

Easum's statement follows an announcement by South Africa's Prime Minister Vorster that within a year his country's critics "will be amazed at where we stand." This official "conciliatory" attitude is coupled with the enthusiastic response to "detente" by Rockefeller's local African leadership. Black-white "detente" is essential for Rockefeller's accelerated looting of southern Africa.

BOURGEOIS PRESS USES SOVIET PARADE CANCELLATION IN PSYWAR

Nov. 8 (IPS)--The traditional parade for the Soviet Union's October Revolution festivities was abruptly broken off yesterday after the military part, ostensibly due to rain. Hundreds of civilian marchers were sent home. While the actual reasons for the cancellation are as yet not known, the Western bourgeois press has circulated rumors to the effect that the Soviet leadership is a group of doddering old men practically near death. Thus the Baltimore Sun gleaned from a gesture of General Leonid Brezhnev that he was "protecting" the feeble Nicholai Podgornyi. The Sun also described Premier Kosygin as looking cold and wan.

The following day, West Germany's Die Welt picked up this latest CIA psywar line, writing that the parade was cancelled supposedly because Brezhnev himself had had a heart attack...and also the flu!

EAST GERMAN RADIO WARNS OF NUCLEAR WAR IN MIDEAST

Nov. 8 (IPS)--The domestic radio of the German Democratic Republic (East Germany) warned today that Israel is threatening to launch a nuclear war in the Mideast. The broadcast then cited Soviet leader Leonid Brezhnev in reference to the need to resolve the crisis as soon as possible.

The report, however, failed to mention Foreign Minister Gromyko's recent announcement of Soviet support for the creation of a Palestinian state. Unsere Zeit, daily newspaper of the West German Communist Party, similarly edited out this section of Gromyko's speech.
