERS OBEDIENTLY FILED THE STORY WHICH WAS PLAYED UP TODAY BY THE NEW YORK TIMES' DREW MIDDLETON.

ACCORDING TO INFORMED SOURCES, KISSINGER IS SEEKING TO FOSTER THIS "PROPOSAL" -- WHICH HAS ALREADY BEEN REJECTED AS RIDICULOUS BY THE SOVIET UNION OVER SIX MONTHS AGO -- AS A MEANS TO CREATING THE APPEARANCE OF A SOVIET UNWILLINGNESS TO NEGOTIATE MUTUAL AND BALANCED FORCE REDUCTIONS. ALSO, SOURCES SAID, THE SO-CALLED KISSINGER "PROPOSAL" IS INTENDED TO LEAD TO STATEMENTS OF OPPOSITION TO THE PROPOSAL FROM ROCKEFELLER-LINKED LEADERS IN WESTERN EUROPE WHO WOULD THEN DECLARE SUPPORT FOR U.S. OCCUPATION FORCES IN EUROPE.

### LEVI ASKS POWER OF "PREVENTIVE ACTION" AGAINST DISSIDENTS

DEC. 12 (IPS)--ATTORNEY GENERAL EDWARD LEVI TODAY PROPOSED THAT THE FEDERAL BUREAU OF INVESTIGATION BE GIVEN THE AUTHORITY TO "OBSTRUCT OR PREVENT" GROUPS THAT WERE PLOTTING TO USE FORCE OR VIOLENCE THAT MIGHT POSE A THREAT TO LIFE OR THAT WOULD "INTERFERE SUBSTANTIALLY" WITH THE "ESSENTIAL FUNCTIONING OF GOVERNMENT." LEVI, IN TESTIMONY BEFORE THE SENATE SELECT COMMITTEE ON INTELLIGENCE, SAID THAT THE FBI WOULD TAKE "PREVENTIVE ACTION" ONLY WHERE THERE WAS "LIKELIHOOD" THAT THE ACTIVITIES OF AN INDIVIDUAL OR A GROUP WOULD INVOLVE ILLEGAL VIOLENCE OR THAT THE SUBJECTS WERE SUPPORTED BY A FOREIGN GOVERNMENT OR POLITICAL GROUP, ACCORDING TO TODAY'S NEW YORK TIMES.

LEVI'S RECOMMENDATIONS WERE MADE AS PART OF DRAFT GUIDELINES PROPOSED BY A JUSTICE DEPARTMENT STUDY GROUP TO REGULATE FBI "COINTELPRO" OPERATIONS AGAINST POLITICAL DISSIDENTS. THE PROPOSED REGULATIONS -- WHICH, ACCORDING TO "SENIOR CONGRESSIONAL AIDES" CITED IN TODAY'S NEW YORK TIMES MARK "THE FIRST TIME...THAT A PROPOSAL HAD BEEN MADE THAT THE FBI BE PERMITTED LEGALLY TO ACT AGAINST A GROUP OR INDIVIDUAL BEFORE A CRIME HAD BEEN COMMITTED" -- CLOSELY PARALLEL INTELLIGENCE SERVICE "GUIDELINES" PROPOSED BY THE ROCKEFELLER-DOMINATED MURPHY COMMISSION EARLIER THIS YEAR.

GERMANY, DEC. 12 (IPS)--LAWYERS FOR SOCIAL DEMOCRATIC PARTY CHAIRMAN WILLY BRANDT AND WEST GERMAN METALWORKERS UNION CHIEF EUGEN LODERER TODAY WERE FORCED TO WITHDRAW THEIR MOTION FOR AN INJUNCTION BARRING TWO LEADERS OF THE EUROPEAN LABOR COMMITTEES (ELC) FROM FUNCTIONING AS JOURNALISTS DURING THEIR TRIAL ON CHARGES OF "SPREADING FACTS" ABOUT BRANDT'S AND LODERER'S CONNECTIONS TO THE CIA.

LAWYERS FOR THE TWO, ANNO HELLENBROICH AND JUERGEN SPAHN, SUCCESSFULLY ARGUED THAT THE MOTION FOR THE INJUNCTION WAS INVALID ACCORDING TO "GERMAN CRIMINAL LAW AND CRIMINAL PROCEDURE," BECAUSE THERE WAS NO DEFENSE LAWYERS IN COURT TO CHALLENGE THE MOTION WHEN IT WAS RAISED. LAWYERS FOR BRANDT AND LODERER QUICKLY WITHDREW THEIR MOTION "IN THE INTERESTS OF ALL INVOLVED."

THE PROSECUTION SUFFERED ANOTHER SETBACK TODAY WHEN COURT HOUSE POLICE ATTEMPTED TO BAR IPS CORRESPONDENTS FROM THE TRIAL PROCEEDINGS ON THE PRETEXT THAT IPS WAS AN INSIGNIFICANT AND UNAUTHORIZED PRESS SERVICE. EVEN THOUGH TWO PROSECUTION WITNESSES, POLICEMEN WHO RAIDED THE WIESBADEN ELC OFFICE LAST SPRING, AND DISTRICT ATTORNEYS ATTEMPTED TO SUPPORT THE COURT HOUSE POLICE, THE JUDGE RULED IN FAVOR OF THE DEFENDANTS FOR THE SECOND TIME IN ONE DAY, AND ALLOWED THE IPS REPORTERS TO BE ADMITTED.

THEY ALSO ACCUSED THE FRENCH GOVERNMENT OF HAVING STEPPED UP SHIPMENTS OF ARMS TO MOROCCO IN RECENT WEEKS AS THE CRISIS HAS GROWN TO MILITARY PROPORTIONS.

FIFTEEN WESTERN EUROPEAN COMMUNIST PARTIES ATTENDED. THE MEETING WAS NOT ATTENDED BY THE LENINIST PRO-SOVIET PORTUGUESE, AUSTRIAN AND NORWEGIAN COMMUNIST PARTIES. ALL OTHER TOPICS AND POSSIBILITIES OF JOINT ACTION (ON PROBLEMS OF WOMEN AND PEASANTS, THE SITUATION IN THE AUTO INDUSTRY, THE POWER OF THE MULTINATIONALS, ETC.) WERE RELEGATED TO POSSIBLE FUTURE COLLOQUIA FOLLOWING CONSULTATION WITH THE LEADERSHIP OF THE PARTIES ATTENDING.

THE DECLARATION REFERRED TO THE OCTOBER 1974 CONFERENCE OF COMMUNIST PARTIES HELD IN DUSSELDORF AS BEING THE PRECEDENT FOR THE PRESENT CONFERENCE. THE DUSSELDORF CONFERENCE WAS WIDELY RECOGNIZED BY THE LENINIST ELEMENTS IN THE PCF TO HAVE BEEN COMPLETELY DOMINATED BY THE ITALIAN COMMUNIST PARTY UNDER THE DIRECTION OF CIA AGENT PCI LEADERS GIORGIO AMENDOLA, GIANCARLO PAJETTA AND SERGIO SEGRE.
